# STUDYING ABROAD AS A MANAGEMENT MAJOR

Study abroad enables management students to examine global perspectives on entrepreneurship and leadership, meet with local, national and international businesses, pursue professionally-driven internships, and so much more!

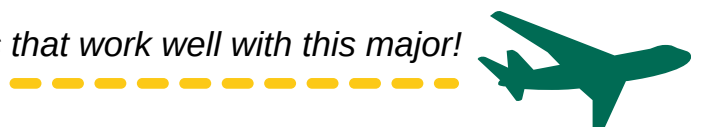

## MAJOR COURSES ABROAD

Depending on courses offered and selected, students can complete up to half of the Management Major requirements while studying abroad. This includes MGMT electives.

Students should prioritize taking Business Core courses at Siena. With few exceptions, most of these courses cannot be done abroad.

Students can also complete Core requirements abroad including, *but not limited to*: CDA (Creative Arts), CDS (Social Sciences), and Franciscan Core (CFD, CFH, CFJ, CFN).
