Step 6: Review the Housing License, and sign your name at the bottom using your mouse.

If a student is under the age of 18, a verification email will be sent to the student's parent/guardian to have them authenticate and approve the application. If you are under 18, please remind your parent/guardian to complete this very important step in the process!
Step 7: Respond to each of the questions listed on the left.

These questions help us in making roommate assignments, so PLEASE be honest about your preferences. The more honest you are, the better your roommate match will be!
Step 8: Hall Preferences

You can rank your housing preferences in order using the drop down menus. You can use the “Add Request” button to add up to three halls for your preferences.

After requests have been added, click “Continue >>”
**Step 9: Meal Plan Selection**

Please select your desired meal plan choice from the list.

Note: All students will have until Tuesday, September 22 at 4:30 p.m. to change their meal plans!
