Documents generated by student organizations should be in accordance with College policies and regulations. In the event that a conflict exists between College policies and regulations and a student-generated document, the College policies, rules, guidelines, regulations, terms and conditions shall govern.

Siena College reserves the right to change the tuition, fees, room-and-board costs, rules governing admission, occupancy of the residential facilities, granting of degrees, and any other regulation, rule, term, condition, policy or guideline that may affect students. Such changes take effect whenever Siena authorities deem necessary. Siena College also reserves the right to exclude at any time students whose academic record is unsatisfactory or whose conduct is found to be detrimental to the College community.

Greetings from the Vice President for Student Life

Dear Siena Student,

It is my pleasure to welcome you to Siena College for the 2018 – 2019 academic year. During your time here, I encourage you to take an active role in your education and in our community.

The College realizes that life outside of the classroom plays an important role in the development of the whole person. A Franciscan, Catholic liberal arts education is as much about mutual respect, the appreciation of differences, values and social responsibility as it is about intellectual development, career goals and critical thinking.

Our faculty and staff expect great accomplishments from you, as we hope you do of yourself. Strive for excellence, reflect upon your goals, and use your talents and energy for service with others and to better your community. Members of the Student Life staff encourage you to take advantage of as many Siena College opportunities as possible to stretch your mind, heart and spirit. We will assist and support you in your journey.

The College policies, procedures, guidelines and services outlined in Siena Life are to inform you of the expectations Siena College has for its students. Your presence here signifies your willingness and expressed consent to adhere to the policies and procedures outlined in this and other College publications.

If a member of the Student Life staff can be of assistance to you, please stop by my office in Sarazen Student Union, room 302, and we will be happy to meet with you. Best wishes for a productive and enjoyable year.

Maryellen Gilroy, Ed.D.

Vice President for Student Life
Siena College Mission

Siena College is a learning community advancing the ideals of a liberal arts education, rooted in its identity as a Franciscan and Catholic institution.

As a learning community, Siena is committed to a student-centered education emphasizing dynamic faculty-student interaction. Through a blending of liberal arts and professional education, Siena College provides experiences and courses of study instilling the values and knowledge to lead a compassionate, reflective, and productive life of service and leadership.

As a liberal arts college, Siena fosters the rigorous intellectual development of its students through a healthy exchange of ideas both inside and outside the classroom. It provides opportunities to develop critical and creative thinking; to make reasoned and informed judgments; to appreciate cultural diversity; to deepen aesthetic sensibility and to enhance written and oral communication skills. It develops in each individual an appreciation for the richness of exploring knowledge from a variety of perspectives and disciplines.

As a Franciscan community, Siena strives to embody the vision and values of St. Francis of Assisi: faith in a personal and provident God, reverence for all creation, affirmation of the unique worth of each person, delight in diversity, appreciation for beauty, service with the poor and marginalized, a community where members work together in friendship and respect, and commitment to building a world that is more just, peaceable, and humane.

As a Catholic college, Siena seeks to advance not only the intellectual growth of its students, but their spiritual, religious and ethical formation as well. To this end, Siena is composed of and in dialogue with people from different religious and cultural traditions; fosters a critical appreciation of the Catholic intellectual heritage in conversation with contemporary experience; provides ample opportunities for worship and service; explores the moral dimensions of decision-making in business and the professions; and affirms the dignity of the individual while pursuing the common good.

Franciscan Values: DORS

Guided by our mission statement and the values of St. Francis of Assisi, the Division of Student Life ensures that a student’s time at Siena College will be educational, developmental, satisfying, and most of all, enjoyable. Essential to the Division of Student Life at Siena College are the Franciscan values of diversity, optimism, respect and service (DORS). DORS integrates the values and teachings of St. Francis and St. Clare of Assisi into the everyday lives of Siena College students. Franciscan values serve as a lens through which to view our world and our way of being in relationship with each other. Through discussion, modeling and application of DORS, our community is enriched and made vibrant. DORS ensures that students identify with and take on a sense of responsibility for the College and each other. The essence of Franciscan living is a way of relating to people that is grounded in faith and values. DORS provides a framework for the Siena College community to discuss and learn about the Franciscan tradition and its approach to fostering positive interpersonal relationships.
Community Standards and Accountability

Siena College’s philosophy of student conduct is grounded in fostering students’ skills and their understanding of how to live responsibly in a community. The College focuses on the growth and development of the individual within the greater context of the community. Disciplinary procedures for violations of the Student Code of Conduct are designed to foster moral and ethical development and accountability while upholding Siena College community standards. Siena College expects members of its community to be responsible for appropriate standards of conduct. Students are expected to conduct themselves in accordance with the College policy and applicable local, state, and federal laws.

In light of our unique educational mission, the College strives to provide students with a fair process for adjudicating allegations of violations appropriate to the campus setting.

III. Institutional Authority

A. Jurisdiction:
All students are subject to and are expected to familiarize themselves with the Siena College Code of Conduct. In addition, any violations of federal, state or local law as determined by the College shall be considered a violation of the Siena College Code of Conduct. When alleged violations of College regulations or local laws take place off campus and come to the College’s attention, the College reserves the right to take appropriate action when, in the judgment of College officials, the alleged conduct has a negative impact on the College community or the pursuit of its mission or the broader community in which we live. The vice president for student life or designee may initiate College disciplinary proceedings, whether or not criminal charges have been filed.

B. Right to Take Disciplinary Action:
The College reserves the right to suspend, dismiss or expel any student when, in the opinion of the College as determined by the vice president for student life, dean of students, associate dean of students or designee, his or her behavior threatens or endangers the health, safety, or well-being of the College community or any of its individual members. This right also applies to violations of the Code of Conduct and other College policies, rules, regulations, terms, conditions or guidelines. In addition, the College reserves the right to impose penalties, which include, but are not limited to, fines, cancellation of the housing license, suspension and expulsion.

C. Welfare of the Community (Amnesty):
The health and safety of every student at Siena College is of utmost importance. Siena College recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to discrimination and harassment, domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. Siena College strongly encourages students to report discrimination and harassment, domestic violence, dating violence, stalking, or sexual assault to College officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of discrimination or harassment, domestic violence, dating violence, stalking, or sexual assault to college officials or law enforcement will not be subject to Siena’s code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the discrimination and harassment, domestic violence, dating violence, stalking, or sexual assault.

D. This policy may also be applied, but not limited to:
Alcohol or drug related incidents, discrimination and harassment, sexual misconduct or situations of vandalism and damage. The policy only applies to the College’s Student Code of Conduct and has no status in other jurisdictions such as local or state courts.

E. **Conduct On and/or Off College Premises:**
In the event a student also faces criminal charges for any conduct on or off campus, the College reserves the right to bring charges against a student for any violation(s) of the Code of Conduct prior to, concurrent with or following criminal charges being filed in a court of law for the same act(s). All College rules and regulations apply to students and their conduct, behavior and activity, both on and off College premises and at College-sponsored events and activities, regardless of where they are being held.

Student members of the Siena community are expected to act with respect for the safety, personal rights and property of individual groups outside the College as well as to respect the proper authority of local, state and federal officials. The College reserves the right to take disciplinary action against students or student organizations responsible for organizing non-College-sponsored events (dances, theme parties, etc.) that result in underage drinking, misconduct or criminal activity. Hosting a non-College sponsored event at a third-party vendor shall not exonerate the student or student organization from responsibility.

F. **Administrative Withdrawal:**
If in the opinion of the vice president for student life, or designee (in consultation with other College officials), a student with a behavior problem cannot accomplish his or her objectives in concert with those of the College or without jeopardizing his or her welfare or that of others, the student’s registration may be terminated and the student may be required to leave the College immediately. In such cases, the student will be restricted from being on campus property and, if found, subject to arrest for trespassing. Depending upon the circumstances surrounding the termination and in the College’s discretion, the student may be eligible for a refund of tuition and fees as outlined in the Siena College catalog. In addition, any housing/board fees will be refunded on a pro-rata basis based upon the date of termination. The decision of the vice president for student life, or designee to terminate a student’s registration may be appealed in writing to the College president within five (5) business days. If not appealed within this time frame, the decision of the vice president for student life, or designee, is final. At the College’s sole discretion, the vice president for student life, or designee, may consider a student’s application for readmission.

G. **Sex Offender Registry Act (SORA):**
In accordance with federal law, the College shall provide a statement advising the campus community where law enforcement agency information provided by a state under 42 U.S.C. Section 14071 (j), concerning registered sex offenders, may be obtained, such as the local law enforcement agency with jurisdiction for the campus. In accordance with the New York State Sex Offender Registration Act (SORA), law enforcement agencies may disseminate certain relevant information concerning a sex offender to any entity with vulnerable populations related to the nature of the offense committed by such sex offenders. The College shall comply with federal and state law concerning SORA. Should the vice president for student life or designee be informed that a student is listed as part of a sex offender registry, the College reserves the right to take immediate action to temporary suspend the student pending a College administrative hearing. The College also reserves the right to take immediate action
to suspend or dismiss the student from the College if the student represents a risk to the health, safety or welfare of the community or to any person or property.

H. Cooperation with Law Enforcement:
The College may be required to cooperate with civil/criminal authorities. No attempt will be made to insulate an individual from the legal consequence of his/her act.

I. Access Restricted/Access Limited:
The College reserves the right to restrict or limit access for any student/non-student when his/her conduct is considered a violation of community standards as determined by College officials. An individual whose access has been restricted is not permitted on College property and, if found, is subject to arrest for trespassing. Individuals whose access has been limited may only be on campus at designated times and/or locations.

An Order of No Contact is a directive by the vice president for student life, dean of students or designee, to a student or students to refrain from any contact, direct or indirect, with one or more designated persons through any means including, but not limited to: personal contact, telephone, electronic means (social media, email, text message, etc.), written, nonverbal or oral communication and/or intermediaries (third parties other than an attorney). This order is designed to help establish limits between all parties involved in any situation deemed by the College as necessitating such. After a predetermined period of time and at the request of either party, the Office of the Dean of Students may review the Order of No Contact to evaluate the potential termination of the order based upon the circumstances of the order and agreement of all parties.

3. Alcohol:
Siena College has established an alcohol policy in accordance with New York state law and based on the unique needs of the Siena College community. It is students’ responsibility to know and obey the law and campus policies. The legal age for alcohol possession, procurement and consumption in New York State is 21. Anyone who gives or sells an alcoholic beverage to a person under 21 is in violation of the law. Siena expects all members of the College community to comply with the law and College policies. New York State explicitly forbids the sale of alcoholic beverages unless the seller holds a state liquor license. The College’s liquor license is the responsibility of our food service vendor, which is solely responsible for the sale and distribution of alcohol at all College-sponsored events.

a. Alcohol Policy Violations Specifically for Individuals Under the Age of 21:
   i. Possession: Individuals under the age of 21 may not purchase, possess or consume alcohol in accordance with New York state law.
   ii. Presence: Students under the age of 21 may not be in a residential room, suite or townhouse where alcohol is visible and/or being consumed. The only exception
is the underage student who resides with students of legal drinking age who may be in the presence of alcohol in their assigned residence.

iii. Empty Containers: No empty alcohol containers are allowed for persons under the age of 21, including empty alcohol containers for decorative or keepsake purposes. Underage students with empties fitting this description will be sanctioned based upon the quantity and type of containers found. The minimum sanction is a student reprimand and the room will be subject to a re-inspection.

b. Alcohol Policy Violations Specifically for Individuals 21 Years of Age or Older:
   i. Alcohol in the Presence of Individuals Under 21: Students of legal drinking age may not have students under the age of 21 in their residential room, suite or townhouse where alcohol is being consumed, with the exception of underage roommate(s).

   ii. Quantity Limit: Students of legal drinking age may possess what College officials determine to be a reasonable quantity of alcohol for their personal consumption only. College officials may consider empty alcohol containers in determining whether this standard has been violated or if they suspect underage drinking and/or excessive alcohol consumption has occurred. Community Living and Public Safety staff may consider empty alcohol containers when documenting quantity-limit violations if they suspect underage drinking and/or excessive alcohol consumption has occurred.

   iii. Open Container: Students are prohibited from possessing open containers of alcoholic beverages in common areas of the College, including, but not limited to, hallways, lounges, bathrooms, campus grounds, athletic events, classrooms and townhouse stoops/front steps. v. “Beer pong” and “water pong” or other simulated devices are prohibited. All residents of the space who are present are responsible.

vi. Public Intoxication: Public intoxication is strictly prohibited. The College states that public drunkenness will not be tolerated since intoxicated students act in a manner that is inconsistent with the values of the College, pose a threat to themselves and others and make life unpleasant and difficult for those with whom they live. - unable to walk without assistance
- speaking incoherently
- unconscious
- vomiting
- emitting a strong odor of alcohol and/or has bloodshot/ glassy eyes

f. Health Risks Associated with the Use of Illegal Drugs and the Abuse of Alcohol:
Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses of alcohol may cause respiratory depression and death. If combined with depressants that affect the central nervous system, much lower doses of alcohol will produce the effects just described.
Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Sanctions may be imposed for violations of the Code of Conduct, guidelines as outlined in the Siena College Club and Organization Manual and/or college policy, including, but not limited to, hazing and discrimination and harassment policy violations.

1. **Group Expulsion:** The expulsion of a student organization, club or team denotes the revocation of College recognition and all privileges thereof. An organization that is expelled is excluded from all College programs and services including, but not limited to: student government, funding, advertising the organization and/or displaying the organization name; the inability to participate in recruitment activities; or for organization members to hold positions related to their membership in the suspended organization (e.g., SEB, Student Senate, etc.).

2. **Group Suspension:** The suspension of a student organization, club or team denotes the revocation of College recognition for a designated period of time and includes, but is not limited to, the loss of College recognition and all privileges thereof, including exclusion from all College programs and services, student government, funding, advertising the organization and/or displaying the organization name. Suspension also means that students are not allowed to participate in or sponsor any activities as an organization including recruitment activities. Organization members are not allowed to hold positions related to their membership in the suspended organization (e.g., Student Events Board, Student Senate, etc.). These conditions are in effect for the duration of the suspension. Any organization that violates its sanctions and/or conditions of suspension may be subject to the loss of College recognition.

3. **Temporary Group Suspension:** The vice president of student life, the dean of students or designee, associate dean of students, or other authorized College official as outlined by policy, guidelines, regulations, terms or conditions may impose an immediate temporary suspension of a student organization, club or team pending investigation and/or adjudication when the conduct of the group constitutes a possible threat to the safety, welfare and/or integrity of the College community.

Groups placed on temporary suspension may have all activities of the group cancelled for the duration of the temporary suspension. During this time, funding may be frozen, the group may lose College recognition and all privileges thereof, including exclusion from all College programs and services, student government, funding, and advertising the
organization and/or displaying the organization name. Exclusions also may include participating in or sponsoring any activities as an organization, including recruitment activities.

4. Group Disciplinary Action: College-recognized, sponsored or sanctioned student groups, clubs, teams, residence hall wings or floors, or townhouses or other groups of students operating as a collective body as determined by the College are subject to the disciplinary actions outlined in this Code and/or the club manual and may also be subject to the following or other penalties applied:
   a. Limitation of social and other organization privileges or programs
   b. Educational sanctions that include the removal or limitation of funding
   c. Probation
   d. Cancellation of housing license
   e. Suspension or expulsion if membership within the group is an element in the violations of the Code of Conduct, the penalty may also include a limitation on membership.

VI. Conduct Review Process

The Office of the Dean of Students is responsible for handling incidents of student and student group misconduct. The dean of students (DOS) is the chief student conduct officer for the College and, as such, oversees the student conduct review process. Any question of interpretation regarding the Code of Conduct and/or conduct review procedures shall be referred to the vice president for student life (VPSL), DOS or designee, or associate dean of students for final determination.

Those situations in which the College invokes its right to terminate a student’s registration and require the student to leave campus immediately upon review of the situation by the VPSL or designee are not subject to the conduct review process as outlined below and the decision of the VPSL is final and not subject to appeal.

A. Academic Matters:
   See the academic integrity policy online at https://www.siena.edu/AcademicIntegrity or refer to the Office of the Vice President for Academic Affairs for additional information.

B. Non-Academic Matters:
   1. Definitions:
      a. Complainant – person who filed the complaint/report and/or the administrative officer assigned to serve as complainant in those instances where the report was written by a College staff member in the performance of his/her duties.
      b. Respondent – a persons accused of a violation that has entered the College’s conduct process.
      c. Administrative hearing officer – an individual hearing officer (residence director, director of community living, associate director of community living, assistant director of community living, associate dean of students or DOS).

   2. Reports of Violations: Any individual may report a violation of the Code of Conduct. Individuals who wish to file a report concerning the behavior of a student, student group or student guest may do so by contacting the offices of Community Living, Public Safety or Dean of Students. Reports made to other offices should be referred to one of the outlined offices/individuals for investigation. All reports alleging misconduct by a
student or student group will be reviewed and investigated by the DOS or his/her designee.

3. Review of Complaints: If there is reasonable information that indicates that the Code of Conduct may have been violated, the DOS or designee provides notice of the complaint to the accused (respondent). The DOS (or his/her designee) assigns the case to a hearing officer (administrative hearing process) or Student Conduct Review Board (Student Conduct Review Board hearing process). Single incidents may involve reported violations of Code of Conduct and reported violations of the Sexual Misconduct Policy and/or Siena College Discrimination and Harassment Policy. In these cases, violation(s) will be resolved concurrently through the Student Conduct Review process and the Sexual Misconduct Policy and/or Siena College Discrimination and Harassment Policy. Violation(s) will be resolved through their stated process and procedures. Siena College does not permit legal counsel to participate in administrative, Student Conduct Review Board or their appellate hearings.

4. Authority — Chief Conduct Officer: The DOS, in accordance with College policies, controls the review and resolution of a reported Code of Conduct violation, including, but not limited to, the manner (mediation, administrative hearing or Student Conduct Review Board hearing) in which the matter will be addressed by the College. The DOS may amend or reject the finding(s), sanction(s) or dispute resolution agreements of hearing officers or the Student Conduct Review Board. If the DOS rejects the recommendations, the DOS may reassign the case to a different hearing officer or Student Conduct Review Board for resolution.

5. Resolution of Complaints
   a. Mediation/Dispute Resolution: The DOS or designee may deem it appropriate to offer the parties involved the opportunity to use mediation and/or a dispute resolution agreement. In the event mediation/dispute resolution is offered:
      i. Both parties must agree to attempt mediation or a dispute resolution agreement.
      ii. Either party may elect to end mediation or the dispute resolution process at any time.
      iii. Either party may request to have the case reviewed by the College, in which case the DOS will assign the case to a hearing officer or the Student Conduct Review Board.
      iv. The DOS or designee may suspend disciplinary action in lieu of mediation or dispute resolution.
      v. If mediation or a dispute resolution is successful, all parties must sign a written agreement outlining the resolution agreement to be approved by the DOS.
      vi. Copies of the written agreement will be given to all parties, DOS and any appropriate College officials.
      vii. The signed document will set forth the consequences for either party who fails to meet the terms to which all parties agreed.
   b. Administrative Hearing Overview: When the case is assigned to a hearing officer (residence director, director of community living, associate dean of students or DOS):
i. The hearing officer may further investigate the incident.

ii. The hearing officer will provide a written notice of the charge of violation(s) of the Code of Conduct to the respondent.

iii. The hearing officer may enlist a member of the Student Conduct Review Board or another administrative hearing officer to assist during an administrative hearing to evaluate the information presented and determine a finding.

iv. The respondent may accept responsibility and/or has an opportunity to present any additional evidence deemed pertinent by the hearing officer. Should a student accept responsibility, the respondent and/or hearing officer may refer the case to the Student Conduct Review Board for a recommendation on sanctioning at the discretion of the DOS, or the hearing officer may determine the sanction.

v. If a student denies responsibility, the hearing officer will render a finding regarding responsibility based on the evidence using a “preponderance of the evidence” standard, which reviews whether it is more likely than not that a violation has or has not occurred. If a student fails to accept or deny responsibility, a plea of deny responsibility will be recorded and the hearing officer will render a finding regarding responsibility based on the evidence using a “preponderance of the evidence” standard, which reviews whether it is more likely than not that a violation has or has not occurred.

vi. Should a student fail to appear for a scheduled meeting with a hearing officer, a finding may be made based upon the evidence available and sanction(s) imposed.

6. The Appeal Process

a. Respondents have five business days from the date of the notice of finding(s) and sanction(s) to submit a request for appeal. Unless noted otherwise in writing, sanctions are imposed and in effect, pending any appeal.

i. Cases originally adjudicated by the Office of Community Living will be appealed to the Dean of Students Office or designee.

ii. Cases adjudicated by the Dean of Students Office or a Student Conduct Review Board will be appealed to the Vice President for Student Life.

b. All appeals must be in writing, written by the student, and must specify the grounds for the appeal. The College does not accept appeals submitted by others (including parents and attorneys on behalf of a student); the student must file his/her own appeal.

c. Students may appeal the finding(s) of responsibility based upon new evidence that was unavailable or that a reasonably diligent person could not have discovered prior to or during the hearing or procedural error.

d. The sanction(s) may be appealed on grounds that the sanction(s) imposed are disproportionate given the respondent's prior disciplinary record or the severity of the offense(s).

e. The Dean of Students or designee or the Vice President for Student Life will notify the student in writing of his/her decision within ten (10) business days. The appeal decision is final.

