# STUDYING ABROAD AS A FINANCE MAJOR

Study abroad enables finance students to examine global perspectives on financial decision-making, meet with local, national and international companies, pursue professionally-driven internships, and so much more!

## MAJOR COURSES ABROAD

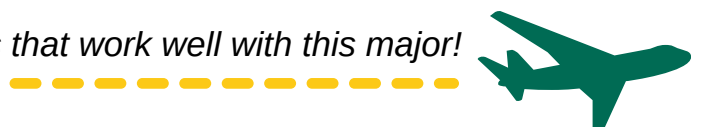

The following courses in the Finance major can be completed abroad:

- FINC 413 (International Finance)
- FINC electives

Students should prioritize taking Business Core courses at Siena. With few exceptions, most of these courses cannot be done abroad.

Students can also complete Core requirements abroad including, but not limited to: CDA (Creative Arts), CDS (Social Sciences), and Franciscan Core (CFD, CFH, CFJ, CFN).
