Faculty Colleagues

Faculty, please join us for the annual
Ted Winnowski Student Conference in Business!

As an increasing number of faculty assign substantive research projects as part of course requirements and as the number of research-based independent studies grows, the TWSCB presents an opportunity for students to showcase their work in Business, Marketing, Management, Entrepreneurship, Accounting, Finance, and Economics. We seek your support in directing your students to submit term papers, term projects, and research papers to the Ted Winnowski Student Conference in Business.

Abstract and paper submissions will be accepted until March 27, 2020 online at the Ted Winnowski Conference in Business Manuscript Submission link. Work must have been completed in the Summer 2019, Fall 2019, or Spring 2020 semesters. Presenters will be notified of their acceptance to the conference in late March. Both abstracts and papers will be published in the Proceedings.

Please also share this call for Papers with your colleagues outside of Siena College as students enrolled in other colleges are encouraged to apply.

Thank you!