C. Student Conduct Review Board:
1. The Student Conduct Review Board is composed of nine students, six faculty (one from each school) and three faculty elected at large from any school. Depending on the applicant pool, student membership is reserved for two seniors, two juniors, two sophomores and three students at large.

2. Student board members are appointed by the Student Senate president and must be confirmed by the Student Senate. Appointments are made in accordance with the findings of a search committee comprised of representatives from the Student Senate, returning Board members and the DOS (or designee). Faculty members are selected through a process determined by the faculty.

3. The Board shall select one member to serve as chair and two members to serve as associate chairs. The chair is preferably a board member of junior or senior status who serves as chair of the Board, supervisor of members and advocates, and as a resource for students about the student conduct process. Associate chairs are preferably returning board members who serve as a vice-chair of the Board, assist the chair in the performance of his/her duties, and convenes hearings when the chair is unavailable. The chair, at the discretion of the DOS or designee, may also serve on committees related to the review of the Code of Conduct and conduct review procedures.

4. Advocate – Any member of the immediate Siena community (currently enrolled students, faculty, staff or administrators) may serve as a student advocate during the Student Conduct Review Board process. In the case where a member of the Siena community is serving as a student’s outside legal counsel, they may not serve as an advocate in the College’s conduct review process and will be excluded from a hearing. Advocates provide the respondent or complainant with information about his/her rights and the hearing process, assist the respondent or complainant in preparing for his/her hearing, and may speak on the respondent’s/complainant’s behalf during a hearing. Annually, there is a selection process for those students wishing to serve as student advocates. Advocates selected through this process are required to attend training and are appointed by the student senate president and confirmed by the Student Senate. Appointments are made in accordance with the findings of a search committee comprised of representatives from the Student Senate, returning board members and the DOS or designee. A list of these trained appointed advocates is provided to respondents/complainants and she/he may select one from the list, choose another member of the Siena community or appear without an advocate. Obtaining an advocate is the responsibility of the respondent, and when applicable, the complainant. Failure to obtain an advocate is not cause for postponement of a scheduled hearing.

5. Student board members must:
   a. be matriculated and full-time students
   b. be in good academic standing
   c. be available to meet the time requirements of the Board
   d. not be under any type of probation, deferred sanction or suspension
   e. not be a resident assistant or townhouse assistant or a member of the residence hall association
D. Senate or Student Events Board:
1. Sign a letter of commitment and be deemed capable of upholding the items outlined in this letter.
2. Student board members must be in good disciplinary standing. Members may be granted a leave of absence for academic purposes, such as study-abroad programs. If a member is unable to complete his/her term, a new member will be selected using the process outlined above.
3. Hearing panels will be formed from the pool of nine students and six faculty members. A minimum of three members (and no more than five) is required to attend a hearing. The panel should always include at least one faculty member and students must comprise a majority of the hearing panel.

VII. Student Conduct Review Board Process
A. Overview:
1. Notice of the hearing date: The Dean of Students (DOS) or designee will provide the respondent and complainant with written notice of the hearing date, time and location. The respondent and complainant may also obtain a list of trained advocates from the DOS. The hearing will proceed even if the respondent and/or complainant fail to appear, and a decision will be rendered based on the evidence presented. Hearings before the Board will normally occur within 7-10 days after the notice of charges. The DOS may make exceptions to this time frame. Should students fail to appear for a scheduled hearing, a finding may be made based upon the information available and sanction(s) imposed.
2. Witnesses: Hearings are to occur in a manner that is as efficient as possible. Live witness testimony is preferred; however, written statements are acceptable, provided they have been notarized by a notary public. The chairperson may exclude irrelevant testimony and/or witnesses for reasons of conduct. Witnesses relevant to the actual incident are permitted; witnesses in support of character are not. Written character statements may be accepted, but may only be reviewed during the sanctioning portion of deliberation at the panel’s discretion.
3. Personal Bias: Hearing panel members are expected to excuse themselves from a hearing if personal bias or conflict of interest would prevent them from rendering an objective decision. Any party may challenge a member on the grounds of personal bias at the beginning of the hearing. It will be the decision by majority vote of the panel to determine if the challenged member should excuse him/herself from the hearing.
4. Rules of Evidence: Hearings are intended to be informal in nature. Accordingly, formal rules of evidence do not apply. The chairperson is empowered to admit into evidence whatever is deemed as reasonably relevant and material to the issues of the case as well as deny overly redundant evidence.
5. Standard of Evidence: The hearing panel will render a finding regarding responsibility based on the evidence using a standard of “more likely than not.”
6. Chairperson: The chairperson for each hearing has the responsibility for ensuring the orderly conduct of the hearing. The chairperson has the right to terminate questions, and/or dismiss any disruptive parties/persons from the hearing.
7. Representation:
   a. Hearings are closed.
b. Respondents and complainants have the right to have an advocate from the Siena community represent them during the hearing.

c. The respondent may obtain a list of trained student advocates from the DOS or select another member of the Siena community to serve as an advocate. At no time is legal counsel permitted to participate in the conduct review process. In a case where a member of the Siena community is serving as a student’s outside legal counsel, they may not serve as an advocate in the College’s conduct review process and will be excluded from a hearing. Parents may support their son/daughter but may not serve as an advocate or be present at the hearing.

d. Complainants filing a complaint against a student may be represented by an advocate. Obtaining an advocate is the responsibility of the respondent and, when appropriate, the complainant. Failure to obtain an advocate is not cause for postponement of a scheduled hearing. In those cases where the College has brought charges against a student for a Code of Conduct violation, a designated administrator will present the case on behalf of the College.

e. Legal counsel is not permitted in hearings.

B. Student Conduct Review Board Hearing Procedure:

1. The chair of the hearing panel convenes the hearing and notes the date and time. The chair introduces him/herself and asks the same of the board members, student advocate(s), complainant(s) and respondent(s).

2. The chair reads the opening statement.

3. Witnesses are sworn in by signing a statement of oath.

4. The chair asks the respondent(s) to respond to the following procedural question: “Do you have any questions regarding the procedure to be used during this hearing?” Any questions are answered at that time. Further questions may be asked at any time after being recognized by the chair.

5. The chair states the alleged violations in an abbreviated form. The respondent is asked to either accept responsibility, deny responsibility, or accept responsibility with an explanation for the violation.

6. An opening statement from the complainant is entertained.

7. An opening statement from the respondent is entertained.

8. Complainant case presentation
   a. Introduction of evidence
   b. Questioning of witnesses called by the complainant:
      i. Complainant
      ii. Respondent
      iii. Hearing panel members (Note: Hearing panel members may ask questions at any time throughout the hearing after being recognized by the chair)
      iv. Each witness shall be retained until there are no further questions.

9. Respondent case presentation
   a. Introduction of evidence
   b. Questioning of witnesses called by respondent:
      i. Respondent
      ii. Complainant
      iii. Hearing panel members (Note: Hearing panel members may ask questions at any time throughout the hearing after being recognized by the chair)
      iv. Again, each witness is retained until there are no further questions.
10. The chair will ask hearing panel members if they have any further questions for the respondent or complainant.
   a. A closing statement from the respondent is entertained.
   b. A closing statement from the complainant is entertained.

11. The hearing panel will then adjourn for deliberation. The complainant(s), respondent(s) and advocate(s) are excused.

12. The hearing panel then deliberates. Deliberations are held in private, with only the hearing panel members present. Generally, a finding of responsibility is to be made before the prior disciplinary record of the respondent is reviewed, unless the record is necessary to establish the offense. However, there may be exceptions, including, but not limited to, student self-disclosure of record, release of record establishes motive and in alleged violations of sanction or restrictions. Final decisions of all hearings are determined by a majority vote of the hearing panel. The chair must write a detailed rationale for the recommended finding as well as detailed sanction information on a finding form. The finding and sanction are then forwarded to the DOS who may accept, amend or reject the recommendation.*

13. The DOS or designee will normally inform the respondent(s) of the outcome in writing within three business days of the conclusion of the hearing. This time frame may be adjusted by the College for unusual circumstances (such as, but not limited to: breaks, illness, weather, etc.).

14. Additional notes:
   a. The hearing panel, at its discretion, reserves the right to reconvene for purposes of hearing from witnesses and/or reviewing additional information. When this occurs, the time frame may be adjusted.
   b. A hearing for purposes of sanction recommendations may be convened using an abbreviated form of the above procedure.

* In cases in which the DOS amends or rejects a recommended finding and/or sanction as presented by the Student Conduct Review Board, the DOS will include in the student folder a rationale for that decision not to accept as recommended.
Discrimination and Harassment Policy

I. Statement of Basis and Purpose
Siena College is committed to promoting a learning and working environment where discrimination and harassment is not tolerated. This policy shall apply regardless of race, color, religion, creed, ethnicity, national origin, gender, age, sexual orientation, gender identity or expression, familial status, veteran status, disability, predisposing genetic characteristics, domestic violence victim status, or other basis identified in federal or state law. Acts of discrimination and harassment, which are offenses directed against persons because of their identification with one of these categories, are prohibited under this policy. This policy prohibits discrimination and harassment in all College programs and activities. Conduct prohibited by this policy also may violate laws enforced through the public criminal justice system. Individuals may decide to utilize both this policy and the public criminal justice system, simultaneously, to address covered conduct. Siena College proceedings that involve alleged violations of this policy will be conducted through a process that is prompt, equitable, fair, impartial, and provides adequate notice and a meaningful opportunity to be heard.

This policy applies to conduct involving students, employees, or third parties (e.g., contractors, alumni, visitors) that: (a) occurs on College property, (b) takes place in any College-sponsored program or activity such as travel, research or internship programs or (c) when such conduct may have a continuing adverse effect or could create a hostile environment on campus. This policy also applies to student conduct that occurs off College property.

Our commitment is rooted in the Franciscan and Catholic tradition, which affirms the unique worth of each person and shares a commitment to building a world that is more just, peaceable, and humane. The dignity of the individual should never be violated in any way, and the college community views, with seriousness, violations of this policy against any person.

Accordingly, Siena College is committed to:

- Defining conduct that constitutes discrimination and harassment
- Providing clear reporting options for all members of our campus and visitors following disclosing a violation of this policy
- Promptly responding to and investigating allegations of discrimination and harassment, including taking steps to eliminate a hostile environment if one has been created and prevent the recurrence of future incidents of discrimination and harassment. III. Terminology
Definition of Protected Class Groups: Protected class groups are groups of individuals protected from discrimination and harassment. The following protected class groups are legally protected either by Federal or New York State law.

<table>
<thead>
<tr>
<th>Federal Protected Categories:</th>
<th>New York State Protected Categories:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Age</td>
<td>Age</td>
</tr>
<tr>
<td>Disability</td>
<td>Race</td>
</tr>
</tbody>
</table>
Siena College includes all of these protected categories and also includes gender identity as a category it protects for staff, faculty, students and administrators.

IV. Legal and Behavioral Definitions of Discrimination and Harassment

A. **Discrimination:** Discrimination is adverse treatment of any staff, faculty, student, and administrator based on the protected class or category of persons to whom he/she belongs, rather than on the basis of his/her individual merit, with respect to the terms, conditions, or privileges of employment or academic standing.

Federal and State Law: Under Federal and New York State laws, it is illegal to discriminate against individuals, including:

- Recruitment and selection
- Compensation, assignment, or classification of individuals
- Transfer, promotion, layoff, or recall
- Job advertisements
- Testing
- Use of campus facilities
- Training and apprenticeship programs
- Fringe benefits
- Pay, retirement plans, and disability leave or
- Other terms and conditions of employment or academic standing
- Retaliation against an individual for filing a charge of discrimination, participating in an investigation, or opposing discriminatory practices
- Employment/academic decisions based on stereotypes or assumptions about the abilities, traits, or performance of individuals of a certain sex, race, age, sexual orientation, religion, or ethnic group, or individuals with disabilities, and denying employment or academic opportunities to a person because of marriage to, or association with, an individual of a particular race, religion, national origin, an individual with a disability, or other protected category.
B. Harassment: Harassment is unwelcome verbal or physical conduct prohibited by law directed toward, or differential treatment of, an employee or student because of his/her membership in any Federal or New York State protected group or on any other prohibited basis.

Harassment becomes unlawful when:
1. Enduring the offensive conduct becomes a condition of continued employment/academic standing, or
2. The conduct is severe or pervasive enough to create a work/learning environment that a reasonable person would consider intimidating, hostile or abusive.

Examples of harassment based on protected categories include, but are not limited to:
- Racial slurs or epithets
- Treating an individual differently because of the individual’s race, sexual orientation, national origin, sex, religion, or other protected categories
- Unwelcome sexual advances
- Sexual innuendoes, comments, and sexual remarks
- Racial and sexual graffiti
- Telling jokes pertaining to protected categories
- Suggestive, obscene, or insulting sounds
- Posters, email, cartoons, pictures displayed in the work area that creates an offensive and intimidating environment
- Implied or expressed threat of reprisal for refusal to comply with a sexual request
- Patting, pinching, brushing up against another’s body
- Engaging in threatening, intimidating or hostile acts towards an individual because that individual belongs to or is associated with any protected categories
- Electronic transmission of derogatory, demeaning, or hostile materials

C. Work/Learning Environments: A hostile work/learning environment results from harassing conduct that has the purpose or effect of unreasonably interfering with an employee’s work or student’s learning, and creates an intimidating, hostile, or offensive working environment.

A hostile work/learning environment may exist when verbal and/or nonverbal behavior in the campus/workplace:
- Occurs because of an individual being a member of a protected class (e.g., sex, race, sexual orientation, age).
- Is unwanted or unwelcome.
- Is severe or pervasive enough to unreasonably impact the employee’s work or student’s learning.

D. Third Party Harassment: The individual to whom the harassing conduct is aimed is not the only person who can complain about the harassment. Third parties may complain when the harassment directed at others adversely affects the other person’s work/learning environment. Third parties may also complain when offensive conduct, even if it is consensual between the parties involved, is creating a hostile work/learning environment for the third party.
V. Definitions

A. Definition of Employee Consensual Relationships
Siena College does not intrude upon private choices regarding personal relationships when these relationships do not violate the policies of the College, cause harm to the safety and wellbeing of members of campus community, or increase the risk of harm to the safety and wellbeing of members of campus community.

Should an employee be found in violation of the consensual relationship policy and charges of sexual harassment are made, it shall not be a defense to allege that the relationship was consensual in any proceeding brought under these procedures.

1. With other employees:
   Consensual romantic or sexual relationships in which one employee retains a direct supervisory or evaluative role over another employee are unethical, create a risk for real or perceived coercion, and are expressly a violation of this policy. Therefore, persons with direct supervisory and/or evaluative responsibilities who are involved in such relationships must bring those relationships to the attention of their supervisor, and will likely result in the necessity to remove the employee from the supervisory and/or evaluative responsibilities.

2. With students:
   Unique relationships exist between students and certain employees of the College, such as faculty members, administrators and staff who serve in such roles as educator, counselor, evaluator, advisor, or who exercise other types of control over students. Given the possibility that abuse of this relationship or the appearance of abuse may occur, the College views it as unacceptable if faculty members or other instructional personnel, administrators, or staff members engage in amorous relationships with students enrolled in their classes or subject to their supervision, control, or authority, even when both parties appear to have consented to the relationship.

B. Definition of Complainant
“Complainant” shall mean a student or employee who has reported discrimination or harassment. In some instances, the College may serve as the Complainant (see “complaints filed by the College” in Section X – Investigation by Siena College of this policy).

C. Definitions of Accused and Respondent
1. “Accused” shall mean a person accused of a violation under this policy who has not yet entered the College’s conduct process. A person accused under this policy who is not a student or employee of Siena or whose identity is unknown shall also be referred to as accused.

2. A “Respondent” shall mean a person accused of a violation who has entered the College’s conduct process.

D. Definition of Reporting Individual
“Reporting Individual” shall encompass the terms Complainant, witness, and any other term used to reference an individual who brings forth a report of a violation.

E. Definition of Witness
A “witness” is defined as an individual who has knowledge of facts that may be relevant to the resolution of an allegation.
F. Definition of Bystander
A “bystander” shall mean a person who observes a crime, impending crime, conflict, potentially violent or violent behavior, or conduct that is in violation of rules or policies of the College.

G. Definition of Review Panel
The review panel consists of faculty, staff and administrators selected from the Siena College community. The review panel makes a determination of responsible or not responsible and makes sanctioning recommendations in formal meeting. These panel members have been trained in the College’s Discrimination and Harassment Policy and procedures, case review, and adjudication. To serve on a review panel the member must have had no conflict with the presented case.

VI. Immediate Assistance in Cases of Discrimination and Harassment
Students, faculty, staff, administrators, and visitors at Siena College who experience any form of discrimination or harassment on or off-campus (including Siena-sponsored trips and events) are strongly encouraged to immediately report the incident by contacting Siena College’s Department of Public Safety (518-783-2376 or 518-783-2999), which is available 24 hours a day, 7 days a week. Campus public safety officers can also assist the Complainant with filing a complaint both on and off campus, and in obtaining counseling and other services.

VII. Choice of Actions in Response to Discrimination and Harassment
Options in General: Complainants have many options that can be pursued simultaneously, including one of the following:

A. Confidentially disclose a violation to the Center for Counseling and Student Development, Health Services, the Office of the College Chaplain and Siena College Friars. Confidential resources can share options and advice without any obligation to tell anyone, and will not share information without the consent of the Complainant.

B. Anonymously disclose a crime or violation to the Public Safety anonymous tip line: www.siena.edu/anonymous. The College may have a duty to investigate anonymous disclosures to the extent possible, based on the information disclosed.

C. Submit a Bias Related Incident Report online. (Private, Not Confidential): www.siena.edu/biasreport

D. Make a report to a College Official/Responsible Employee: Complainants have the right of privacy when reporting to College Officials/Responsible Employees, to the extent possible under the circumstances. However information must be shared with other administrators who have a need to know. (Private, Not Confidential)
   • Public Safety (Private, Not Confidential)
   • Title IX Coordinator/EOS (Private, Not Confidential)
   • Deputy Title IX Coordinators (Private, Not Confidential)

VIII. Reporting
A. Confidentiality and Confidential Resources:
At Siena College, the following is the list of Confidential Resources:

Counseling Center:  518-783-2342
Health Services:  518-783-2554
Office of the College Chaplain and Siena College Friars:  518-783-2332

These are the only Siena College employees who can offer legally protected confidentiality. These individuals are not required to report any information about an incident to the Title IX Coordinator/EOS without a Complainant’s permission. While professional counselors will maintain an individual’s confidentiality vis-à-vis the College, they may have reporting or other obligations under New York State law, e.g., mandatory reporting to law enforcement in case of minors, imminent harm to self or others.

An individual who speaks to a professional and/or pastoral counselor in these specific roles must understand that, if the individual wants to maintain confidentiality, the College will be unable to conduct an investigation into particular incidents or pursue disciplinary action against the alleged Respondent.

Confidential resources may assist individuals in receiving other necessary protection and support, such as advocacy, academic support or accommodations, disability, health and mental health services, changes in residence halls, working and course schedules in coordination with the Title IX Coordinator/EOS.

Individuals who initially request confidentiality may later decide to file a complaint with the College and thus have the incident investigated. These counselors will provide the individual with assistance in contacting the Title IX Coordinator/EOS if the individual wishes to do so.

B. Privacy/Non-Confidential:
Privacy may be offered by an individual when such individual is unable to offer confidentiality under the law but shall still not disclose information learned from a reporting individual or bystander to a crime or incident more than necessary to comply with this and other applicable laws, including informing appropriate college officials.

Even college offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary for the Title IX Coordinator/EOS to investigate and/or seek a resolution.

C. Duty To Report By Responsible Employees:
“Responsible Employees” have a duty to report incidents of discrimination and harassment, including all relevant details, to the Title IX Coordinator/EOS. A “responsible” employee is a Siena College employee who has the authority to redress discrimination and harassment or sexual misconduct, who has the duty to report incidents of discrimination and harassment or sexual misconduct, or who a student could reasonably believe has the authority or duty. Such employees are not permitted under any circumstances to maintain a Complainant’s confidentiality.

Siena has designated all Faculty, Staff, and Administrators, with the exception of those serving in their role as a confidential resource, as responsible employees.

Immediately upon learning of potential campus discrimination or harassment, any employee with a duty to report violations of this policy who receives a complaint of discrimination or
harassment or who observes or learns of conduct that is reasonably believed to be in violation of this policy, is required to report the alleged conduct to the Title IX Coordinator/EOS and/or Public Safety who will take appropriate action to address the report.

A responsible employee must report to the Title IX Coordinator/EOS and/or Public Safety all relevant details about the alleged discrimination or harassment shared by the Complainant and that the College will need to determine what happened, including the names of the Complainant and alleged Respondent, any witnesses and any additional relevant information, including the date, time, and specific location of the alleged incident.

D. **Anonymous Reporting:**
If a Complainant self-identifies but asks to remain anonymous during the investigation, the Title IX Coordinator/EOS will consider how to proceed, taking into account the Complainant’s wishes, the College’s commitment to provide a safe environment, and the Respondent’s right to have specific notice of the allegations if the College were to take action that affects the Respondent.

