

Approved SCCC Courses to transfer as Siena College Franciscan Concern Courses

Students will need to complete four Franciscan Concern courses—one from each area. Below are SCCC courses that fulfill these requirements. Students do not need all four areas completed before entering Siena, they may continue to fulfill these requirements once enrolled at Siena. Additional course offerings are available once enrolled at Siena. There is no limit on the amount of Franciscan Concern courses that can be transferred. Substitutions may be made by the Siena College Assistant Deans where they deem appropriate.

Diversity

ANT 121 Cultural Anthropology
