# STUDYING ABROAD AS A BUSINESS MAJOR

Study abroad enables business students to engage with their studies in a new cultural context, meet with local, national and international business leaders, pursue internships across all industries, and so much more!

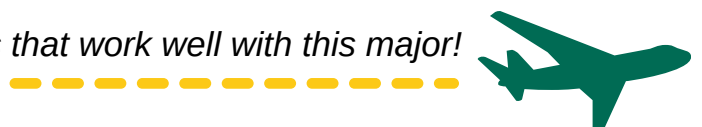

## MAJOR COURSES ABROAD

Students majoring in Business should prioritize taking concentration courses, as well as their Business Core, at Siena. With few exceptions, most of these courses cannot be done abroad.

Students can complete Core requirements abroad including, *but not limited to*:

- CDA (Creative Arts)
- CDS (Social Sciences)
- Franciscan Core (CFD, CFH, CFJ, CFN)

Check out possible study abroad locations that work well with this major!