E. **Welfare of the Community (Amnesty) Policy:**
The health and safety of every student at Siena College is of utmost importance. Siena College recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to discrimination, harassment, domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. Siena College strongly encourages students to report discrimination, harassment, domestic violence, dating violence, stalking, or sexual assault to College officials. A bystander acting in good faith or a reporting individual acting in good faith who discloses any incident of discrimination, harassment, domestic violence, dating violence, stalking or sexual assault to College officials or law enforcement will not be subject to Siena’s code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the discrimination, harassment, domestic violence, dating violence, stalking, or sexual assault.

This policy may also be applied, but not limited to: alcohol or drug related incidents, or situations of vandalism and damage. The policy only applies to the College’s Student Code of Conduct and has no status in other jurisdictions such as local or state courts.

F. **Exception to Obligation to Investigate:**
If an individual discloses information through a public awareness event such as candlelight vigils, protests, or other public event, the College is not obligated to begin an investigation based on such information. The College may use the information provided at such an event to inform efforts for additional education and prevention efforts.

G. **Interim Measures:**
Upon receipt of a report, the Title IX Coordinator/EOS may provide reasonable and appropriate interim measures designed to preserve the Complainant’s educational experience, the safety of all parties and the broader campus community, maintain the integrity of the investigative and/or resolution process, and deter retaliation. The Title IX Coordinator/EOS may provide interim measures regardless of whether the Complainant seeks formal disciplinary action. The Title IX Coordinator/EOS will work collaboratively with the Dean
of Students, Assistant Vice President for Human Resources, and Associate Vice President for Academic Affairs in providing interim measures.

Interim measures may include, but are not limited to:

- Access to counseling services and assistance in arranging an initial appointment.
- Rescheduling of exams and assignments
- Change in class schedule
- Change in work schedule or job assignment
- Change in housing
- Imposition of an on-campus “no contact order,” an administrative remedy designed to curtail contact and communications between two or more individuals
- Providing the Complainant assistance with filing a criminal complaint and seeking an order of protection
- Other remedies that can be used to achieve the goals of this policy, i.e. interim suspension or campus restriction pending the outcome of the investigation/process

IX. Filing a Complaint

A. Investigation By Siena College:
   1. All reports and complaints of discrimination and harassment should be filed with the Title IX Coordinator/EOS, Public Safety or Deputy Coordinator as soon as possible after the incident(s) occurred or in a timely manner. While Complainants are welcome to file a report or complaint at any time, Complainants are encouraged to come forward as soon as possible because a delay in reporting or making a complaint may impact the effectiveness of the investigation. Delays in reporting may impair the College’s ability to investigate due to, but not limited to, fading memories and the availability of witnesses and evidence.
   2. Complainants and Respondents may use an advisor of their choice (including legal counsel) at each point in these proceedings. The advisor may serve only in an advisory role and may not directly represent either party.
   3. Upon receiving information of an alleged violation of this policy, either the Title IX Coordinator/EOS, Public Safety Investigators, a Deputy Coordinator, or a combination of these individuals will conduct an investigation (interview parties, take or receive statements).
   4. If the reporting witness or Complainant chooses to pursue action under this policy, s/he shall make a written statement (which can be either written by the Complainant or dictated and ascribed to) regarding the discrimination and harassment complaint.
   5. A reporting witness or Complainant may choose to withdraw a complaint and/or involvement from the College process at any time.

B. Complaints Filed By The College:
The Title IX Coordinator/EOS or Deputy Coordinator may file a complaint through these procedures against any individual s/he has a reason to believe has engaged in conduct in violation of this policy where doing so is deemed appropriate. By way of example but not limitation, where it appears that the individual may have engaged in a pattern of conduct in
violation of this policy, based upon the number of complaints filed against the individual previously, and resolved through informal intervention.

Additionally, often individuals are reluctant to pursue the remedies provided in this policy even when the individual perceives they have been subjected to conduct prohibited by this policy. Should the Title IX Coordinator/EOS or Deputy Coordinator become aware of conduct potentially in violation of this policy, even if the person potentially subject to such conduct has not reported it or is unwilling to pursue a complaint, the College may conduct an investigation, as appropriate, and take any necessary action. In such cases the Title IX Coordinator/EOS will convene an ad hoc advisory group of three (3) Deputy Coordinators to review the investigative report. If, after review, the ad hoc advisory group unanimously determines that there is not enough evidence to support a complaint, one will not be filed by the College and the investigation will close. Otherwise, a complaint will be filed by the College.

When the reporting party is not a student or employee, the College will serve as the Complainant throughout the Resolution process.

C. Reporting Retaliation:
Individuals may file a complaint with the Title IX Coordinator/EOS if they have been retaliated against for reporting discrimination, harassment, assisting someone in making such a report, or participating in any manner in an investigation or resolution of a discrimination or harassment complaint. All retaliation complaints will be investigated in accordance with the investigation procedures set forth in this policy and individuals who have been found to have engaged in retaliation will be subject to disciplinary action through the student code of conduct or employee disciplinary procedures.

X. Resolution

A. Informal Resolution:
Individuals may seek an informal resolution to end nonviolent conduct that the person believes violated this policy. These interventions include negotiation, shuttle diplomacy, mediation, and restorative justice. Negotiation, shuttle diplomacy, and mediation will not be used in cases that involve any form of violence.

If the Respondent confirms the allegations and acknowledges responsibility for his/her actions, the Title IX Coordinator/EOS and/or Deputy Coordinator, in consultation with the Complainant and other designated College officials, will determine the most appropriate course of action.

If the Complainant is not in agreement with the outcome of the informal intervention process or chooses to end it and proceed to the formal process, if the issue cannot be resolved informally, or if the Title IX Coordinator/EOS or Deputy Coordinator determines that additional inquiry is still appropriate, the Title IX Coordinator/EOS and/or Deputy Coordinator will commence the complaint process. Either party may end the informal resolution process at any time and proceed with the formal process.

B. Formal Resolution:
Siena College generally completes investigations within thirty (30) business days, absent extenuating circumstances. In certain circumstances the time frames may need to be extended
(e.g., during July and August; students and faculty members are often not available, significant number of witnesses to interview, multiple allegations in a single complaint). However, every effort will be made to resolve cases as expeditiously as possible. The preponderance of evidence or “more likely than not” standard of review will be used during the investigatory process.

The Respondent shall be provided with a notice of complaint describing the date, time, location, and factual allegations, a reference to the specific policy violations alleged together with possible sanctions. Once presented with the notice of complaint, the Respondent has four (4) business days to formally accept or deny responsibility for the alleged behavior in writing. Failure to respond by the deadline will be treated as denial of responsibility and the formal process will proceed as outlined.

The Complainant and Respondent shall be advised periodically of the status of the investigation.

C. Investigation Report:
The Title IX Coordinator/EOS and/or Deputy Coordinator will prepare a written report following the completion of the investigation. Except in certain circumstances, the report should be completed within five (5) business days after the completion of the investigation. The report, at a minimum, must include a:

1. Summary of the complaint.

2. Summary of the response by the individual against whom the complaint was made.

3. Summary of the statements and evidence obtained during the investigation.

4. Summary of prior settlements or substantiated complaints against the Respondent.

D. Notice of Outcome of Investigation:
1. The Title IX Coordinator/EOS and/or the Deputy Coordinator will present a written notice of the outcome of the investigation to the Complainant and Respondent. This document shall consist of a summary of allegations, a summary of the evidence in support of the complaint, and specific areas of this policy that the Respondent is alleged to have violated.

2. Following a notice of outcome of the investigation, the Complainant and their advisor and the Respondent and their advisor may review a redacted copy of the investigation report. Following this review the Complainant and/or Respondent may provide an additional written response to be included in the materials for informal or formal resolution. Both the Complainant and Respondent may also submit a written impact statement to the Title IX Coordinator/EOS to be reviewed prior to deliberation of sanctions, if any. The Complainant and Respondent have ten (10) business days upon notification of the investigative report’s completion to review and submit a written response and impact statement.

E. Acceptance of Responsibility (Student):
1. If the Respondent accepts responsibility, the Title IX Coordinator/EOS or Deputy Coordinator shall convene a review panel of three (3) to review the case and make recommendations for sanction to the Associate Vice President for Student Life or
designee. Generally, reviews should convene within fourteen (14) calendar days of when the Respondent accepted responsibility and the investigation is complete except for good cause, or by agreement of the parties. Written notice of the date, time, and location of the review will be provided to the Complainant and Respondent. Within three (3) business days of the completion of the case by a Review Panel, the recommended sanction(s), if any, shall be forwarded to the Associate Vice President for Student Life (AVPSL) or designee who may accept, amend or reject the sanctions. Any sanction takes into account the Respondent’s prior record and any prior complaints, as well as the severity of the incident and the outcome sought by the Complainant.

The Associate Vice President for Student Life (AVPSL) or designee will provide written notice of the outcome and sanction(s) to the Complainant, Respondent and Title IX Coordinator/EOS within seven (7) business days. The AVPSL or designee will make every effort to schedule notice simultaneously to these parties. All sanction(s), except for suspension, dismissal, or expulsion from the College will take effect immediately pending appeal. The sanction(s) shall become final five (5) business days after written notice of said findings are provided to the parties unless formal written appeal is submitted to the Title IX Coordinator/EOS. Failure to submit the appeal within five (5) business days waives the right of written appeal.

2. Student Appeal
If the Complainant or Respondent disagrees with the sanction, he/she may make a formal written appeal to the Title IX Coordinator/EOS. The Complainant and Respondent may submit an additional statement regarding the case within three (3) business days upon notification that either party has submitted an appeal.
The Title IX Coordinator/EOS will convene a new three (3) person panel to review the sanction imposed and make a sanction recommendation to the Vice President for Student Life or designee. The Vice President for Student Life or designee has seven (7) business days to confirm, amend, or reject a recommendation(s). In cases where the Vice President amends or rejects the recommendation(s), the Vice President or designee will include in the file a rationale for the decision not to accept the recommendation(s). The Vice President for Student Life or designee will provide written notice of the outcome of the appeal to the Complainant, Respondent, and Title IX Coordinator/EOS. The Vice President for Student Life or designee will make every effort to schedule notice simultaneously to these parties. The decision of the Vice President for Student Life or designee is final.

F. Acceptance of Responsibility (Faculty, Staff or Administrator):
1. If the Respondent accepts responsibility, the Title IX Coordinator/EOS shall convene a review panel of three (3) to review the case and make recommendations for sanction to the Vice President or designee of the Respondent’s work assignment within three (3) business days of review completion. Generally, reviews should convene within fourteen (14) calendar days of when the Respondent accepted responsibility and the investigation is complete except for good cause, or by agreement of the parties. Written notice of the date, time, and location of the review will be provided to the Complainant and Respondent. Any sanction takes into account the Respondent’s prior record and any prior complaints, as well as the severity of the incident and the outcome sought by the Complainant.
In cases where the Vice President or designee of the Respondent’s work assignment amends or rejects a recommendation, the Vice President or designee of the Respondent’s work assignment will include in the file a rationale for the decision not to accept the recommendation.

The Vice President or designee of the Respondent’s work assignment will send written notice to the Complainant, Respondent, Human Resources, and Title IX Coordinator/EOS of his/her decision regarding sanction(s) within seven (7) business days of receipt of the recommended sanctions. The Vice President or designee of the Respondent’s work assignment will make every effort to schedule notice simultaneously to these parties.

The sanction(s) shall become final five (5) business days after written notice of said findings was provided to the parties unless formal written appeal is submitted to the Title IX Coordinator/EOS. Failure to submit the appeal within five (5) business days waives the right of written appeal.

2. Staff and Administrator Appeal
   If the Complainant or Respondent disagrees with the sanction, he/she may make a formal written appeal to the Title IX Coordinator/EOS. The Complainant and Respondent may submit an additional statement regarding the case within three (3) business days upon notification that either party has submitted an appeal.
   The Title IX Coordinator/EOS will convene a new three (3) person panel to review the sanction imposed and make a sanction recommendation to a different Vice President as designated by the Title IX Coordinator/EOS within three (3) business days. The Vice President has seven (7) business days to confirm, amend or reject a recommendation(s).
   The Vice President’s sanction decision is final. The Vice President will provide written notice of the outcome of the appeal to the Complainant, Respondent, and Title IX Coordinator/EOS. The Vice President will make every effort to schedule notice simultaneously to these parties.

   In cases where the Vice President amends or rejects a recommendation, the Vice President will include in the file a rationale for the decision not to accept the recommendation.

3. Faculty Appeal
   Where a complaint is made against a faculty person and that faculty person is seeking the appeal, appellate review shall be provided through the Faculty Grievance Committee pursuant to the procedures in the Faculty Handbook. The Title IX Coordinator/EOS will provide written notice of the request for an appeal to the Complainant.

G. Denial of Responsibility:
   If the Respondent denies responsibility, a formal review panel will be convened.

   Formal Review:
   Once a Respondent denies responsibility and the investigation is complete, the Title IX Coordinator/EOS will convene a three (3) person Review Panel. The purpose of the review is for the Review Panel to determine whether it is more likely than not that the facts established constitute a violation of this policy. The Panel will examine all testimony and documentary
evidence it deems relevant, including the investigation report, where appropriate. Privacy and confidentiality shall be protected to the extent practicable, given the College’s need to administer the process.

- Generally, reviews should convene within fourteen (14) calendar days of when the Respondent denied responsibility and the investigation is complete except for good cause, or by agreement of the parties. Written notice of the date, time, and location of the review will be provided to the Complainant and Respondent.
- The Review Panel will render a finding regarding responsibility based on the evidence using a “preponderance of the evidence” standard, which reviews whether it is more likely than not that a violation of this Policy has or has not occurred. The panel will normally render a finding based upon unanimity. In those instances where unanimity is unavailable, a majority vote may be used to render the decision.

H. Hearing Outcome Notifications:
1. Within three (3) business days of the completion of the case by a Review Panel, the recommended finding(s) and sanction(s), if any, shall be forwarded to the Associate Vice President for Student Life (AVPSL) or designee who may accept, amend, or reject the findings and/or sanctions. The AVPSL or designee will provide written notice of the outcome and sanction(s), if any, to the Complainant, Respondent, and Title IX Coordinator/EOS within seven (7) business days. The AVPSL or designee will make every effort to schedule notice simultaneously to these parties.

2. Student Appeal
   All sanction(s), except for suspension, dismissal, or expulsion from the College will take effect immediately pending appeal and shall become final five (5) business days after written notice of said decision is sent to the Respondent unless a formal written appeal is submitted. Failure to submit the appeal within five (5) business days waives the right of written appeal.

   Complainant(s) or Respondent(s) may submit an appeal based on the findings. Appeals of the finding(s) of responsibility must be based on procedural error or new information that was not available at the time of the Formal Review, and could not have been produced by a reasonable effort. Complainant(s) and Respondent(s) may also appeal sanction(s) based on grounds that the sanction(s) imposed are disproportionate to the violation of policy that was found to have occurred. The Complainant(s) or Respondent(s) may make a formal appeal in writing to the Title IX Coordinator/EOS. The Complainant(s) and Respondent(s) may submit an additional statement within three (3) business days upon notification that either party has submitted an appeal.

   The Title IX Coordinator/EOS will convene a new Review Panel of three (3) to review the case and make a recommendation to the Vice President for Student Life or designee whose decision is final.

   The Title IX Coordinator/EOS will provide written notice to the Vice President for Student Life or designee of the findings of the Appellate Review Panel within three (3) business days of receipt of the findings.
The Vice President for Student Life or designee will provide written notice of the outcome of the appeal to the Complainant(s), Respondent(s), and Title IX Coordinator/EOS within seven (7) business days. The Vice President for Student Life or designee will make every effort to schedule notice simultaneously to these parties.

In cases where the Vice President for Student Life or designee amends or rejects a recommendation, they will include in the file a rationale for the decision not to accept the recommendation.

I. Hearing Outcome Notification: – Faculty, Staff or Administrator

1. Within three (3) business days of the completion of the review of the case by a Review Panel, the recommended finding(s) and sanction(s), if any, shall be forwarded to the Vice President or designee of the Respondent’s work assignment who may accept, amend, or reject the findings and/or sanctions. The Vice President or designee will provide written notice to the Complainant, Respondent, Human Resources, and Title IX Coordinator/EOS of his/her decision regarding findings and sanction(s) within seven (7) business days of receipt of the recommended findings and sanctions. The Vice President or designee will make every effort to schedule notice concurrently to these parties.

In cases where the AVPSL or a Vice-President (in the case of a faculty, staff, or administrator) or designee amends or rejects a recommended finding and/or sanction as presented by the Review Panel, the AVPSL or Vice President or designee will include in the file a written notice and rationale for the decision not to accept the recommendation.

2. Staff and Administrators Appeal:
   The decision of appropriate Vice President or designee and sanction imposed shall become final five (5) business days after written notice of said decision was sent to the Respondent unless a formal written appeal is submitted to the Title IX Coordinator/EOS along with a copy to the appropriate Vice President or designee. Failure to submit the appeal within five (5) business days waives the right of written appeal. Complainant(s) or Respondent(s) may submit an appeal based on the findings. Appeals of the finding(s) of responsibility must be based on procedural error or new information that was not available at the time of the Formal Review, and could not have been produced by a reasonable effort. Complainant(s) and Respondent(s) may also appeal sanction(s) based on grounds that the sanction(s) imposed are disproportionate to the violation of policy that was found to have occurred. The Complainant(s) or Respondent(s) may make a formal appeal in writing to the Title IX Coordinator/EOS. The Complainant(s) and Respondent(s) may submit an additional statement within three (3) business days upon notification that either party has submitted an appeal.

The Title IX Coordinator/EOS will convene a new Review Panel of three (3) to review the case and make a recommendation to a different Vice President as designated by the Title IX Coordinator/EOS whose decision is final.

The Title IX Coordinator/EOS will provide written notice to the appropriate Vice President or designee of the findings of the Appellate Review Panel within three (3) business days of receipt of the findings.
The Vice President or designee will provide written notice to the Complainant(s), Respondent(s), Human Resources, and Title IX Coordinator/EOS of his/her decision regarding findings and sanction(s) within seven (7) business days of receipt of the recommended findings and sanctions. The Vice President or designee will make every effort to schedule notice simultaneously to these parties.

In cases where the Vice President amends or rejects a recommendation, they will include in the file a rationale for the decision not to accept the recommendation.

3. Faculty Appeal:
Where a complaint is made against a faculty person and that faculty person is seeking the appeal, appellate review shall be provided through the Faculty Grievance Committee pursuant to the procedures in the Faculty Handbook. The Title IX Coordinator/EOS will provide written notice of the request for an appeal to the Complainant.

J. Dispositions/Compliance Monitoring:
The Dean of Students or designee is responsible for monitoring student compliance, if applicable.

Written notification of findings that trigger monitoring responsibilities shall be provided to the person responsible for monitoring compliance. Other parties may be notified, as deemed necessary, to ensure compliance.

Failure to observe the terms and/or conditions of any informal resolution or sanctions imposed in formal resolutions constitutes grounds for new action under either the procedures outlined in this policy or those identified for addressing matters of student misconduct.

The Deputy Coordinator, in consultation with the Title IX Coordinator/EOS, the Complainant and/or person responsible for monitoring compliance, will determine which procedures shall be applied for investigation and response.

K. Dismissal of Tenured Faculty:
In cases where complaints against tenured faculty members are found to have merit and where dismissal is the decision, the Vice President for Academic Affairs shall provide a Notice of Termination to the tenured faculty member which shall be effective two (2) weeks after served or mailed to the Respondent, unless, during the two (2) week time frame, the Respondent submits a written request for a dismissal hearing by the Faculty Grievance Committee.

Upon the submission of a request for a dismissal hearing, the procedures set forth in the Faculty Handbook shall be followed.

Tenured faculty members shall have no additional appeal rights under this policy and procedures other than those provided under the Faculty Handbook.

L. Records of Complaints/Reports:
A copy of the investigation report and the final decision shall be maintained by the College and included in the Conduct or Human Resources file of the Respondent only if the determination concludes that the Respondent engaged in prohibited conduct. Complaints against students will be held in the Respondent’s file in accordance with the policy as stated in the Retention and Release of Student Disciplinary Records.
No record of a complaint is kept in the Complainant’s Human Resources file or student file unless the investigation concludes that the complaint was knowingly false and malicious.

The Title IX Coordinator/EOS shall keep a record of all reports and complaints made under the Discrimination and Harassment Policy, regardless of the outcome.

All documents prepared and maintained pursuant to the Discrimination and Harassment Policy and Procedures shall conform to all applicable governing law.

Record retention and release by the College shall be in conformance with applicable law and regulations.

XI. Annual Reporting
The Title IX Coordinator/EOS shall provide the President of the College and the Cabinet with an annual confidential report, detailing the number and disposition of different types of incidents, allegations, reports, and complaints of discrimination that have come to their attention each year. Information that could identify Complainants, or Respondents against whom no finding has been made, shall not be included. A summary may be provided to the College community so long as confidentiality of individuals’ identities is not breached. The President shall determine the propriety of a report to the entire College community.

XII. Resolution Through Other Means
Complainants and Respondents have the right to seek resolution through other sources, for example, the New York State Division of Human Rights, the Equal Employment Opportunity Commission or Office of Civil Rights of the United States Department of Education (1-800-421-3481).

