This outline should be used for those transferring into any major in the School of Business at Siena College.

Points to keep in mind:

- Grades of C or better will transfer.
- Any 300-level course must be taken at Siena or another four-year AACSB accredited institution.
- Half of your major must be completed at Siena College.
- Students transferring with 24 or more credits are not required to complete Siena’s First Year Seminar (6 credits), however, check with Siena admissions for acceptable substitutions.
- Students are required to complete four Franciscan Concern courses in the areas of diversity, heritage, nature, and social justice. These courses can be taken at HVCC and transfer into Siena. Business Administration students can use the following substitutions to transfer in for Franciscan Concern credit: BADM 220 (nature credit), BADM 110 (social justice credit), BADM 207 (Diversity credit). For a list of additional acceptable substitutions, see [www.siena.edu/transfer](http://www.siena.edu/transfer) under the HVCC Curriculum Guideline section, Franciscan Concern substitutions
- Substitutions for courses may be made by the Siena College Assistant Deans where they deem appropriate.

Siena College reserves the right to review the final evaluation of transfer credits. Please contact the Office of Admissions at 1-888-AT-SIENA with any questions or to make an appointment for a tentative credit evaluation and/or course advisement.
