STUDYING ABROAD AS A THEATER MAJOR

Study abroad enables theater students to experience artistic performances from a new cultural lens, engage with audiences at world-renowned universities, visit galleries and museums, and so much more!

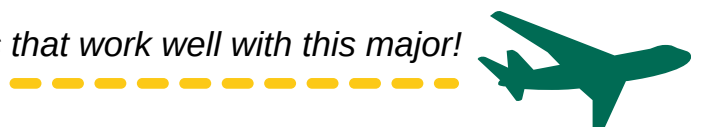

MAJOR COURSES ABROAD

Students majoring in Theater should prioritize taking major courses at Siena. Certain courses in each track - design, management, and performance - may be taken abroad, pending approval.

Students can also complete Core requirements abroad including, *but not limited to*:

- CDS (Social Sciences)
- Franciscan Core (CFD, CFH, CFJ, CFN)

Check out possible study abroad locations that work well with this major!