XIII. Modifications
Final policy changes that are material to the policy and procedure are to be approved by the President, President’s Cabinet, and Board of Trustees. However, modifications to the policy concerning changes in personnel shall only require approval of the President and the President’s Cabinet.

Hate Crimes and Bias-related Incidents

I. Overview
Bias-related crime does occur on college campuses. Siena College’s commitment to diversity and respect, as two of our Franciscan values, shapes the College’s expectation that members of our community will strive to ensure that hate crimes and bias-related incidents do not happen.

Hate crimes and bias-related incidents involve behaviors that are motivated by hostility to race, religion, sexual orientation, ethnicity, national origin, gender, age or disability. Bias-related incidents include those actions that are motivated by bias, but do not meet the necessary elements required to prove a crime. Acts of hate and bias may accompany crime through such actions as threats of violence, property damage, personal injury and other illegal conduct.

Bias-Related Incident: A bias-related incident is defined as behavior that constitutes an expression of hostility against the person or property of another because of the targeted person’s race, religion, sexual orientation, ethnicity, national origin, gender, age, or disability. Bias-related incidents include, but are not limited to, name calling and using degrading language or slurs directed toward a person because of his or her membership (or perceived membership) in a protected class.

Hate Crime: A person commits a hate crime when he or she commits a specified criminal offense as defined by the New York State Penal Law and either:

a. intentionally selects the person against whom the offense is committed or is intended to be committed in whole or in substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation of the person, regardless of whether the belief or perception is correct

b. intentionally commits the act or acts constituting the offense in whole or in part because of a belief or perception regarding the race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation of a person, regardless of whether the belief or perception is correct.

Examples of hate crimes may include, but are not limited to, threatening telephone calls, hate mail (including electronic mail), physical assaults, vandalism, destruction of property, and fire bombings.

Applicable Laws, Ordinances and Regulations
New York State Penal Law specifically forbids hate and bias-related crimes and imposes strict sentences upon those convicted of them. Following is the hate crimes section of the New York State Penal Law.

485.00 Legislative Findings
The legislature finds and determines as follows: criminal acts involving violence, intimidation and destruction of property based upon bias and prejudice have become more prevalent in New York State in recent years. The intolerable truth is that in these crimes, commonly and justly referred to as “hate crimes”, victims are intentionally selected, in whole or in part, because of their race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation. Hate crimes do more than threaten the safety and welfare of all citizens. They inflict on victims incalculable physical and emotional damage and tear at the very fabric of free society. Crimes motivated by invidious hatred toward particular groups not only harm individual victims but send a powerful message of intolerance and discrimination to all members of the group to which the victim belongs. Hate crimes can and do intimidate and disrupt entire communities and vitiate the civility that is essential to healthy democratic
processes. In a democratic society, citizens cannot be required to approve of the beliefs and practices of others, but must never commit criminal acts on account of them. Current law does not adequately recognize the harm to public order and individual safety that hate crimes cause. Therefore, our laws must be strengthened to provide clear recognition of the gravity of hate crimes and the compelling importance of preventing their recurrence. Accordingly, the legislature finds and declares that hate crimes should be prosecuted and punished with appropriate severity.

485.05 Hate Crimes

1. A person commits a hate crime when he or she commits a specified offense and either:
   a. intentionally selects the person against whom the offense is committed or intended to be committed in whole or in substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation of a person, regardless of whether the belief or perception is correct, or
   b. intentionally commits the act or acts constituting the offense in whole or in substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation of a person, regardless of whether the belief or perception is correct.

2. Proof of race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation of the defendant, the victim or of both the defendant and the victim does not, by itself, constitute legally sufficient evidence satisfying the people’s burden under paragraph (a) or (b) of subdivision one of this section.

3. II. Victims of Bias-related Incidents or Hate Crimes

A. What to Do if It Happens to You:
Hate crimes, bias-related incidents, or other emergencies may be reported by dialing Public Safety at extension 2376 or in an emergency by dialing 911, by using any of the emergency-call boxes located in strategic areas around campus, by means of the Public Safety Website (www.siena.edu/publicsafety), where the Anonymous Tips page (www.siena.edu/anonymous) can be found. The emergency-call box locations are identifiable by blue lights hanging above the boxes. Following a call, the department will send a public safety officer immediately to assist the caller or victim. If required or requested, the town or state police will be contacted.

When a hate/bias-related criminal offense, a hate/bias-related incident or other emergency occurs on campus, anyone may report it. Incidents may be reported to Public Safety, the Office of the Dean of Students or Title IX Coordinator/Equal Opportunity Specialist or to any College official who will notify the Title IX Coordinator/Equal Opportunity Specialist.

B. Procedures:
Siena College has a prompt and effective procedure for all members of the College community who believe they have been subject to discrimination or harassment on the basis of race, religion, sexual orientation, ethnicity, national origin, gender, age, disability, or other basis identified in federal or state law. The College reserves the right to investigate and remediate all conduct contrary to Siena College’s Discrimination and Harassment policy, even without receipt of a complaint.

In cases involving illegal or criminal behavior (e.g., rape or assault, hate crimes), the student or employee retains the right to go to the police and will be made aware of that right at the time the complaint is received. In all cases, the student or employee retains the right to pursue civil action. No pressure will be put on an individual to use this procedure instead of pursuing other means of redress.

Information regarding these procedures under the College’s Discrimination and Harassment policy is provided in Siena Life; in the Office of the Dean of Students, Sarazen Student Union, room 302, 518-783-2328; by the Title IX Coordinator/Equal Opportunity Specialist, Sarazen Student Union, room 235, 518-782-6673; or on the Siena Website, https://www.siena.edu/offices/title-ix-eeo/discrimination-harassment-title-vii/

Sexual Misconduct Policy

I. Statement of Basis and Purpose

Siena College is committed to promoting a learning and working environment where sexual misconduct, which includes sexual violence, sexual harassment, and other gender based offenses, is not tolerated. This policy prohibits sexual violence, sexual harassment, and other gender-based offenses in all College programs and activities. Conduct prohibited by this policy also may violate laws enforced through the public criminal justice system. Individuals may decide to utilize both this policy and the public criminal justice system, simultaneously, to address covered conduct. Siena College proceedings that involve alleged violations of this policy will be conducted through a process that is prompt, equitable, fair, impartial, and provides adequate notice and a meaningful opportunity to be heard.

This policy applies to conduct involving students, employees, or third parties (e.g., contractors, alumni, visitors) that: (a) occurs on College property, (b) takes place in any College-sponsored program or activity such as travel, research, or internship programs or (c) when such conduct may have a continuing adverse effect or could create a hostile environment on campus. This policy also applies to student conduct that occurs off College property.

Our commitment is rooted in the Franciscan and Catholic tradition, which affirms the unique worth of each person and shares a commitment to building a world that is more just, peaceable, and humane. The dignity of the individual should never be violated in any way, and the College community views, with seriousness, violations of this policy against any person.

This policy shall apply regardless of race, color, religion, creed, ethnicity, national origin, gender, age, sexual orientation, gender identity or expression, familial status, veteran status, disability, predisposing genetic characteristics, domestic violence victim status, or other basis identified in federal or state law. Acts of discrimination and harassment, which are offenses directed against persons because of their identification with one of these categories, are prohibited under Siena College’s Policy Prohibiting Discrimination and Harassment. Where conduct is covered by both this Sexual Misconduct Policy and the Policy Prohibiting Discrimination and Harassment, the College will use the procedures set forth in this policy to resolve the allegation(s).

Accordingly, Siena College is committed to:

- Defining conduct that constitutes sexual misconduct
- Providing clear reporting options for all members of our campus and visitors after disclosing a violation of the College’s Sexual Misconduct Policy.
- Promptly responding to and investigating allegations of sexual misconduct, including taking steps to eliminate a hostile environment if one has been created and prevent the recurrence of future incidents of sexual misconduct. The College’s response may include pursuing disciplinary action when appropriate, referring the incident to local authorities when appropriate, and taking action to investigate and address any allegations of retaliation
- Providing ongoing assistance and support to members of our campus who file complaints of sexual misconduct
- Providing awareness and prevention information on sexual misconduct, including disseminating our policies, implementing training and educational programs for all College constituents
For purposes of this policy, sexual misconduct includes sexual violent acts (rape, sexual assault, sexual battery, sexual coercion, sexual exploitation), sexual harassment, and other gender based offenses (dating violence, domestic violence, stalking).

   III. Terminology

   A. Definition of “Affirmative Consent”:
Affirmative consent is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant’s sex, sexual orientation, gender identity, or gender expression.

Consent will be determined with the following principles in mind:

- Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act
- Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol
- Consent may be initially given but withdrawn at any time
- Consent cannot be given when a person is incapacitated (see definition below)
- Consent cannot be given when it is the result of any coercion, intimidation, force, or threat of harm
- When consent is withdrawn or can no longer be given, sexual activity must stop

B. Definition of Incapacitated:
Consent cannot be given when a person is incapacitated. Incapacitation occurs when an individual lacks the ability to fully, knowingly choose to participate in sexual activity. Incapacitation includes impairment due to drugs or alcohol (whether such use is voluntary or involuntary), the lack of consciousness or being asleep, being involuntarily restrained, or if an individual otherwise cannot consent.

Evaluating incapacitation also requires an assessment of whether a Respondent knew or should have known, that the other individual was incapacitated. A person's responsibility for obtaining consent is not diminished by use of alcohol and or other drugs. Being intoxicated or impaired by drugs or alcohol is never an excuse for sexual misconduct.

C. Definition of Sexual Activity:
“Sexual Activity” shall have the same meaning as “sexual act” and “sexual contact” as defined below:

1. contact between the penis and the vulva or the penis and the anus, and for purposes of this subparagraph contact involving the penis occurs upon penetration, however slight;
2. contact between the mouth and the penis, the mouth and the vulva, or the mouth and the anus;
3. the penetration, however slight, of the anal or genital opening of another by a hand or finger or by any object, with an intent to abuse, humiliate, harass, degrade, arouse, or gratify the sexual desire of any person; or
4. the intentional touching, not through the clothing, of the genitalia of another person who has not attained the age of 16 years with an intent to abuse, humiliate, harass, degrade, arouse, or gratify the sexual desire of any person;

“Sexual contact” means the intentional touching, either directly or through the clothing, of the genitalia, anus, groin, breast, inner thigh, or buttocks of any person with an intent to abuse, humiliate, harass, degrade, arouse, or gratify the sexual desire of any person;
D. **Definition of Complainant and Survivor:**
   “Complainant” shall mean a student or employee who has reported sexual misconduct. Complainants may also be referred to as survivor or victim throughout this policy. In some instances, the College may serve as the complainant (see “complaints filed by the College” in Section X – Investigation by Siena College of this policy).

E. **Definitions of Accused and Respondent:**
   1. “Accused” shall mean a person accused of a violation under this policy who has not yet entered the College’s conduct process. A person accused under this policy who is not a student or employee of Siena or whose identity is unknown shall also be referred to as accused.
   2. “Respondent” shall mean a person accused of a violation who has entered the College’s conduct process.

F. **Definition of Reporting Individual:**
   “Reporting Individual” shall encompass the terms victim, survivor, Complainant, witness with victim status, and any other term used to reference an individual who brings forth a report of a violation.

G. **Definition of Witness:**
   A “witness” is defined as an individual who has knowledge of facts that may be relevant to the resolution of an allegation.

H. **Definition of Bystander:**
   A “bystander” shall mean a person who observes a crime, impending crime, conflict, potentially violent or violent behavior, or conduct that is in violation of rules or policies of the College.

I. **Definition of Review Panel:**
   The review panel consists of faculty, staff, and administrators selected from the Siena College community. The review panel makes a determination of responsible or not responsible and makes sanctioning recommendations in formal hearings. These panel members have been trained in the College’s Sexual Misconduct policy and procedures, case review, and adjudication. To serve on a review panel the member must have had no conflict with the presented case.

IV. **Definitions and Behavioral Examples of Sexual Violence, Sexual Harassment, and Other Gender Based Offenses**

A. **Sexual Violence:**
   1. Sexual Violence acts include, but are not limited to, sexual assault, sexual coercion, and sexual exploitation. Sexual violent acts are physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent for reasons, such as, but not limited to, the victim/survivor’s age, the victim/survivor’s use of drugs or alcohol, or the victim/survivor’s inability to give consent due to intellectual or other disability.
   2. Sexual assault is an offense that meets the definition of rape, fondling, incest, or statutory rape as stated in the uniform crime reporting system of the Federal Bureau of Investigation.
3. Rape is penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

4. Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person’s will, or not forcibly or against the person’s will, in instances where the victim is incapable of giving consent.

5. Sexual coercion is the act of using force, threats, alcohol or drugs, and/or using physical, emotional, or verbal pressure to have sexual contact with someone against his or her will, or where a person is incapable of giving consent for reasons including, but not limited to, the victim/survivor’s age, the victim/survivor’s use of drugs or alcohol, or the victim’s inability to give consent due to intellectual or other disability. Sexual contact includes kissing, patting, fondling, oral sex, genital touching, and any other sexual behavior that makes the victim/survivor feel uncomfortable.

6. Sexual Exploitation occurs when a person takes non-consensual or abusive sexual advantage of another to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute another form of sexual misconduct. Examples of sexual exploitation include, but are not limited to, prostitution, non-consensual video or audio-taping of sexual or other private activity, exceeding the boundaries of consent (e.g., permitting others to hide in a closet and observe consensual sexual activity, videotaping of a person using a bathroom), engaging in voyeurism, or engaging in consensual sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or other sexually transmitted disease (STD) and without informing the other person of such infection.

B. Sexual Harassment:
Sexual harassment is any unwelcome conduct of a sexual nature, including unwelcome sexual advances, requests for sexual favors, and or other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment occurs when any of the following conditions are present:

- Submission to or rejection of such conduct is made, either explicitly or implicitly, a term or condition of an individual's employment, evaluation of academic work, or participation in any aspect of a college program or activity; or,
- Submission to or rejection of such conduct by an individual is used as the basis for decisions affecting the individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance, e.g. it is sufficiently serious, pervasive or persistent as to create an intimidating, hostile, humiliating, demeaning, or sexually offensive working, academic, residential, or social environment under both the subjective perspective of the person who experiences such conduct and objective standard of a reasonable person's perception of such conduct. A single isolated incident of sexual harassment may create a hostile environment if the incident is sufficiently severe. The more severe the conduct, the less need there is to show a repetitive series of incidents to establish the existence of a hostile environment, particularly if the harassment is physical. Conduct which is pervasive or persistent, even if not severe, may also create a hostile environment. Sexual harassment may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on gender, sex or gender, and/or sex or gender stereotyping, even if those acts do not involve conduct of a sexual nature.
1. Sexual harassment:
   • May be blatant and involve an overt action, a threat or reprisal, or may be subtle and indirect, with a coercive aspect that is unstated
   • May or may not include intent to harm, be directed at a specific target, or involve repeated incidents
   • May be committed by anyone, regardless of gender, age, position, or authority. While there is often a power differential between two persons, perhaps due to differences in age, social, educational, or employment relationships, harassment can occur in any context
   • May be committed by a stranger, an acquaintance, or someone with whom the Reporting Party has an intimate or sexual relationship
   • May be committed by or against an individual or group
   • May occur by or against an individual of any sex, gender identity, gender expression, or sexual orientation
   • May occur in the classroom, in the workplace, in athletic facilities, in residential settings, or in any other setting
   • May be a one-time event or part of a pattern of behavior
   • May be committed in the presence of others, when the parties are alone, or through the use of technology
   • May affect the Reporting Party and or third parties who witness or observe harassment and are affected by it

Examples of conduct that may constitute sexual harassment as defined above may include a severe, persistent, or pervasive pattern of unwelcome conduct that includes one or more of the following:

a. Physical conduct:
   • Unwelcome touching, sexual/physical assault, impeding, restraining, or blocking movements
   • Unwanted sexual advances

b. Verbal conduct:
   • Making or using derogatory comments, epithets, slurs, or humor
   • Intentionally using incorrect pronouns or an incorrect name when a person has clearly stated their preferred name and pronouns
   • Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, suggestive or obscene letters, notes, or invitations
   • Objectively offensive comments of a sexual nature, including persistent or pervasive sexually explicit statements, questions, jokes, or anecdotes

c. Visual conduct:
   • Leering, making sexual gestures, displaying of suggestive or demeaning objects or pictures, cartoon or posters in a public space or forum
   • Severe, persistent, or pervasive visual displays of suggestive, erotic, or degrading images. This example should not be understood to constrain academic freedom in teaching, research, or creative activity, or to limit intellectual and or expressive rights.
• Letters, notes, or electronic communications containing comments, words, or images described above

d. Quid pro quo conduct:
• Direct propositions of a sexual nature between those for whom a power imbalance, supervisory, or other authority relationship exists
• Offering educational or employment benefits in exchange for sexual favors
• Making submission to sexual advances an actual or implied condition of employment, work status, promotion, grades, or letters of recommendation, including subtle pressure for sexual activity, an element of which may be repeated requests for private meetings with no academic or work purpose
• Making or threatening reprisals after a negative response to sexual advances

V. Definition of Employee Consensual Relationships

Siena College does not intrude upon private choices regarding personal relationships when these relationships do not violate the policies of the College, cause harm to the safety and wellbeing of members of campus community, or increase the risk of harm to the safety and wellbeing of members of campus community.

Should an employee be found in violation of the consensual relationship policy and charges of sexual harassment are made, it shall not be a defense to allege that the relationship was consensual in any proceeding brought under these procedures.

A. With other employees:
Consensual romantic or sexual relationships in which one employee retains a supervisory line or evaluative role over another employee are unethical, create a risk for real or perceived coercion, and are expressly a violation of this policy. Therefore, persons with a supervisory line and/or evaluative responsibilities who are involved in such relationships must bring those relationships to the attention of their supervisor, and will likely result in the necessity to remove the employee from the supervisory and/or evaluative responsibilities.

B. With students:
Unique relationships exist between students and certain employees of the College, such as faculty members, administrators, and staff who serve in such roles as educator, counselor, evaluator, advisor, or who exercise other types of control over students. Given the possibility that abuse of this relationship or the appearance of abuse may occur, the College views it as unacceptable if faculty members or other instructional personnel, administrators, or staff members engage in amorous relationships with students enrolled in their classes or subject to their supervision, control, or authority, even when both parties appear to have consented to the relationship.

VI. Other Gender Based Offenses

A. Dating violence is violence committed by a person who (a) has been in a social relationship of a romantic or intimate nature with the victim and (b) where the existence of such a relationship shall be determined based on a consideration of the following factors: length of
the relationship, type of relationship, and frequency of interaction between the persons involved in the relationship.

B. Domestic violence is a felony or misdemeanor crime of violence committed by a current or former spouse of the victim/survivor, by a person with whom the victim/survivor shares a child in common, by a person who is cohabitating with or has cohabitated with the victim/survivor as a spouse, by a person similarly situated to a spouse of the victim/survivor under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim/survivor who is protected from the person’s acts under the domestic violence laws of the jurisdiction.

C. Stalking is engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

* see Appendix I – Behavioral Examples of Other Gender Based Offenses

VII. Immediate Assistance in Cases of Sexual Misconduct

Students, faculty, staff, administrators, and visitors at Siena College who experience any form of sexual misconduct on or off-campus (including Siena-sponsored trips and events) are strongly encouraged to immediately report the incident by contacting Siena College’s Department of Public Safety (518-783-2376 or 518-783-2999), which is available 24 hours a day, 7 days a week, and/or local law enforcement by calling 911. In addition, the New York State Police has a dedicated 24-hour hotline: 1-844-845-7269. An initial choice to use one of these avenues does not preclude a later or simultaneous decision to use one or more of the others. Campus public safety officers can also assist the Complainant with filing a complaint both on and off campus, and in obtaining immediate medical attention, counseling, and other services.

VIII. Obtaining Immediate Medical Attention and Emotional Support

Siena College is committed to assisting anyone who experiences sexual misconduct to seek comprehensive medical attention as soon as possible to treat injuries, obtain preventative treatment for sexually transmitted diseases, and preserve evidence, among other things. For rapes in particular, immediate treatment and the preservation of evidence of the assault are important for many reasons, including facilitating a criminal investigation. In addition, individuals who have experienced or witnessed sexual misconduct are encouraged to seek emotional support as soon as possible, either on or off-campus.

A. On-campus resources include nurses at Siena’s Health Services and counselors in Siena’s Counseling Center. Counselors are trained to provide crisis intervention.

