Cheju, Korea

Here is Hyun-hee,
one of my co-teachers
at the Korea Foreign
Language Institutes on
Cheju.

We became very close
exchanging many ideas
about culture, the
world, people, realizing
we are all the same.

On cheju, I
stayed with
the Chun family.
Tutoring Mr. Chun
(not shown) and his
older son, Jong-ho,
was great fun!
We all became
so close ...

I spent one month
in Seoul tutoring
college students.

This is one of my
students, Young-Min.
My students and I had
a great time practicing
conversational English
during our sight-seeing trips.
