1. Responsibilities of Assessment Planning Committee

The committee reviewed the expectations concerning membership and responsibilities of the APC, which are listed in the Assessment Guide. According to the guide, the Director of Foundations is an expected member of the APC. Although the APC chair was told that the Director of Foundations would not be joining the committee, the committee members asked the chair to send an e-mail to the VPAA requesting that the Director of Foundations join the APC.

To clear any confusion, the chair was asked to inform the Dean of Liberal Arts that the Associate Dean of Liberal Arts would not need to attend the APC meetings.