B. For off-campus resources, Siena maintains a list of providers, including rape crisis centers and domestic violence shelters, available throughout the Capital District. This list includes information about Albany Memorial Hospital, which is specially equipped to handle sexual misconduct and trained to gather evidence from such assaults. The SANE program at local hospitals provide medical exams to victims/survivors of sexual assault. As part of this program, an advocate is available to assist and supports victims/survivors through the process through Albany County. (Publications and Resources)

IX. Choice of Actions in Response to Sexual Misconduct

A. Options in General:
Victims/Survivors have many options that can be pursued simultaneously, including one of the following:

- Confidently disclose a crime or violation to the Counseling Center, Health Services, and the Office of the College Chaplain and Siena College Friars. Confidential resources can share options and advice without any obligation to tell anyone, and will not share information without the consent of the victim/survivor.
- Anonymously disclose a crime or violation to the Public Safety anonymous tip line: www.siena.edu/anonymous. The College may have a duty to investigate anonymous disclosures to the extent possible, based on the information disclosed.
- Make a report to a College Official/Responsible Employee. Victims/Survivors have the right of privacy when reporting to College officials/responsible employees, to the extent possible under the circumstances. However information must be shared with other administrators who have a need to know. (Private, Not Confidential)
- Public Safety (Private, Not Confidential)
- Local Law Enforcement (Private, Not Confidential)
- New York State Police (Private, Not Confidential)
- Title IX Coordinator/EOS (Private, Not Confidential)
- Deputy Title IX/EOS Coordinators (Private, Not Confidential)

B. Confidentiality and Confidential Resources:
Confidentiality may be offered by an individual who is not required by law to report known incidents of sexual assault or other crimes to College officials in a manner consistent with state and federal law, including but not limited to 20 U.S.C. 1092 (F) and 20 U.S.C. 1681 (A). Licensed mental health counselors, medical providers, and pastoral counselors are examples of College employees who may offer confidentiality.

Confidential Resources are encouraged to submit non-identifying information about violations of this policy to Public Safety for the purposes of anonymous statistical reporting under the Clery Act.

Any member of the College community who is not prepared to make a report or who may be unsure how to label the incident that occurred, but still seeks information and support, is encouraged to contact a Confidential Resource.

At Siena College, the following is the list of Confidential Resources:
Counseling Center: 518-783-2342
Health Services: 518-783-2554
Office of the College Chaplain and Siena College Friars: 518-783-2332

These are the only Siena College employees who can offer legally protected confidentiality. These individuals are not required to report any information about an incident to the Title IX Coordinator without a Complainant’s permission. While professional counselors will maintain an individual’s confidentiality vis-à-vis the College, they may have reporting or other obligations under New York State law, e.g., mandatory reporting to law enforcement in case of minors, imminent harm to self, or others.
An individual who speaks to a professional and/or pastoral counselor in these specific roles must understand that, if the individual wants to maintain confidentiality, the College will be unable to conduct an investigation into particular incidents or pursue disciplinary action against the alleged Respondent.

Confidential resources may assist individuals in receiving other necessary protection and support, such as survivor advocacy, academic support or accommodations, disability, health and mental health services, changes in residence halls, working and course schedules in coordination with the Title IX Coordinator.

Individuals who initially request confidentiality may later decide to file a complaint with the College and/or report the incident to Colonie or State Police, and thus have the incident investigated. These counselors will provide the individual with assistance in contacting the Title IX Coordinator if the individual wishes to do so.

C. Privacy/Non-Confidential:
Privacy may be offered by an individual when such individual is unable to offer confidentiality under the law, but shall still not disclose information learned from a reporting individual or bystander to a crime or incident more than necessary to comply with this and other applicable laws, including informing appropriate College officials.

Even College offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary for the Title IX Coordinator to investigate and/or seek a resolution.

D. Duty to Report by Responsible Employees:
“Responsible Employees” have a duty to report incidents of sexual misconduct, including all relevant details, to the Title IX Coordinator. A “responsible” employee is a Siena College employee who has the authority to redress sexual misconduct, who has the duty to report incidents of sexual misconduct or discrimination and harassment, who a student could reasonably believe has the authority or duty. Such employees are not permitted under any circumstances to maintain a Complainant’s confidentiality.

Siena has designated all Faculty, Staff, and Administrators, with the exception of those serving in their role as a confidential resource, as responsible employees.

Immediately upon learning of potential campus sexual misconduct, any employee with a duty to report violations of this policy who receives a complaint of sexual misconduct or who observes or learns of conduct that is reasonably believed to be in violation of this policy, is required to report the alleged conduct to the Title IX Coordinator and/or Public Safety who will take appropriate action to address the report.

A responsible employee must report to the Title IX Coordinator and/or Public Safety all relevant details about the alleged sexual misconduct shared by the Complainant and that the College will need to determine what happened, including the names of the Complainant and alleged Respondent, any witnesses and any additional relevant information, including the date, time, and specific location of the alleged incident.

E. Law Enforcement:
Sexual misconduct is prohibited, in separate ways, by New York State Law and Siena College policy. Thus, offenders may be prosecuted under New York State criminal statutes and subject to disciplinary action by the College. The College may choose to pursue disciplinary action while criminal action is pending, or even if criminal justice authorities choose not to prosecute.

The College will assist Complainants in contacting law enforcement and/or other appropriate authorities for the purpose of obtaining orders of protection or other similar relief available through the court system, and will, to the extent that it is able, facilitate the implementation of any on-campus or College program-related restrictions imposed by such orders.

In the case of reported sexual misconduct, a law enforcement investigation does not relieve the College of its independent obligation to investigate the report, as specified by Title IX of the Education Amendments of 1972 (“Title IX”). Siena College’s investigative and conduct process will run concurrently with a criminal justice investigation and proceeding except for temporary delays as requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than ten (10) days except when law enforcement specifically requests and justifies a longer delay.

F. Anonymous Reporting:
If a Complainant self-identifies but asks to remain anonymous during the investigation, the Title IX Coordinator will consider how to proceed, taking into account the Complainant’s wishes, the College’s commitment to provide a safe environment, and the Respondent’s right to have specific notice of the allegations if the College were to take action that affects the Respondent.

G. Welfare of the Community (Amnesty) Policy:
The health and safety of every student at Siena College is of utmost importance. Siena College recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, sexual assault, discrimination, or harassment occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. Siena College strongly encourages students to report domestic violence, dating violence, stalking, sexual assault, discrimination, or harassment to College officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, sexual assault, discrimination, or harassment to College officials or law enforcement will not be subject to Siena’s code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, sexual assault, discrimination, or harassment.

This policy may also be applied, but not limited to: alcohol or drug related incidents, and situations of vandalism and damage. The policy only applies to the College’s Student Code of Conduct and has no status in other jurisdictions such as local or state courts.

H. Exception to Obligation to Investigate:
If an individual discloses information through a public awareness event such as candlelight vigils, protests, or other public event, the College is not obligated to begin an investigation based on such information. The College may use the information provided at such an event to inform efforts for additional education and prevention efforts.
X. Jeanne Clery Act and Timely Warning

A. Jeanne Clery Act:
In concert with our Catholic and Franciscan Mission, Siena College strives to create an environment that is respectful of all and conducive to learning and living. Crimes and acts of violence are not tolerated. In 1990, Congress enacted the Crime Awareness and Campus Security Act (Title II of Public Law 101–542), which amended the Higher Education Act of 1965 (HEA). This act required all postsecondary institutions participating in Title IV student financial aid programs to disclose campus crime statistics and security information. The act has been amended multiple times. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (commonly referred to as “the Clery Act”) in memory of a Jeanne Clery who was slain in her dorm room in 1986. The reauthorization of the Violence Against Women Act (VAWA), signed by President Obama in March 2013, which includes the Campus Sexual Violence Elimination Act (Campus SaVE) amended the Clery Act. All incidents of domestic violence, dating violence, and stalking must now be reported in addition to reporting incidents of sexual assault. These statistics can be found in the Annual Security and Fire Safety Report. The report includes statistics for the previous three years concerning reported crimes and institutional policies addressing campus security. To obtain a copy of this report contact the Director of Public Safety or visit: https://www.siena.edu/offices/public-safety/campus-crime-statistics/

B. Timely Warning:
1. In the event a situation arises within the College’s Clery Geography that, in the judgment of the Director of Public Safety or designee (who may consult with the Vice President for Student Life, Dean of Students and/or Title IX Coordinator), which may pose a serious or continuing threat to students and employees, a campus-wide “Timely Warning” will be issued. The decision to issue a Timely Warning is made on a case-by-case basis considering the nature of the crime and the continuing danger to the campus community. The warning will be provided to students and employees in a manner that is timely, and that will aid in the prevention of similar occurrences. Timely Warnings will include information about the crime that triggered the Timely Warning but will not include personally identifiable information about the victim of the crime. Timely Warning Notices are generally written and distributed by the Director of Public Safety (or designee) or the Dean of Students’ Office and are sent via email to students, faculty, staff, and administrators. A copy of the notice may also be posted on campus buildings.
2. The Director of Public Safety or his designee may issue a “Public Safety Advisory” where the precipitating incident(s) is/are not Clery Crimes and do not rise to the level of a “Timely Warning”. These Public Safety Advisories may be issued to inform the campus community for their personal safety of ongoing non-Clery crimes, suspicious activity on campus, or crimes that do not fall within Siena’s Clery Geography. These “Advisories” may be disseminated to the campus community via email and/or postings on campus buildings.

XI. Initial Review

A. Upon receipt of a report of alleged sexual misconduct, the College's Title IX Response Team will conduct an initial assessment within 72 hours. The goal of this assessment is to provide an integrated and coordinated response to reports of sexual misconduct. The Title IX Team, led by the Title IX Coordinator, assists in the review, investigation, and resolution of reports.
The team may include the Title IX Coordinator, Deputy Coordinators, and the Director of Public Safety. Depending on the roles of the parties involved in a report, other designees (Dean of Students, College Counsel) may join the team. In all cases, the Title IX Response Team will be limited to a small number of individuals who need to be informed in order to provide effective and equitable review and timely resolution of reports, while protecting the privacy of parties as fully as possible. Regular members of the Title IX Response Team receive annual training in strategies to protect parties who experience sexual misconduct to promote individual and institutional accountability.

The assessment will consider the nature of the report(s), any witness statements obtained, the safety of the individual and of the campus community, and the Reporting Party's expressed preference for resolution in determining the appropriate course of action to eliminate the conduct at issue, prevent its recurrence, and address its effects.

At the conclusion of the assessment, the Title IX Response Team may refer the report for informal resolution. Informal resolution does not involve disciplinary action against a responding party. Alternatively, the Title IX Team may refer the matter for formal resolution. Formal resolution begins with an investigation. Considering the best interest of the College community, the College may proceed with an investigation without the consent from the potential Complainant, but will, to the extent practicable under the circumstances, maintain the privacy and anonymity of the potential Complainant. The goal of the investigation is to gather all relevant facts and determine if there is sufficient information to refer the report to an adjudication or grievance process in order to determine responsibility and impose disciplinary action if appropriate.

B. Interim Measures:
Upon receipt of a report, the Title IX/EOS Coordinator may provide reasonable and appropriate interim measures designed to preserve the Complainant’s educational experience, the safety of all parties and the broader campus community, maintain the integrity of the investigative and/or resolution process, and deter retaliation. The Title IX Coordinator/EOS may provide interim measures regardless of whether the Complainant seeks formal disciplinary action. The Title IX Coordinator/EOS will work collaboratively with the Dean of Students, Assistant Vice President for Human Resources, and Associate Vice President for Academic Affairs in providing interim measures.

Interim measures may include, but are not limited to:
- Access to counseling services and assistance in arranging an initial appointment.
- Rescheduling of exams and assignments
- Change in class schedule
- Change in work schedule or job assignment
- Change in housing
- Arranging for medical services
- Imposition of an on-campus “no contact order,” an administrative remedy designed to curtail contact and communications between two or more individuals
- Providing the Complainant assistance with filing a criminal complaint and seeking an order of protection
- Other remedies that can be used to achieve the goals of this policy, i.e. interim suspension or campus restriction pending the outcome of the investigation/process
C. Investigation by Siena College:
1. All reports and complaints of sexual misconduct should be filed with the Title IX Coordinator/EOS, Public Safety, or Deputy Coordinator as soon as possible after the incident(s) occurred or in a timely manner. While Complainants are welcome to file a report or complaint at any time, Complainants are encouraged to come forward as soon as possible because a delay in reporting or making a complaint may impact the effectiveness of the investigation. Delays in reporting may impair the College’s ability to investigate due to, but not limited to, fading memories and the availability of witnesses and evidence.
2. Complainants and Respondents may use an advisor of their choice (including legal counsel) at each point in the Sexual Misconduct procedure. The advisor may serve only in an advisory role and may not directly represent either party.
3. Upon receiving information of an alleged violation of this policy, either the Title IX Coordinator/EOS, Public Safety Investigators, a Deputy Coordinator, or a combination of these individuals will meet with the Complainant, Respondent, and/or reporting witness and conduct an investigation (interview parties, take or receive statements).
4. If the reporting witness or Complainant chooses to pursue action under this policy, s/he shall make a written statement (which can be either written by the Complainant or dictated and ascribed to) regarding the Sexual Misconduct complaint.
5. A reporting witness or Complainant may choose to withdraw a complaint and/or involvement from the college process at any time.

D. Complaints Filed by the College:
The Title IX Coordinator/EOS or Deputy Coordinator (in consultation with the Title IX Response Team) may file a complaint through these procedures against any individual s/he has a reason to believe has engaged in conduct in violation of this policy where doing so is deemed appropriate. By way of example but not limitation, where it appears that the individual may have engaged in a pattern of conduct in violation of this policy, based upon the number of complaints filed against the individual previously, and resolved through informal intervention.

Additionally, often individuals are reluctant to pursue the remedies provided in this policy even when the individual perceives they have been subjected to conduct prohibited by this policy. Should The Title IX Coordinator/EOS or Deputy Coordinator become aware of conduct potentially in violation of this policy, even if the person potentially subject to such conduct has not reported it or is unwilling to pursue a complaint, the College may conduct an investigation, as appropriate, and take any necessary action. In such cases the Title IX Coordinator/EOS will convene an ad hoc advisory group of three (3) Deputy Coordinators to review the investigative report. If, after review, the ad hoc advisory group unanimously determines that there is not enough evidence to support a complaint, one will not be filed by the College and the investigation will close. Otherwise, a complaint will be filed by the College.

When the reporting party is not a student or employee, the College will serve as the Complainant throughout the Resolution process.

E. Reporting Retaliation:
Individuals may file a complaint with the Title IX Coordinator/EOS if they have been retaliated against for reporting sexual misconduct, assisting someone in making such a report,
XII. Resolution

A. Informal Resolution:
Individuals may seek an informal resolution to end nonviolent conduct that the person believes violated this policy. These interventions include negotiation, shuttle diplomacy, mediation, and restorative justice. Negotiation and mediation will not be used in cases that involve sexual misconduct or any other form of violence.

If the Respondent confirms the allegations and acknowledges responsibility for his/her actions, the Title IX Coordinator/EOS and/or Deputy Coordinator, in consultation with the Complainant and other designated College officials, will determine the most appropriate course of action.

If the Complainant is not in agreement with the outcome of the informal intervention process or chooses to end it and proceed to the formal process, if the issue cannot be resolved informally, or if the Title IX Coordinator/EOS or Deputy Coordinator determines that additional inquiry is still appropriate, the Title IX Coordinator/EOS and/or Deputy Coordinator will commence the complaint process. Either party may end the informal resolution process at any time and proceed with the formal process.

B. Formal Resolution:
Siena College generally completes investigations within thirty (30) business days, absent extenuating circumstances. In certain circumstances time frames may need to be extended (e.g., during July and August; students and faculty members are often not available, significant number of witnesses to interview, multiple allegations in a single complaint). However, every effort will be made to resolve cases as expeditiously as possible. The preponderance of evidence or “more likely than not” standard of review will be used during the investigatory process.

The Respondent shall be provided with a notice of complaint describing the date, time, location, and factual allegations, a reference to the specific policy violations alleged together with possible sanctions. Once presented with the notice of complaint, the Respondent has four (4) business days to formally accept or deny responsibility for the alleged behavior in writing. Failure to respond by the deadline will be treated as denial of responsibility and the formal process will proceed as outlined.

The Complainant and Respondent shall be advised periodically of the status of the investigation.

C. Investigation Report:
The Title IX Coordinator/EOS and/or Deputy Coordinator will prepare a written report following the completion of the investigation. Except in certain circumstances, the report should be completed within five (5) business days after the completion of the investigation. The report, at a minimum, must include:

or participating in any manner in an investigation or resolution of a sexual misconduct complaint. All retaliation complaints will be investigated in accordance with the investigation procedures set forth in this policy and individuals who have been found to have engaged in retaliation will be subject to disciplinary action through the student code of conduct or employee disciplinary procedures.
1. Summary of the complaint.
2. Summary of the response by the individual against whom the complaint was made.
3. Summary of the statements and evidence obtained during the investigation.
4. Summary of prior settlements or substantiated complaints against the Respondent.

D. Notice of Outcome of Investigation:
1. The Title IX Coordinator/EOS and/or the Deputy Coordinator will present a written notice of the outcome of the investigation to the Complainant and Respondent. This document shall consist of a summary of allegations, a summary of the evidence in support of the complaint, and specific areas of this policy of which the Respondent is alleged to have violated.
2. Following a notice of outcome of the investigation, the Complainant and their advisor and the Respondent and their advisor may review a redacted copy of the investigation report. Following this review the Complainant and/or Respondent may provide an additional written response to be included in the materials for informal or formal resolution. Both the Complainant and Respondent may also submit a written impact statement to the Title IX Coordinator/EOS to be reviewed prior to deliberation of sanctions, if any. The Complainant and Respondent have ten (10) business days upon notification of the investigative report’s completion to review and submit a written response and impact statement.

E. Acceptance of Responsibility (Student):
1. If the Respondent accepts responsibility, the Title IX Coordinator/EOS or Deputy Coordinator shall convene a review panel of three (3) to review the case and make recommendations for sanction to the Associate Vice President for Student Life or designee. Generally, reviews should convene within fourteen (14) calendar days of when the Respondent accepted responsibility and the investigation is complete except for good cause, or by agreement of the parties. Written notice of the date, time, and location of the review will be provided to the Complainant and Respondent.

Within three (3) business days of the completion of the case by a Review Panel, the recommended sanction(s), if any, shall be forwarded to the Associate Vice President for Student Life (AVPSL) or designee who may accept, amend, or reject the sanctions. The Respondent and Complainant are insured their right to exclude their own prior sexual history with persons other than the other party in the conduct process, or their own mental health diagnosis and/or treatment, from use in the review process prior to adjudication. Any sanction takes into account the Respondent’s prior record and any prior complaints involving similar allegations as well as the severity of the incident and the outcome sought by the Complainant.

Student Respondents may have sanctions administered, including but not limited to: expulsion, dismissal, suspension, withholding degree, revocation of admission and/or a degree, disciplinary probation, suspension or dismissal from College housing, social/residence hall probation, housing relocation, restriction from privileges, student reprimand, warning, or discretionary sanctions. This may also include restriction from contact with the Complainant or restriction from parts of, or the entire campus. Student Respondents who are sanctioned with expulsion, suspension, or dismissal from college may be subject to a notation on their official college transcript as required by law.
The Associate Vice President for Student Life (AVPSL) or designee will provide written notice of the outcome and sanction(s) to the Complainant, Respondent, and Title IX Coordinator/EOS within seven (7) business days. The AVPSL or designee will make every effort to schedule notice simultaneously to these parties. All sanction(s), except for suspension, dismissal, or expulsion from the College will take effect immediately pending appeal. The sanction(s) shall become final five (5) business days after written notice of said findings was provided to the parties unless formal written appeal is submitted to the Title IX Coordinator/EOS. Failure to submit the appeal within five (5) business days waives the right of written appeal.

2. Student Appeal

If the Complainant or Respondent disagrees with the sanction, he/she may make a formal written appeal to the Title IX Coordinator/EOS. The Complainant and Respondent may submit an additional statement regarding the case within three (3) business days upon notification that either party has submitted an appeal. The Title IX Coordinator/EOS will convene a new three (3) person panel to review the sanction(s) imposed and make a sanction(s) recommendation to the Vice President for Student Life or designee. The Vice President for Student Life or designee has seven (7) business days to confirm, amend or reject a recommendation(s). In cases where the Vice President or designee amends or rejects the sanction(s), the Vice President or designee will include in the file a rationale for the decision not to accept the recommendation(s). The Vice President for Student Life or designee will provide written notice of the outcome of the appeal to the Complainant, Respondent, and Title IX Coordinator/EOS. The Vice President for Student Life or designee will make every effort to schedule notice simultaneously to these parties. The decision of the Vice President for Student Life or designee is final.

F. Acceptance of Responsibility (Faculty, Staff or Administrator):

1. If the Respondent accepts responsibility, the Title IX Coordinator/EOS shall convene a review panel of three (3) to review the case and make recommendations for sanction(s) to the Vice President or designee of the Respondent’s work assignment within three (3) business days of review completion. Generally, reviews should convene within fourteen (14) calendar days of when the Respondent accepted responsibility and the investigation is complete except for good cause, or by agreement of the parties. Written notice of the date, time, and location of the review will be provided to the Complainant and Respondent. Any sanction takes into account the Respondent’s prior record and any prior complaints as well as the severity of the incident and the outcome sought by the Complainant.

Faculty, staff, or administrator Respondents may have sanctions administered that include, but are not limited to: the Respondent’s participation in counseling or individualized training as a corrective action; prohibition of the Respondent from participating in grading, honors, and recommendations; reappointment and promotion decisions or other evaluations of the Complainant; letter of reprimand; restriction of the Respondent’s access to College resources, such as salary increase for a specific period; or suspension or dismissal from employment at the College.
In cases where the Vice President or designee amends or rejects a recommendation, the Vice President or designee will include in the file a rationale for the decision not to accept the recommendation.

