STUDYING ABROAD AS AN ACCOUNTING MAJOR

Study abroad enables accounting students to examine global perspectives on corporate systems, meet with local, national and international businesses, pursue professionally-driven internships, and so much more!

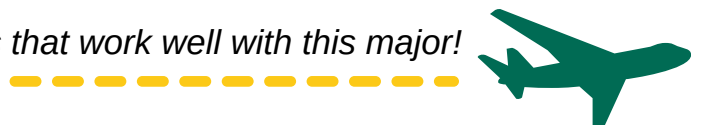

MAJOR COURSES ABROAD

Students majoring in Accounting should prioritize taking major courses, as well as the Business Core, at Siena. With few exceptions in the Business Core, most of these courses cannot be done abroad.

Students can complete Core requirements abroad including, *but not limited to*:

- CDA (Creative Arts)
- CDS (Social Sciences)
- Franciscan Core (CFD, CFH, CFJ, CFN).

Check out possible study abroad locations that work well with this major!
