Student Worker

**Deep Shah**

Student Worker

**Daniel West**

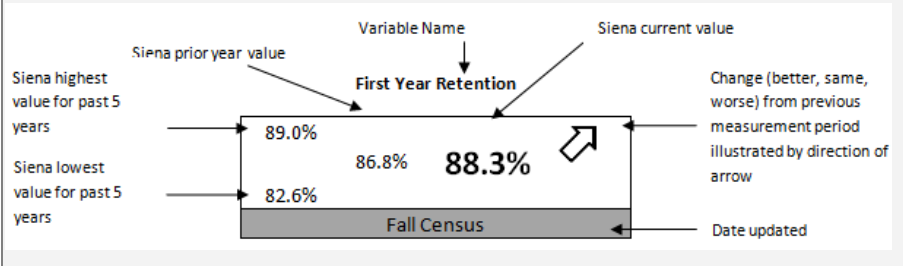

Technology Intern

### KPIs

#### Key Performance Indicators (KPIs):

KPIs are now available to the entire Siena College Community. They are located on the Institutional Research site at <http://www.siena.edu/pages/7146.asp>

### Surveys

#### Announcements:

This month (February 2012), students will be asked to participate in the **National Survey for Student Engagement (NSSE)**. The purpose of this survey is to determine the extent to which students are involved in behaviors known to be associated with academic success. Student responses are summarized in five benchmarks: Level of Academic Challenge, Active and Collaborative Learning, Student-Faculty Interaction, Enriching Educational Experiences, and Supportive Campus Environment. Results of this survey are used in a variety of institutional assessment and accreditation activities, and will be important in the upcoming Middle States Self-Study. **Thank you in advance for encouraging students to take this survey!**

#### Other Surveys:

Below is a list of surveys OIE submits data to for use when prospective students are looking for colleges and universities to attend.

- ⇒ Common Data Set
- ⇒ College Board
- ⇒ Princeton Review
- ⇒ ACT
- ⇒ Peterson's