The Vice President or designee will provide written notice to the Complainant, Respondent, Human Resources, and Title IX Coordinator/EOS of his/her decision regarding sanction(s) within seven (7) business days of receipt of the recommended sanction(s). The Vice President or designee will make every effort to schedule notice simultaneously to these parties.

The sanction(s) shall become final five (5) business days after written notice of said findings was provided to the parties unless formal written appeal is submitted to the Title IX Coordinator/EOS. Failure to submit the appeal within five (5) business days waives the right of written appeal.

2. Staff and Administrator Appeal
If the Complainant or Respondent disagrees with the sanction, he/she may make a formal written appeal to the Title IX Coordinator/EOS. The Complainant and Respondent may submit an additional statement regarding the case within three (3) business days upon notification that either party has submitted an appeal.

The Title IX Coordinator/EOS will convene a new three (3) person panel to review the sanction imposed and make a sanction recommendation to a different Vice President as designated by the Title IX Coordinator/EOS within 3 business days. The Vice President has seven (7) business days to confirm, amend or reject a recommendation(s). The Vice President’s sanction decision is final. The Vice President will provide written notice of the outcome of the appeal to the Complainant, Respondent, and Title IX Coordinator/EOS. The Vice President will make every effort to schedule notice simultaneously to these parties.

In cases where the Vice President amends or rejects a recommendation, the Vice President or designee will include in the file a rationale for the decision not to accept the recommendation.

3. Faculty Appeal
Where a complaint is made against a faculty person and that faculty person is seeking the appeal, appellate review shall be provided through the Faculty Grievance Committee pursuant to the procedures in the Faculty Handbook. The Title IX Coordinator/EOS will provide written notice of the request for an appeal to the Complainant.

G. Denial of Responsibility:
If the Respondent denies responsibility, a formal review panel will be convened.

Formal Review
Once a Respondent denies responsibility and the investigation is complete, the Title IX Coordinator/EOS will convene a three (3) person Review Panel. The purpose of the review is for the Review Panel to determine whether it is more likely than not that the facts established constitute a violation of this policy. The Panel will examine all testimony and documentary evidence it deems relevant, including the investigation report, where appropriate. Privacy and confidentiality shall be protected to the extent practicable, given the College’s need to administer the process.
• Generally, reviews should convene within fourteen (14) calendar days of when the Respondent denied responsibility and the investigation is complete except for good cause, or by agreement of the parties. Written notice of the date, time, and location of the review will be provided to the Complainant and Respondent.

• The Review Panel will render a finding regarding responsibility based on the evidence using a “preponderance of the evidence” standard, which reviews whether it is more likely than not that a violation of this Policy has or has not occurred. The panel will normally render a finding based upon unanimity. In those instances where unanimity is unavailable, a majority vote may be used to render the decision.

The Respondent and Complainant are insured their right to exclude their own prior sexual history with persons other than the other party in the conduct process, or their own mental health diagnosis and/or treatment, from admittance in the College disciplinary stage that determines responsibility. Past findings of domestic violence, dating violence, stalking, or sexual assault may be admissible in the adjudication stage that determines sanction.

For information on possible sanctions, Respondents may refer to Section F: Acceptance of Responsibility (Faculty, Staff or Administrator)

H. Hearing Outcome Notifications – Students:
1. Within three (3) business days of the completion of the case by a Review Panel, the recommended finding(s) and sanction(s), if any, shall be forwarded to the Associate Vice President for Student Life (AVPSL) or designee who may accept, amend, or reject the findings and/or sanctions. The AVPSL or designee will provide written notice of the outcome and sanction(s), if any, to the Complainant, Respondent, and Title IX Coordinator/EOS within seven (7) business days. The AVPSL or designee will make every effort to schedule notice simultaneously to these parties.

2. Student Appeal
All sanction(s), except for suspension, dismissal, or expulsion from the College will take effect immediately pending appeal and shall become final five (5) business days after written notice of said decision was sent to the Respondent unless a formal written appeal is submitted. Failure to submit the appeal within five (5) business days waives the right of written appeal.

Complainant(s) or Respondent(s) may submit an appeal based on the findings. Appeals of the finding(s) of responsibility must be based on procedural error or new information that was not available at the time of the Formal Review, and could not have been produced by a reasonable effort. Complainant(s) and Respondent(s) may also appeal sanction(s) based on grounds that the sanction(s) imposed are disproportionate to the violation of policy that was found to have occurred. The Complainant(s) or Respondent(s) may make a formal appeal in writing to the Title IX Coordinator/EOS. The Complainant(s) and Respondent(s) may submit an additional statement within three (3) business days upon notification that either party has submitted an appeal.

The Title IX Coordinator/EOS will convene a new Review Panel of three (3) to review the case and make a recommendation to the Vice President for Student Life or designee whose decision is final.
The Title IX Coordinator/EOS will provide written notice to the Vice President for Student Life or designee of the findings of the Appellate Review Panel within three (3) business days of receipt of the findings.

The Vice President for Student Life or designee will provide written notice of the outcome of the appeal to the Complainant(s), Respondent(s), and Title IX Coordinator/EOS within seven (7) business days. The Vice President for Student Life or designee will make every effort to schedule notice simultaneously to these parties.

In cases where the Vice President for Student Life or designee amends or rejects a recommendation, they will include in the file a rationale for the decision not to accept the recommendation.

I. Hearing Outcome - Faculty, staff, or administrator:

1. Within three (3) business days of the completion of the review of the case by a Review Panel, the recommended finding(s) and sanction(s), if any, shall be forwarded to the Vice President or designee of the Respondent’s work assignment who may accept, amend, or reject the findings and/or sanctions. The Vice President or designee will provide written notice to the Complainant, Respondent, Human Resources, and Title IX Coordinator/EOS of his/her decision regarding findings and sanction(s) within seven (7) business days of receipt of the recommended findings and sanctions. The Vice President or designee will make every effort to schedule notice simultaneously to these parties.

In cases where the Vice President or designee amends or rejects a recommended finding and/or sanction as presented by the Review Panel, the Vice President or designee will include in the file a written notice and rationale for the decision not to accept the recommendation.

2. Staff and Administrators Appeal

The decision of appropriate Vice President or designee and sanction imposed shall become final five (5) business days after written notice of said decision was sent to the Respondent unless a formal written appeal is submitted to the Title IX Coordinator/EOS. Failure to submit the appeal within five (5) business days waives the right of written appeal.

Complainant(s) or Respondent(s) may submit an appeal based on the findings. Appeals of the finding(s) of responsibility must be based on procedural error or new information that was not available at the time of the Formal Review, and could not have been produced by a reasonable effort. Complainant(s) and Respondent(s) may also appeal sanction(s) based on grounds that the sanction(s) imposed are disproportionate to the violation of policy that was found to have occurred. The Complainant(s) or Respondent(s) may make a formal appeal in writing to the Title IX Coordinator/EOS. The Complainant(s) and Respondent(s) may submit an additional statement within three (3) business days upon notification that either party has submitted an appeal.

The Title IX Coordinator/EOS will convene a new Review Panel of three (3) to review the case and make a recommendation to a different Vice President as designated by the Title IX Coordinator/EOS whose decision is final.
The Title IX Coordinator/EOS will provide written notice to the appropriate Vice President of the findings of the Appellate Review Panel within three (3) business days of receipt of the findings.

The Vice President will provide written notice to the Complainant(s), Respondent(s), Human Resources, and Title IX Coordinator/EOS of his/her decision regarding findings and sanction(s) within seven (7) business days of receipt of the recommended findings and sanctions. The Vice President or designee will make every effort to schedule notice simultaneously to these parties.

In cases where the Vice President amends or rejects a recommendation, they will include in the file a rationale for the decision not to accept the recommendation.

3. Faculty Appeal
   Where a complaint is made against a faculty person and that faculty person is seeking the appeal, appellate review shall be provided through the Faculty Grievance Committee pursuant to the procedures in the Faculty Handbook. The Title IX Coordinator/EOS will provide written notice of the request for an appeal to the Complainant.

J. Dispositions/Compliance Monitoring:
   The Dean of Students or designee is responsible for monitoring student compliance, if applicable.

   Written notification of findings that trigger monitoring responsibilities shall be provided to the person responsible for monitoring compliance. Other parties may be notified, as deemed necessary, to ensure compliance.

   Failure to observe the terms and/or conditions of any informal resolution or sanctions imposed in formal resolutions constitutes grounds for new action under either the procedures outlined in this policy or those identified for addressing matters of student misconduct.

   The Deputy Coordinator, in consultation with the Title IX Coordinator/EOS, the Complainant and/or person responsible for monitoring compliance, will determine which procedures shall be applied for investigation and response.

K. Dismissal of Tenured Faculty:
   In cases where complaints against tenured faculty members are found to have merit and where dismissal is the decision, the Vice President for Academic Affairs shall provide a Notice of Termination to the tenured faculty member which shall be effective two (2) weeks after served or mailed to the Respondent, unless, during the two (2) week time frame, the Respondent submits a written request for a dismissal hearing by the Faculty Grievance Committee.

   Upon the submission of a request for a dismissal hearing, the procedures set forth in the Faculty Handbook shall be followed.

   Tenured faculty members shall have no additional appeal rights under this policy and procedures other than those provided under the Faculty Handbook.

L. Records of Complaints/Reports:
A copy of the investigation report and the final decision shall be maintained by the College and included in the Conduct or Human Resources file of the Respondent only if the determination concludes that the Respondent engaged in prohibited conduct.

Complaints against students will be held in the Respondent’s file in accordance with the policy as stated in the Retention and Release of Student Disciplinary Records.

No record of a complaint is kept in the Complainant’s Human Resources file or student file unless the investigation concludes that the complaint was knowingly false and malicious.

The Title IX Coordinator/EOS shall keep a record of all reports and complaints made under the Sexual Misconduct policy, regardless of the outcome.

I. Health Requirements

A. Health Insurance: All full-time students are required to have health insurance. Information about the student health insurance plan offered at Siena is available through Health Services. Students who are already enrolled in a health insurance and/or prescription plan must complete the waiver process on-line.

B. Statement of Intent: The Siena College Health Services will comply with, uphold and enforce relevant provisions of the New York State Public Health law, Article 21, Title VI, and Section 2165 and 2167, as it pertains to this College. Siena College is committed to providing a safe and healthy environment for its students with regard to communicable diseases, including measles, mumps, rubella, tuberculosis, pertussis (whooping cough), and meningitis. The College recognizes and accepts its responsibility under applicable state law and considers recommendations from the American College Health Association and U.S. Centers for Disease Control and Prevention.

C. Health Services Definition of Full/Part-Time Students:
1. A part-time student is any person enrolled in a minimum of six but fewer than 12 credit hours per semester.
2. A full-time student is any person enrolled in 12 or more credit hours per semester.

D. Specific Requirements:
1. All full-time students are required to submit a completed Siena College health record. The physical exam must be performed within 1 year of admission for new students and students that have been readmitted to the college after an absence of two years or more.

2. Full-time and part-time students born after January 1, 1957 are required to provide proof of immunity to measles, mumps, rubella, meningitis, tetanus/diphtheria/pertussis at the time of registration. Documentation of tuberculosis screening is also required regardless of age. Please Note: Nursing students will need to comply with both Siena College and clinical agency health requirements.

   a. Measles (rubeola): Proof of immunity shall consist of one of the following: two immunizations given after 1967, at least 30 days apart, on or after the first birthday; evidence of the disease documented by a physician (MD or DO); or documentation of an adequate immune titer.

   b. Mumps (infectious parotitis): Proof of immunity shall consist of one of the following: one immunization given after 1967, on or after the first birthday; evidence of the disease documented by a physician (MD or DO); or documentation of an adequate immune titer.

   c. Rubella (German measles): Proof of immunity shall consist of one of the following: one immunization given after 1967, on or after the first birthday; evidence of the disease documented by a physician (MD or DO); or documentation of an adequate immune titer.

   d. Meningitis: Proof of one vaccination at age 16 years or older and within the last 5 years.
e. Tetanus/Diptheria/Pertussis: Proof of recent vaccination with combined
tetanus/diphtheria/pertussis toxoid within 10 years.
f. Tuberculosis: Proof of tuberculosis screening performed within the past six months
or a chest x-ray ruling out active tuberculosis. Positive skin tests will require a
referral to the chest clinic of the local county Public Health Department (see section
on enforcement within this policy).

3. Students seeking religious exemption from these requirements must comply with
applicable state regulations. Students under 18 years of age must submit a written
statement signed by their parents or guardian stating that they hold genuine and sincere
religious beliefs contrary to the practice of immunization. Students 18 years or older must
submit a statement themselves to qualify for religious exemption. This statement must
describe the beliefs in sufficient detail to permit the College to determine that the beliefs
are religious in nature (not philosophical) and sincerely and genuinely held and that the
student was counseled about the risks/benefits of vaccination by a clinician. Students that
qualify for religious exemption will be required to leave the campus in the event of an
outbreak of one or more of these diseases and will remain away from campus until 21
days after the outbreak is over.

4. Students seeking medical exemptions from this requirement must submit medical
documentation indicating the reasons for exemption and signed by a licensed medical
provider. Medical exemptions from this requirement may be granted at the discretion of
the Health Service Director for reasons such as pregnancy, history of anaphylaxis,
immune-compromised conditions, or other relevant disease states. Non-immunized
students will, at the discretion of the Health Service Director, be required to leave the
college in the event of an outbreak of one or more of these diseases and will remain away
until 21 days after the outbreak is over.

5. All students (as defined above) must provide health information on the appropriate form
and submit it to Siena Health Service. The Health Service will maintain the records while
the student is in continuous attendance at the College.

6. Any individual enrolled in 5 credit hours per semester or less, or any part-time student at
Siena who enrolls full-time in the future must, at that time, submit a completed Siena
College Health Record and meet all other requirements of a full-time student as set forth
in this policy. Any individual enrolled in 5 credit hours per semester or less at Siena who
enrolls part-time in the future must, at that time, meet all the requirements of a part-time
students as set forth in this policy.

E. Enforcement of Policy:
1. Students who fail to comply with this policy, including but not limited to any failure to
supply complete health or immunization records to the College by the established dates
are subject to fines, cancellation of registration and/or a “health hold” for future
registrations.
2. Students who fail to comply with this policy within 30 days of the beginning of the first
term for which they register will not be permitted to attend class and will have their
registration put on hold for subsequent semesters. Students living in the residence halls
will be removed from housing until all required health record requirements are met. They
may be reinstated upon full compliance and taken off registration “hold”.
3. Students with positive tuberculin tests, including those who have had BCG vaccination,
are required to report to the Albany County Health Department Chest Clinic or the Health
Department in their county of residence. Failure to comply with health department
directives will result in the penalties listed in the preceding paragraph.

F. Compliance and Reporting:
1. Siena College complies with the requirement to submit yearly reports of immunization
statistics including reports of diagnosis of communicable disease, as they occur, as
required by NYS Department of Health regulations.
2. Student immunization records contain medical information and will be maintained in a
confidential manner. Access to these records will be limited to personnel whose job
duties require information from these records. No records can be released without the
student’s written consent or for a student under the age of eighteen, the consent of a
parent or guardian. All medical records will be stored for seven years.

II. Refusing Medical Treatment
Should a student refuse care or present a plan of care/treatment, and such refusal or plan may, as
determined by the College, constitute a threat of harm to self, to others, to property or to the orderly
operation of the College, Siena reserves the right to place the student on medical leave, or to take other
action(s) as deemed necessary including, but not limited to, relocation, restriction(s) and/or suspension
from housing. The College may reconsider the medical leave or other action taken, if in the opinion of the
College, the student has adequately and appropriately demonstrated to the College that such refusal or
plan may no longer constitute a threat to self, to others, to property or to the orderly operation of the
College.

III. Medical Leave of Absence Policy
This policy is intended to provide intervention for distressed students and stability for the campus
environment. To the extent that a student’s safety is at risk, efforts to safeguard the student takes
precedence over maintaining the student’s confidentiality during the event of an acute psychological or
medical emergency. In these situations, information deemed relevant to a student’s safety may be released
to those who have a compelling reason to have the information because of the role they are playing in
safeguarding the student. The response to student crises should be proportional to the risks posed to or by
the individual. This may require a high-risk student to be evaluated at the Capital District Psychiatric
Center (CDPC) Crisis Unit or another medical/psychiatric facility when appropriate. In such cases, Siena
College will work with the student, their family and provider to best support the student. Siena reserves
the right to place the student on involuntary medical leave, or to take other action(s) as deemed necessary
including, but not limited to, relocation, restriction(s) and/or suspension from housing.

A. Voluntary Medical Leave:
1. A student may request voluntary medical leave if the student has a medical or
psychological condition that necessitates their absence from the College.
2. The student must submit documentation of the nature of the medical condition to the
health care professionals at Health Services or Counseling Center for review. Students
may be required to sign a Release of Information Form to allow the appropriate College
officials to speak to the treating physician or licensed mental health professional.
3. Approval for the request for voluntary medical leave will be made by the Director of Health Services or Director of the Counseling Center and notification of such approval is provided to the Dean of Students office.

4. The Dean of Students office will place the student on medical leave and notify the student’s instructors, the Director of Community Living and Academic Affairs that the student is on medical leave.

5. If the student chooses not to return to the College, the Dean of Students or designee will withdraw the student for medical reasons and review this process, as well as potential return timelines, with the student and their family.

B. Involuntary Medical Leave:
1. A determination of involuntary medical leave will be based upon an individualized assessment of safety or public health reasons, including communicable disease or when the student is at risk to self or to the community. Services or Director of the Counseling Center will determine if a student should be placed on involuntary medical leave and provide a recommendation to the Dean of Students office. The Dean of Students, or designee, will place a student on medical leave and notify the student’s instructors, the Director of Community Living and Academic Affairs that the student is on medical leave.

A student may be placed on involuntary medical leave, including but not limited to, the following situations:
   a. It has been determined by Health Services clinician (NP or MD) that the student requires more intensive medical care than can be provided in an ambulatory setting.
   b. The student has a medical condition that requires isolation from the College community for safety or public health reasons, such as a communicable disease or if the student is at risk to self or others.
   c. The student refuses care or present a plan of care/treatment to follow reasonable guidelines for self-care, such that failure to do so places the student’s life or others at risk.
   d. The student is admitted to a medical or psychiatric treatment facility.*

2. Siena College will place the student on medical leave, effective immediately, and the student’s parent(s), guardian, or emergency contact will be notified of the student’s situation.

3. Students on involuntary medical leave may not attend any classes or return to campus housing during the term of the medical leave.

4. Students on involuntary medical leave must leave campus and remain off campus until he/she is cleared to return by the dean of students, or his/her designee, in consultation with Siena College Health Services or Siena College Counseling Center. If arrangements for safe transportation home are required and the parents or guardians themselves are unable to come to campus within a specified period, they must make arrangements for their child to leave campus within a specified time frame that provides for the safety of their son/daughter between the time s/he leaves campus and reaches an off-campus, agreed upon location for the student to stay while on medical leave.

5. The Dean of Students Office will notify the student’s instructors, the Director of Community Living and Academic Affairs that the student is on medical leave.
6. The student is responsible to coordinate follow-up medical care for physical or mental health concerns, if advised to do so by Health Services or Counseling Center professionals.

7. If the student chooses not to return to the College, the Dean of Students or designee will withdraw the student for medical reasons and review this process, as well as potential return timelines, with the student and their family.

*A student, who is assessed at the CDPC Crisis Intervention Unit or other medical/psychiatric facility due to a mental health crisis and released without hospitalization, will meet with the Dean of Students or designee on the next business day following the crisis to develop a support plan. At that meeting, the student will be provided with recommendations aimed at best supporting the student and address any behaviors associated with the event that may have violated the student Code of Conduct. A common component for support includes participation in a two session assessment through the Counseling Center. Students are strongly encouraged to sign a release of information form with their treatment facility and the Counseling Center to facilitate continuity of care.

C. Process for Return/Readmission from Medical Leave:
   1. The Dean of Students or designee, in consultation with Health Services or Counseling Center professionals, will make the final decision as to whether the student will be permitted to return from medical leave.

   2. The student may be required to submit documentation from his/her provider in which the provider recommends that the student resume college studies and stating any other pertinent medical information, including specifying any accommodation requested of the College. If the student was admitted for inpatient treatment, he/she may be required to submit to Health Services or the Counseling Center a copy of the discharge plan, as well as a signed release of information form to allow the appropriate College officials to speak to the primary provider.

   3. The College will review the recommendations of the primary provider and determine if the recommendations regarding further care can be accommodated.

   4. Under certain circumstances, a student may be required to meet with the Dean of Students or designee prior to being permitted to return to the College to discuss the terms of the students return, and if appropriate, discuss continuing treatment plan for the student (e.g. a student admitted for inpatient treatment at medical or psychiatric treatment facility). If such treatment plan is created, and the student does not comply with the established plan, the College has the right to revoke its decision to allow the student to return and may require the student to resume his/her medical leave immediately. The Dean of Students or designee may also address any behaviors associated with related incidents that may have violated the Student Code of Conduct.

