**Special Permits**

**RESIDENT FRESHMAN**

Due to the limited amount of parking space on campus, First Year Resident Freshman students are prohibited from having a vehicle on campus. All Resident Freshman Students must obtain prior authorization from the Director of Public Safety to have a vehicle on campus even if it is for a limited time. Failure to receive permission will result in a $200 (+ tax) fine and may subject the student to denial of his/her request. Any parking tickets received during the time period that the car was on campus without approval may not be appealed.

Exceptions to this policy may be requested in writing to the Director of Public Safety.

**EXCEPTIONS TO THE POLICY**

A first-year resident freshman may request an exception to the policy if they meet certain Medical and/or Employment criteria. The request must be submitted in writing with the necessary supporting documents to the Director of Public Safety for consideration. The student is not authorized to bring a vehicle to campus without prior approval.

Medical Exception Requirements: Students with a current or pre-existing medical condition that are under the treatment of a physician must complete a Medical Parking Permit Request form. The form may be obtained from the Public Safety Office or Siena Health Services Website. This form must be completed by the attending physician and returned to Health Services for review. The general criteria for a medical exception requires a minimum of six appointments per month to a medical professional.

The Director of Health Services will review the documentation and forward a recommendation to the Director of Public Safety. If the request is approved, the Director of Public Safety will notify the student by email of the decision. Upon obtaining an exception, the student will be required to present a receipt of treatment from the medical practitioner on a monthly basis.

**Employment Exception Requirements:** First year Resident Freshman students requesting the employment exception must work a minimum of 20 hours per week of regularly scheduled employment within 25 miles of the campus. The college does not accept sporadic or under the table employment as sufficient for an exception. This includes contract work where hourly commitments can not be verified by pay stubs.

Resident freshman students requesting this exception must submit the following to the Director of Public Safety in writing. A letter requesting the exception to policy, which includes the reason for the request, and the specific days and hours the student will work. A letter from the employer on company letterhead stationary indicating the students employment status and the specific hours and days scheduled.

If the exception is approved, the student must provide proof of continued employment on a
monthly basis. The student must submit copies of pay stubs from company paychecks by the fifth of each month. Failure to submit documentation on the fifth of the month will result in the loss of the exception and forfeiture of the parking permit.

*If cancelled, the permit must be promptly surrendered to the Public Safety Department or a $200 (+tax) fine will be imposed and levied on the student’s account.*

**NOTE:** Freshmen permits may be denied or revoked by the Director of Public Safety if the student is in violation of the Siena Code of Conduct. Freshman permits may be suspended for the remainder of the semester for any freshman student who has received three tickets for violations of the College’s Traffic Rules and Regulations.

*Freshman granted an exception will be directed to park in Lot “B” only.*

*Note – students who have registered an electric vehicle may park in and use EV charging spaces (green lines) for the purposes of charging their vehicle. The vehicle must be moved after four hours or once the vehicle has been fully charged whichever occurs first.*

This may include e-mail, public announcements, flyers and telephone messages when practical.

When leaving campus, vehicles left behind must be moved to the "Long Term Parking Areas, these areas are designated as Lot B (rear of Cushing Village), Lot F (next to the baseball field) or the Trustco Bank Center which is located across the street from the main campus. Vehicles left in any other lot may be towed when necessary for snow removal or any other emergency that may arise. The owner will be responsible for the tow charges.

However, if a student is not enrolled in classes/employed by the college, their vehicle must be removed at the end of the academic year. People who have been declared Persistent Violators will remain such for the remainder of the current Academic Year regardless of the status of their parking fines (paid or unpaid). When the next Academic Year commences all former Persistent Violators will have their Persistent Violator status removed and will start the year without carrying forward that designation.