   5. It is the student’s responsibility to contact his/her instructors to make arrangements for any missed class assignments or exams.
6. Students who fail to comply with this medical leave of absence policy, which includes leaving campus and not returning until his/her return is approved, may be subject to disciplinary action, up to and including dismissal from the College.

IV. Special Accommodations Due to a Disability

A. The Office of Accessibility is devoted to ensuring equal educational opportunities and a responsive campus environment. The office ensures that students with disabilities receive accommodations that allow them equal access to all Siena College programs and the opportunity to realize and develop self-advocacy skills.

B. Accommodations will be granted to students who have registered and provided documentation of their disability to the Office of Accessibility. Although we encourage students to register early, they may register at any time. Accommodations, however, are not retroactive. To register, students must complete registration and release forms and submit proper documentation of their disability. To ensure appropriate accommodations, documentation should be current (normally within three years) and demonstrate how the disability limits participation in courses, programs, services and activities. Documentation, forwarded from the student’s high school, certified psychologist, licensed or otherwise properly credentialed professional, should provide information for both establishing a disability and identifying possible accommodations. Students are encouraged to meet with the director to discuss an individualized accommodation plan. All documentation and personal information are held in strict confidence unless authorized for release by the student in writing.

C. The Office of Accessibility Services offers the following services:
   1. Accommodations
   2. Alternative testing arrangements, including extended time
   3. Advocacy
   4. Note-taking assistance
   5. Informal counseling
   6. Alternate text materials and textbooks
   7. Other accommodations tailored to specific needs

D. Special Accommodations Request:
   1. As per the American the American Disabilities Act, a student with a physical or mental impairment that substantially limits a major life activity may request accommodations through the College. Medically related accommodations for housing, meals, air conditioning, parking, etc. are coordinated through Siena College's Health Services Office. The Office of Accessibility coordinates accommodation requests for service animals and emotional support animals in addition.

   2. Accommodations are to enable students with disabilities to equally participate in and benefit from the College's programs, services, and activities, provided that such accommodations would not:
      a. Fundamentally alter the nature or operation of the College’s academic programs, services, or activities
      b. Cause undue burden to the College
      c. Pose a direct threat to the health or safety of others.
3. Students may contact the Title IX Coordinator/Equal Opportunity Specialist should they wish to discuss or file a complaint about any aspect of Siena’s operations/policies/procedures or about the actions of any student, visitor or employee of the College. The Title IX Coordinator/EOS also serves as the individual to contact should a student wish to appeal a decision by Health Services, the Counseling Center or the Office of Accessibility related to an accommodation.

4. To be considered for an accommodation, students must complete the appropriate accommodation request form and submit it to Health Services or the Office of Accessibility. These forms can be found at www.siena.edu/healthservices or by contacting these offices. Students with special requests due to a medical condition are strongly encouraged to make the College aware of these needs as early as possible. For housing accommodations, new students should provide all required documentation by June 30th for fall semester and by December 1st for spring semester requests. Returning students should provide all required documentation by February 1st for fall semester requests and by December 1st for spring semester requests. Please be aware that after the posted deadlines, certain types of accommodations may no longer be available for the upcoming semester.

VI. Service Animal Policy
A. Siena College is committed to compliance with applicable state and federal laws relating to individuals with disabilities. With respect to a request for a service or assistance animal, the College will determine, on a case-by-case basis, and in accordance with applicable laws and regulations, whether such an animal is a reasonable accommodation on campus. In doing so, the College must balance the needs of the individual with the impact of animals on other campus community members. The rules governing service or assistance animals in the campus facilities, including classrooms and offices, and in the residence halls, are different. Only service animals, defined below and generally restricted to dogs, are allowed in the general campus facilities. Assistance animals, such as emotional support animals, will not be allowed in non-residence campus facilities. Request for assistance animals, which are not restricted to dogs, will be considered only in the residence halls and will be subject to the applicable law and College policy relating to reasonable accommodation of persons with documented disability. Further information regarding assistance animals, please review the College's Emotional Support Animal Policy and/or contact the Office of Accessibility Services.

B. Service Animal Policy:
1. Siena College recognizes and supports the assistance a trained service animal can provide a student or an employee with a disability.
2. The term “service animal” is defined as any dog that is trained to work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Service animals are typically those guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair, or fetching dropped items. Other animals, whether wild or domestic, do not qualify as
service animals. Dogs that are not trained to perform tasks that mitigate the effects of a disability, including dogs that are used purely for emotional support, are not service animals. Examples of service animals include:

a. Guide dog: A dog that is trained to serve as a travel tool for individuals who are blind or have impaired vision.
b. Hearing dog: A dog that has been trained to alert deaf persons or those with significant hearing loss, to sounds such as knocks on doors, fire alarms, phone ringing, etc.
c. Service dog: A dog that has been trained to assist a person with a mobility or health impairment. Duties include carrying, fetching, opening doors, ringing doorbells, activating elevator buttons, steadying a person while walking, assisting a person to get up after a fall, etc.
d. Sig (signal) dog: A dog trained to assist a person with autism. The dog makes the person aware of certain movements of him/her, which may appear distracting to others and are common to those with autism. They may provide assistance similar to that given to a person who is blind or deaf.
e. Seizure response dog: A dog trained to assist persons with seizure disorders. Some dogs are trained to predict seizures and provide advance warning.

3. The care and supervision of the service animal is the responsibility of the handler. The College will identify safe areas to allow for basic needs of the animal. The animal must have a harness, leash, or other tether unless the handler is unable to use such equipment or it would interfere with the animal’s safe, effective performance of work or tasks, in which case the animal must be otherwise supervised (e.g., voice control, signals, etc.).

C. Service Animal Accommodation Request Process:
1. The Office of Accessibility must be informed of any individual, student or employee, if an individual plans to or has a service animal on campus.
2. Licensing: If the animal is residing on campus it is the owners/handlers responsibility to comply with the Town of Colonie’s licensing policy. Requirements include current vaccination against rabies at the time of application.
3. Students will be expected to apply for a license with the Town of Colonie even if the animal is registered with another municipality. There is no fee associated with this process for a service animal.
4. Health: The animal should be in good health, well-groomed and care should be taken for flea and odor control. Consideration of others should be taken when providing maintenance and hygiene of the animal.
5. Service animals will be permitted in all areas of the College facilities where students are allowed to go, including programs and activities. The College may ask an individual with a disability to remove a service animal if the animal is out of control and the handler does not take appropriate action to control it, or the animal is not housebroken. In such situations, the College will give the individual with the disability the opportunity to remedy the control deficiencies in order to continue to participate in a service, program or activity on campus.
6. The student or employee will assume full responsibility for the care and management of his or her own service animal. This will include, but is not limited to, providing food, water and shelter; managing the animal’s behavior on campus and in the community; maintaining health and wellness; and disposing animal waste in an appropriate manner.

7. The service animal must be harnessed at all times and the handler/partner must be in full control of the animal when it is working.

D. **Conflicting Disabilities:**
   It is likely that persons at the College may have a disability that precipitates an allergic reaction to animals. Persons who have asthma/allergy/medical reaction to the animal are directed to make their complaint to the appropriate offices (Office of Accessibility for student complaints and the Office of Human Resources for employee complaints). The person making the complaint must provide verifiable medical documentation to support their claim. In consultation with the Director of Health Services, action will be taken to consider the needs of both persons to resolve the problem as efficiently and effectively as possible.

E. **Service Animals in Residence Halls:**
   1. If the student resides on campus, the service animal may be off leash in the student’s residence room when not working.
   2. The guidelines for conflicting disabilities may apply in the residence halls. If there is an allergy/animal conflict within a residence hall that cannot be resolved agreeably, then the Office of Community Living in consultation with the Office of Accessibility will collaborate on a solution. It should be noted that if the first person that has been permitted into the residence hall uses a service animal and a second person with severe allergies then arrives, the first person cannot be removed to accommodate the second person.

F. **Complaints:**
   If there is any complaint regarding the animal and its behavior, Public Safety, the Vice President for Student Life, or designee, or the Office of Human Resources (in the case of an employee), should contact the student or staff member and, in collaboration with the Office of Accessibility Director, inform the student or employee of the policies regarding service animals.

VII. **Emotional Support Animal Policy**

A. **Definition:** An Emotional Support Animal (ESA) is any animal that does not meet the definition of “Service Animal” outlined in Siena College policy, but provides emotional support that alleviates one or more symptoms or effects of a residential student’s disability.

B. **Qualifications and Process:**
   1. With advance approval, a student with a disability may have an ESA in their residence hall as an accommodation. The ESA must stay within the confines of the residence hall and grounds immediately surrounding the hall. Only animals that do not pose a direct threat to the health or safety of others, would not cause substantial physical damage to College property or the property of others, or do not fundamentally alter housing operations will be allowed.
   2. Though a request may be made to the Director of the Office of Accessibility at any time, requests supported by appropriate documentation need to be made at least two weeks
prior to the animal’s arrival on campus, so that the College can review the request thoroughly.

3. The request must be supported by documentation from a licensed mental health professional (e.g., psychologist, psychiatrist, social worker) or otherwise qualified medical professional (e.g., a physician or physician’s assistant) who is providing ongoing treatment for the condition that causes the disability. The documentation must include the information requested on the College’s Request for Information Re: Emotional Support Animal form. That form requires the student and their treating professional to provide, in general, information about:

   a. The student’s physical or mental impairment and how it substantially limits one or more major life activities;
   b. The proposed ESA; and
   c. Why, in light of the student’s disability, the ESA is necessary to provide the student an equal opportunity to use and enjoy College housing.
   d. More detailed requests for information under these sub-headings are outlined on the Request for Accommodation Re: Emotional Support Animal form.

4. Prior to approval, the student must provide a physical description of the animal, and must agree that if their request to reside with an ESA is granted, they will comply with all of the terms and conditions of the College’s Emotional Support Animal Agreement, which include the “Responsibilities of the Owner” specified below.

5. The request will be reviewed by a committee that is composed of representatives from Community Living, the Counseling Center, the Dean of Students Office, and the Office of Accessibility. In some circumstances, a student may need to sign a release for a Counseling Center representative to speak directly with their mental health provider.

6. It is the responsibility of the student to contact the Dean of Students or the Title IX Coordinator & Equal Opportunity Specialist should they wish to discuss or file a complaint about any aspect of Siena’s policies/procedures or about the actions of any student, visitor or employee of the College.

C. Responsibilities of the Owner:
Owners granted the accommodation of an ESA in their residence hall unit shall be subject to the following rules, in addition to any other College rules not specifically related to ESAs. The owner must:

1. Keep the Animal in Residence Hall Unit. An ESA must be contained within the owner’s privately assigned individual living accommodations except to the extent the owner is taking the animal out for natural relief. When the animal is outside the private individual living accommodations, it must be in an animal carrier or controlled by a leash or harness. ESAs are not allowed in any College facilities other than the housing to which the resident is assigned.

2. Keep the Animal under Control. The ESA must be properly housed and restrained or otherwise under the dominion and control of the owner at all times. No owner shall permit the animal to go loose or run at large. If an animal is found running at large, the animal is subject to capture and confinement and immediate removal from College housing.

3. Abide by Laws and Policies. The owner must abide by current city, county, and state ordinances, laws, and/or regulations pertaining to licensing, vaccination, and other
requirements for animals. It is the owner’s responsibility to know and understand these ordinances, laws, and regulations. The College has the right to require documentation of compliance with such ordinances, laws, and/or regulations, which may include a vaccination certificate and license. Additionally, the owner must abide by all equally applicable residential policies, such as assuring that the animal does not unduly interfere with the routine activities of the residence or cause difficulties for individuals who reside there.

4. Ensure the Animal is Well Cared-For. The owner is required to ensure the animal is well cared for at all times. Any evidence of mistreatment, abuse, neglect, or leaving the animal unattended for unreasonably long periods of time may result in immediate removal of the animal and/or discipline for the responsible individual pursuant to the College Student Code of Conduct and/or any housing-related sanctions. College personnel will not provide care or food for any animal including, but not limited to, removing the animal during emergency evacuation for events such as a fire or fire alarm. Emergency personnel will determine whether to remove the animal and may not be held responsible for the care of, damage to, or loss of the animal. Additionally, ESAs may not be left overnight in College housing to be cared for by any individual other than the owner. If the owner is to be absent from his/her residence hall overnight or longer, the animal must accompany the owner. The owner is responsible for ensuring that the animal is contained, as appropriate, when the owner is not present during the day while attending classes or other activities.

5. Be Responsible for Property Damage. The owner is required to clean up after and properly dispose of the animal’s waste in a safe and sanitary manner and, when provided, must use animal relief areas designated by the College. An individual with a disability may be charged for any damage caused by his or her ESA beyond reasonable wear and tear to the same extent that it charges other individuals for damages beyond reasonable wear and tear. The owner's living accommodations may also be inspected for fleas, ticks or other pests if deemed necessary. If fleas, ticks or other pests are detected through inspection, the owner will be billed for the expense of any pest treatment above and beyond standard pest management in the residence halls. The College will have the right to bill the owner's account for unmet obligations under this provision.

6. Notify the Office of Accessibility if ESA is No Longer Needed.

7. An ESA is allowed in College housing for only so long as it is necessary because of the owner’s disability. The owner must notify the College’s Office of Accessibility if the ESA is no longer needed or is no longer in residence. If an owner wishes to replace an ESA, the owner must, at a minimum, provide with respect to the proposed replacement ESA the information about proposed ESAs that is requested on the Information About the Proposed ESA portion of the Request for Information Re: Emotional Support Animal form; the Office of Accessibility will determine on a case-by-case basis what other information and related documentation needs to be provided with respect to a proposed replacement ESA. The committee referenced above will determine whether to approve or deny a request for a replacement ESA.

D. Remove the Animal if Directed by the College:

1. The College reserves the right to direct the student to remove the animal from campus if:
   a. The animal poses a direct threat to the health or safety of others or causes substantial property damage to the property of others, including College property;
   b. The animal’s presence results in a fundamental alteration of a College program;
c. The owner does not comply with the Responsibilities of the Owner set forth above and/or an Emotional Support Animal Agreement signed by the owner; and/or
d. The animal or its presence creates an unmanageable disturbance or interference with the College community.

2. Violations of this policy will be referred to the Dean of Students Office.

VII. Philosophy on Sexual Intimacy

A. Introduction:
As a community guided by our Franciscan and Catholic teachings, the College seeks to encourage and support a diverse community of belonging that is characterized by respectful relationships. Our traditions hold that sexual intimacy is most properly expressed as part of an all-encompassing union of life and love within the covenant of marriage. The College’s philosophy is guided by reverence for human dignity, understanding that sexual activity profoundly impacts an individual on a biological, psychological and spiritual level and the value of the fundamental goodness and sanctity of human sexuality. Acts of sexual intimacy outside of marriage are an incomplete expression of love and are contrary to the values and mission of the College.

Because of the values of the College as a Franciscan and Catholic institution, the College does not provide materials, dispense or distribute contraceptive methods or items that encourage termination of pregnancy. The College maintains programming and services related to healthy relationships, sexual health and education. We are committed to educating students and facilitating discussions around these issues.

B. Centers and Service:
The following centers and services are available on campus for further information and support regarding healthy relationships, sexual activity and the College’s philosophy on sexual intimacy:

1. Siena College Health Services (an affiliate of St. Peter's Health Partners) – Our staff of nurse practitioners, nurses, physician assistants and a physician provide confidential conversations and services related to a broad range of health related concerns. These services include gynecologic exams, evaluation and treatment of sexually transmitted infections and pregnancy testing. Referral services are available to a variety of physician specialists on an as needed basis.

2. Counseling Center – the center provides confidential counseling services free of charge to support the personal, emotional and physiological management of relationships, sexual health and sexual intimacy.

3. Campus Ministry – the Office of the College Chaplain and Friars-in-Residence are available for confidential discussions related to matters such as sexual health, healthy relationships and sexual intimacy.

4. Office of the Vice President for Student Life/Dean of Students – available for conversations about policy, education or other concerns related to the College’s approach to promoting healthy choices, self-respect and respect for others.

5. Sr. Thea Bowman Women's Center - provides programming, peer education and trainings related to health and wellness, including healthy relationship and sexual violence prevention workshops.
Residential Facilities, Living Guidelines and Procedures

I. Facilities
   A. Furnishings:
      1. College owned furnishings are to remain in the room/suite/townhouse at all times and cannot be placed or used outside.
      2. Students are not allowed to bring personal furniture to campus unless it is clearly labeled as being flame retardant.
      3. Furniture cannot be removed from MacClosky Townhouses, Snyder Hall, Padua Hall, Hines Hall, or Ryan Hall.
      4. For some residential areas (Cushing Village, Hennepin Hall, and Plassmann Hall), as availability allows, furniture requests to have specific items removed from the room/suite/townhouse may be made only with the prior approval of the Residence Director by completing a furniture request form online within the first week of each semester.
      5. Students who use College furniture or fixtures placed in their rooms for other than the intended use assume responsibility should an accident or injury occur.
      6. For safety reasons, students may not bring their own loft kits.
      7. Students wishing to have their bed bunked or lofted may contact their Residence Director to request this within the first week of each semester. Students are unable to use a personal (non-College issued) mattress unless approved by the Health Services office for documented medical needs.
      8. Students who bring personal outdoor furniture (lawn chairs, etc.) cannot leave these items unattended. Unattended furniture will be removed and discarded by College staff.
      9. For Townhouse residents, outdoor furniture can be left on the townhouse stoop provided it does not block entry/exits.
     10. Please reference the section on Residence Hall/Townhouse Safety and Security for additional information on acceptable and prohibited furnishings relating to safety issues.
   B. Facility Concerns/Repairs:
      1. All requests for standard repairs to residence hall rooms/townhouses or routine work orders must be made by e-mailing facilities management at fwr@siena.edu. For urgent items, the Service Desk can be reached by phone at 518-783-2371 during normal hours of operation 7:30 a.m. - 4:30 p.m., Monday-Friday.
      2. For emergency situations or urgent items outside of normal hours of operation, please contact Public Safety at 518-783-2376.
      3. Once a work request is placed, an e-mail confirmation will be sent. Students should review this information for accuracy. When the work request is complete, the individual who submitted the request will receive a confirmation of its closure and what services were rendered.
      4. There are no associated costs for normal maintenance and repair.
      5. If there are to be charges associated with the repair, the work request will be labeled “chargeable” or “vandalism.” In this case, the appropriate parties will be charged through the Office of Community Living.
      6. Please note that all furniture removal/repairs, loft requests, and key requests must always go through the residence director.
      7. In order to facilitate a timely repair, a student understands that when placing a work order or requesting a work order be placed for his/her room, the facilities staff has permission
to enter the residence to complete the work order without a resident present. It is assumed that when a student submits a work order or requests a work order be submitted that he/she is speaking as a representative for all the residents with that particular space. Generally, repairs will begin after 9:00 am unless an emergency dictates otherwise.

C. **Individual Room/Suite/Townhouse Upkeep:**
1. Students are responsible for cleaning their rooms and townhouses and for keeping them in good order. All students are expected to check out properly and thoroughly clean their rooms/townhouses prior to departure, including bathrooms and the kitchen (which includes appliances).
2. Students may not paint or perform damage repairs in their room/suite/townhouse.
3. Charges will be assessed for cleaning, painting, and any other additional work needed to restore the room to its original condition.
4. Students will have the opportunity to review an individual room condition report/individual townhouse report upon move-in to document the condition of the room/furnishings upon move-in. It is the resident’s responsibility to review this document in their online housing portal within the first two weeks of the semester.
5. Students who fail to do so will be held accountable for all damages found upon move-out inspection by community living and facilities staff and are not able to appeal damages.

D. **Residence Hall Damage Billing Assessment:**
1. As members of the residential community, all students take responsibility for their living environment, both their immediate room/suite/townhouse, as well as the entire building/area.
2. Student accounts will be billed directly for individual and community damage (this includes areas outside specific residential facilities and identified clusters of townhouses). Students will receive an itemized list of individual damage charges via e-mail to their Siena email account. Students may appeal individual damages, as directed on instructions included with their damage bill.
3. Damage assessments will be considered in the review of housing assignments for the subsequent term and may result in a cancellation of the housing license for either the responsible party and/or entire floors/wings of where the damage occurred.
4. The College reserves the right to relocate or assign students to housing of the College’s choice and/or place students on conditional/probationary housing status for a defined period of time.
5. Students with billable damage (individual and/or communal) in excess of $100 may be reassigned to other housing or have their license cancelled immediately.
6. Students with billable damage above $50.00 may be subject to more frequent health and safety inspections.

E. **Communal-Area Damage:**
1. Students are responsible for preserving the condition of their wing, floor and building or townhouse, as well as the surrounding area.
2. Students with information about who is responsible for acts of vandalism/damage are expected to report these actions to Community Living, Public Safety and/or the Dean of Students. Students may report information anonymously through Public Safety’s Anonymous Tip/Complaint Form located at [http://www.siena.edu/anonymous](http://www.siena.edu/anonymous).
3. When the College is unable to determine who is responsible for communal-area-damage, the costs will be equally distributed among all residents living on the wing/floor/building/area. These charges may not be appealed.

F. Snow Removal:
Shovels are available in all residence hall offices and in Public Safety for student’s personal use. Townhouse residents are responsible for snow removal from the entranceway, steps (where applicable), and the pathway leading to a primary pathway. All residents of the MacClosky Square and Cushing Village Townhouses are provided with a shovel that is to be used for clearing stoops and entrances.

G. Recycling:
Siena College is committed to preserving its environment through recycling. Students are expected to support recycling initiatives in their residence hall or townhouse by utilizing the recycling bin/single-stream recycling located in each hall. Please make sure all glass, tin, and aluminum items are empty and rinsed clean.

H. Technology:
All student housing includes computer networking and Internet connections, which are provided by the College’s Information Technology office. Basic cable television service is available to students residing in townhouses and the residence halls from a contracted vendor. Students should contact the vendor directly for inquiries related to purchasing additional packages and/or connectivity issues by calling their customer service center and identifying yourself as a student a Siena College.

I. Mail/Post Office Box Information:
Resident students are assigned a Student Post Office Box (SPOB). Students may be required to share their mailbox with another student. Mailboxes, except for the residents of Snyder Hall, are located in the Sarazen Student Union. Residents living in Snyder Hall will be assigned a Post Office Box located in Snyder Hall. A $20.00 replacement fee will be charged to any student who loses or does not return their SPOB key upon graduation or leaving the College (withdrawal, transfer, etc.).

II. Housing Policies and Procedures
Students or groups of students who fail to adhere to residence hall and townhouse safety policies and procedures may be held accountable through fines, damage billing and/or disciplinary referrals.

A. Housing License Agreement:
1. All full-time undergraduate students, with the exception of commuters (as defined at the time of admission) are required to live in College residence facilities, to the extent that space is available, and purchase a food-service plan. The College has a four year residency requirement for all residential students.
2. Student participation in the housing selection process or signing of the housing license at any time acknowledges student understanding of the College’s residency requirement as outlined in Siena Life. Continuing students who fail to reserve space for the next academic year during housing selection will be assigned to any available space (after new and transfer students are housed) and will be billed for room and food service.

B. Closing Periods:
1. Designated closing periods, Thanksgiving, Christmas/Winter break, Spring break, Easter, Senior Week, and summer are not included in the Housing License Agreement. Students may leave personal belongings in assigned accommodations during periods of break, except during summer break, at their own risk. Information on break closings and openings will be posted on the website and sent via e-mail reminders during the academic year.

2. Students must submit a vacation housing request form online, provide written verification when requested, and be approved for occupancy during times when the campus and residence halls are closed. During these break periods, there will be no student staff members on duty.

3. Support services customarily provided by these staff members will not be available to students. Food service may have limited hours/availability depending on the vacation period.

4. Students who are currently on residence hall or disciplinary probation are not eligible for housing during breaks. Early arrivals for the fall and spring semesters are not permitted except for extraordinary circumstances and upon advanced approval from the Office of Community Living.

5. Students authorized to reside in campus housing during non-license periods (e.g. prior to and following the license period or during breaks) may be charged an additional fee and are not permitted to host guests. Anyone who arrives prior to the posted opening times in the housing agreement will not be admitted to the residence facility and/or will be charged a $75.00 per-night unauthorized occupancy charge and/or face disciplinary action.

6. If damage occurs in a residential area during the break period, the students staying in that area may be held responsible.

C. Winter Recess:
Residential facilities will be completely closed during a portion of the winter break. Students authorized to return early during the winter break must be approved through the Office of Community Living.

D. Summer Housing:
Students are not required to live on campus during the summer. Summer housing is only available for a specific, defined period. Information regarding summer housing availability changes from year to year. For the most up to date information, please visit the Community Living website or email housing@siena.edu

E. Housing Assignments:
1. The Office of Community Living coordinates the housing assignments for all new and returning students. All housing assignments are based on single-sex housing per residence hall room, suite, and townhouse.

2. Transgender Student Housing Policy
a. Siena College strives to maintain a safe and inclusive community where individuals are respected and differences are celebrated.

b. Students who identify as transgender are asked to discuss their housing options, room assignments and/or the living environment at Siena College with the Director of Community Living or designee. Typically, we assign students within the College’s same sex housing practice. We will assist transgender students with their
residential placements on a case by case basis, including access to housing consistent with their gender identity. We encourage students to discuss housing options as soon as possible while the widest range of options is still available.

3. New Residential Students  
   a. New resident students will complete their housing application, which includes the Housing License Agreement, meal plan selection, and lifestyle and roommate preferences before arriving on campus.  
   b. Specific deadlines and processes are communicated to the student’s Siena email account.

4. Returning Residential Students  
   a. Returning resident students may select from available housing for the upcoming academic year through the selection process held in the spring semester. Specific information regarding the lottery process will be available online in the spring semester prior to room selection.  
   b. Students must be registered for a minimum of 12 credits in order to maintain a housing assignment unless approved by the Director of Community Living.  
   c. Any student not at the minimum credit level by July and January may jeopardize his/her housing space for the upcoming semester.  
   d. The order for determining priority is via random assignment based on the student's class status.

5. Study Abroad Students  
   Student residents who are studying abroad or enrolled in off campus, short term study programs during the housing selection process will receive a housing selection time based on criteria noted above and may designate a proxy for the selection if the student is concerned about internet connectivity while abroad.

6. Living with Others  
   a. For some, living with one or more roommates is a new experience. Sharing a room/suite/townhouse with another person or persons requires communication, cooperation, and compromise.  
   b. Students should discuss these expectations to form a starting point for communicating concerns and general agreements.  
   c. To a large extent, the relationship between roommates is dependent upon mutual consideration of the feelings and needs of the other person. This mutual consideration affords all roommates the expectation:
      i. to be able to live, study and sleep free from undue interference in a room  
      ii. that roommates will respect each other’s personal belongings  
      iii. to be able to live in a clean environment  
      iv. to have free access to one’s room and facilities without pressure from a roommate  
      v. of being respectful of another person's privacy  
      vi. to be able to host guests in compliance with College policies at agreed-upon times, and with the expectation that guests are to respect the rights of the host’s roommate(s) and other resident students  
      vii. of being free from fear or intimidation, physical and/or emotional harm of being able to refuse requests without having to feel guilty or selfish
viii. that any and all disagreements will be discussed with openness and mutual respect, and that it is acceptable to involve a Community Living staff member when necessary

7. Students are encouraged to see their Resident Assistant or Residence Director if they feel their roommate is infringing upon their rights and attempts to resolve the situation are not working.

8. Room Change
   a. Students may request a room change from their Residence Director or the Associate Director of Community Living. Room changes will be considered provided space is available. Any room changes occurring without the prior approval of the Residence Director or the Associate Director of Community Living may result in the room change being cancelled and the student relocated back to their original assignment.

III. Residence Hall and Townhouse Safety

A. Student ID/Saint Card:
   Students are expected to carry their Saint Card ID at all times for access and identification. For security and safety reasons, ID cards must not be lent or given to other parties.

B. Access System:
   1. Each residence hall is equipped with an access control system, which utilizes the Siena College Saint Card to gain access.
   2. The outside doors to each residence hall are locked 24 hours a day.
   3. Residents have access via their Saint Card to the main entrance and other designated doors of their residence hall 24 hours a day during the periods that the housing license is in effect.
   4. The Saint Card enables students (commuters and residents) to visit friends in residence halls 9 a.m. – 1 a.m., Sunday – Thursday, 9a.m. – 2 a.m. on Friday and Saturday.
   5. Residents have 24-hour access to their own residence hall.
   6. Unauthorized entry to or use of residence facilities is not permitted.
   7. Propping open and/or opening any residence hall exterior door without proper use of an ID card compromises the safety of the residential community and may result in disciplinary action.
   8. Non-matriculated students do not have access to residence facilities and must be registered as a “guest.”

C. Keys:
   1. Each student is issued a room/townhouse key exclusively for her or his personal use. Students must immediately report any damaged or non-working locks to their Residence Director or to Public Safety.
   2. Lost, stolen, or missing keys require a core change, and the student will be responsible for the costs.
   3. For reasons of safety and security, keys may not be duplicated or shared.
   4. All students must return their room keys to their hall/area office before they withdraw, change rooms, study abroad, or leave for summer vacation.

D. Emergency Exits:
   Doors labeled Emergency Exit Only are not to be used except in the event of an emergency (fire alarm, etc.).
E. **Windows/Screens:**
1. Screens and glass windowpanes may not be removed from the windows.
2. Broken or damaged windows and/or screens should be reported to the Residence Director or Facilities immediately.
3. Using windows to exit or enter a building (other than in emergency situations) or passing items through windows is prohibited.
4. Screens should remain securely in windows at all times and should not be removed or allowed to hang by the security wire.
5. No objects may be placed on window ledges. Placing stereo speakers in student room/townhouse windows is prohibited.
6. Individuals may not sit or walk on window ledges.
7. Nothing may be thrown from windows or from the ground up to a window because these objects may cause injury and are a health/safety risk. Students are subject to College disciplinary action, including a cancellation of the housing license or removal from housing, for throwing items to or from windows.
8. Townhouse residents are responsible for the cleaning and/or cost of cleaning townhouse windows. All students are responsible for broken windows in their residences unless the responsible party can be identified and charged accordingly.

F. **Lost/Damaged/Stolen Property:**
The College is not liable for lost, damaged, or stolen personal property. Students are responsible for keeping their rooms/townhouses (including windows) locked at all times. The College urges all students to invest in adequate personal property insurance. Losses should be reported immediately to the Residence Director and to the Department of Public Safety.

G. **Acceptable Furnishings:**
When used properly, the following appliances (U.L. approved only) can be used in the residence halls and townhouses:
- U.L. approved power strips
- Portable hair dryers/curlers with automatic shutoff
- Lamps (except halogen)
- Electric kettles and hot pots with automatic shutoff
- Coffee/tea makers with automatic shutoff
- Irons with automatic shutoff
- Refrigerators (2 cu. ft. or 4 cu. ft. only) or Microfridge — as approved by the College vendor
- Fish (in five-gallon aquariums or smaller)
- Battery-operated string lights that are UL-approved are allowed in residential facilities
- Battery-operated or LED string lights (e.g., rope lights, string lights, holiday lights) in good working condition (no frayed or bare wires, cracked sockets, loose connections or damaged insulation) are permitted. LED lights are acceptable only if they are labeled with Underwriters Laboratory (UL) approval and designated as indoor lighting. Tags with this information are required to be on each string of lights. String lights may not be mounted on doors or doorframes or placed over doorways, on ceilings, go through windows or wrapped around any sprinkler piping, furniture or other cloth items. String lights may not be attached with nails or staples. String lights
must be plugged directly into an outlet or surge protector and may not be strung together

I. Residential Fire Safety Precautions:
1. Fire safety inspections will be conducted periodically. Residence Directors and/or the College safety officer, will inspect student rooms and townhouses at least once each semester. The inspection will look for fire, health, life safety hazards, proper waste disposal, and prohibited items. In the townhouses, more frequent inspections occur and the College-supplied fire extinguishers and emergency lighting will also be inspected.
2. In the interest of safety and protection of property, Siena students are urged to exercise caution in the use of all electrical appliances and, in the townhouses, the heating system. Residents may not tamper with the heat meters and/or thermostats. Each residence hall room and townhouse is equipped with a smoke detector and sprinkler system. These early-warning devices are not to be covered and/or tampered with under any circumstances. Each townhouse is provided a fire extinguisher, and students should become familiar with its proper use. Townhouse residents must immediately report discharged fire extinguishers to Public Safety. During regularly scheduled safety inspections, fire extinguishers in each townhouse will be checked to make sure they are in operating order. All fires must be reported to Public Safety.
3. Access to the room must be kept unobstructed for emergency first responders. No furniture may block hallways, corridors, walkways, fire lanes and/or stoops. In addition, no furnishings will be allowed to reduce the normal height and width of the door opening. The College may require students to remove any item blocking any area or any items considered safety hazards that may impede access by emergency services personnel. This includes residence hall and townhouse areas, interior and exterior.
4. Procedures for Responding to a Fire Alarm:
The building must be evacuated immediately any time a fire alarm is sounded. This is defined as exiting the building completely and remaining at least 50 feet from the perimeter of the building until an announcement is made that it is safe to re-enter. Familiarize yourself with the College’s Emergency Response Guide, and the evacuation map for your building.

IV. Residence Hall Policies

A. Responsibility:
Students are responsible for what occurs in their room/suite/townhouse, whether or not they are present, if the responsible parties cannot be identified.

B. Solicitation in the Residential Facilities:
Soliciting or canvassing, political or otherwise, by outside agencies other than those approved by the Director of Community Living and / or the Director of Student Activities and Leadership Development or designee is prohibited. (See Solicitation Policy for further information).

C. Student Fundraisers/Drives:
Students or student groups wishing to conduct a fundraiser/drive in the residential areas must get advance permission from the Director of Community Living. To respect the privacy of resident students, students/groups may not go door to door in residence areas and must operate out of the lobby/lounge area. Furthermore, students/groups must follow all College/Community Living guidelines while fundraising.

D. Bicycles:
Bicycles must be kept in student rooms, outside in bicycle racks, or in designated bicycle storage rooms. Fire and safety regulations prohibit bicycles in stairwells, corridors, entrances and exits. Bicycles stored in unauthorized locations will be removed by the Public Safety Department.

E. Roofs/Attics:
Students, visitors, and guests are not permitted on any roof or attic of any college building.

F. Hall Sports:
No sports may be played in residence hall hallways because of potential injury or damage to fire safety systems, lights, etc., and the noise associated with such activities.

G. Littering and Trash:
1. Students are responsible for taking their trash to the appropriate trash room/bin for their residential building/area.
2. Trash bins located in public bathrooms are not the appropriate disposal area for room trash.
3. Removal of garbage found on stoops and in hallways will be billed to the residents of that particular area.
4. Broken glass around residential areas poses a significant safety risk. The cleanup cost for glass removal will be billed to residents of that area.

H. Sprinkler System/Fire Safety Equipment:
Hanging from or leaning on the sprinkler system piping and/or tampering with any fire safety equipment (e.g. pull boxes, Stopper II covers, smoke or heat detectors, fire-alarm speakers in suites, fire extinguishers, exit signs, etc.) is strictly prohibited.
Public Safety Emergency Information//Parking

I. Department of Public Safety

A. The Public Safety Department is open 365 days per year, 24 hours a day. If calling from a cellular phone or from an off-campus location, the department may be reached by calling 518-783-2376. In the event of an emergency, Public Safety can be contacted in the following ways:

1. The department operates an internal 911 emergency telephone system on campus. This number may be called from any landline telephone on campus,
2. If using a cellular phone during an emergency, students should call 518-783-2999. This number rings in on the campus 911 emergency telephone line. Students are strongly encouraged to program this number into their cell phone address book.
3. Emergency call boxes are located throughout campus. These boxes are highly visible and all have a blue light to mark their locations.
4. Several direct-dial telephones also are located throughout campus. These phones automatically dial the Public Safety office when the receiver is lifted.
5. Emergency (blue) buttons have been installed in the Morrell Science Center and a 24-hour computer lab in the library. These buttons are connected to the building alarm system and send an alarm to the security dispatcher, who will then dispatch an officer to that location.

B. Emergency Preparedness: Siena College’s Emergency Response Plan has been established to provide advance planning for emergencies that affect the overall operation of the campus. The College tests the emergency communication and notification systems each semester. Please familiarize yourself with the emergency information page at www.siena.edu/emergencyinfo, which provides basic what-to-do information in case of an emergency. The following is a list of the systems in place for emergency notifications to faculty, staff and students.

1. Siena Alert: This notification system enables College officials to send urgent text alerts to cell phones with text message capability, e-mail accounts and pagers. Students are responsible for individually subscribing to the Siena Alert system and for any charges their service providers may impose for delivering the text messages. Students are strongly encouraged to register for Siena Alert at www.siena.edu/sienaalert.
2. Emergency Call Boxes: There are 36 emergency call boxes with a constant blue light located throughout the College property. Each call box is equipped with a yellow strobe light and siren/speaker. In the event of an emergency, the siren and strobe will activate. A message will follow to alert the campus that there is an emergency and detail what action should be taken by the listener.
3. Siena Website: In the event of a major emergency, the College home page (www.siena.edu) will provide critical information and updates to the community. In the event of an emergency that does not interfere with the overall operation of the College, information and updates will be posted in the campus alerts box located on the emergency information Web page (www.siena.edu/emergency-information).
4. Public Address Systems: PA systems are located in all residence halls and the majority of classroom buildings.
5. Campus Gates: In the event of an emergency that requires limited access to campus as instructed by the law enforcement agency in charge, the gates to the campus will be
closed and the Welcome Booth will be staffed with public safety personnel to provide direction.

6. Welcome Booth/Gates: The Public Safety Department operates the Welcome Booth, located at the main entrance to the College off Route 9. The Welcome Booth provides a centralized entrance and check-in after hours. When the Welcome Booth is open and staffed, all entrance to the campus will be through the main entrance to the College on Route 9. Campus gates close nightly at 9:00 p.m. The only exception is the gates off Fiddlers Lane (Middlefield and St. Francis), which must close at 6:00 p.m. on Friday and remain closed until Monday morning because of town agreements. The Welcome Booth operates Thursday, Friday and Saturday nights from 9:00 p.m. to 4:00 a.m. Welcome Booth and gate hours are subject to change based on events and programs on campus. Whenever possible, the Public Safety Department will notify the community of changes in normal operations. The booth will be staffed by a public safety officer with Internet capability as well as hard-copy student and guest registration rosters. For additional information regarding the operation of the Welcome Booth, please contact Public Safety at 518-783-2376.

II. Crime Reporting /Confidential Crime/Incident Reports

A. Reporting a Crime:
Community members, students, faculty, staff, and guests are strongly encouraged to accurately and promptly report all crimes and public safety related incidents to the Siena College Department of Public Safety as soon as possible. In addition, they are also encouraged to accurately and promptly report all crimes to the appropriate law enforcement agencies. Reporting crimes to the Department of Public Safety and local law enforcement agencies is encouraged when the victim of such crime elects to, or is unable to, make such a report.

B. The Department of Public Safety, along with the College, will make every effort to safeguard any personally identifiable information. However, the College may be required to share information, but will only do so, when it is necessary or as required by law; therefore, we cannot guarantee confidentiality and/or your anonymity in all cases, but will take extra measures to protect your privacy. A report allows the college to investigate the incident, conduct any follow up actions, and help reduce risk and improve your safety as well as the safety others. With this information, Siena can also keep an accurate record of the number of incidents, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the College.

C. To report a crime or an emergency on the campus of Siena College:
1. Call Public Safety at extension 911 from any phone on campus, from outside the Siena phone system, call 518-783-2999.
2. To report a non-emergency security or Public Safety related matter, call Public Safety at extension 2376 or, from outside the Siena phone system, 518-783-2376.
3. In response to a reported crime or emergency, dispatchers are available at these respective telephone numbers 24 hours a day to answer your call. In response to a call, Siena Public Safety will take the required action, dispatching an officer or asking the victim or witness to report to Public Safety to file an incident report.
4. If assistance is required from the Town of Colonie Police Department or Colonie Fire/EMS, Public Safety will contact the appropriate unit.

5. Incidents may also be reported directly to the Colonie Police by calling 518-783-2811 for non-emergency calls. Call 911 from cell phone or a non-campus phone line for emergencies. Please note, direct 911 calls to Colonie police from on-campus will generally result in the police department calling Public Safety to meet them and guide them onto campus to the correct location.

6. Any community member may also report a crime by using any of the emergency call (blue light) boxes located in strategic areas around campus. The emergency call box locations are identifiable by blue lights displayed above the boxes.

7. Crimes may also be reported anonymously to Public Safety. Use the anonymous tip page on the Public Safety website or go directly to www.siena.edu/anonymous

8. Crimes may be also reported confidentially as outlined in the following section.

9. Any suspicious activity or person seen in the parking lots or loitering around vehicles, inside buildings or around Residential Halls should be reported to Public Safety.

D. When a crime is reported, the victim will be provided information about reporting options: including notifying the victim of their right to notify police, to have a staff member assist them with notifying the police if they so desire and that the victim has the right not to inform the police. Public Safety incident reports and any related investigatory reports will be forwarded to the appropriate College officials.

E. Information about on-campus and off campus resources is provided later in this report. The information is made available to provide Siena community members with specific contact information in the event they become the victim of a crime. Even though victims may reach out to various resources, individuals should still report crimes to the Department of Public Safety to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

F. Campus Security Authorities:
1. The Clery Act identifies Campus Security Authorities as an official of the institution who has significant responsibility for student and campus activities. This individual has the authority and the duty to take action or respond to particular issues on behalf of the institution. Examples of individuals who meet the criteria of a CSA include but are not limited to, Dean of Students, Director of Athletics, team coaches and faculty advisors to a student group/organization.

2. Campus Security Authorities (CSA) are required to report crime statistics. Under the Clery Act, a crime is “reported” when it is brought to the attention of a Campus Security Authority (CSA) or local law enforcement personnel by a victim, witness, other third party or the offender regardless of one’s involvement with the crime or affiliation with the institution. If a CSA receives the crime information and believes it was provided in good faith, he or she should document it as a crime report. In “good faith” means there is a reasonable basis for believing that the information is not simply rumor or hearsay. That is, there is little or no reason to doubt the validity of the information.

3. CSA’s must report Clery Act crimes as soon as possible, to Public Safety (even if they’ve informed others) and tell Public Safety what happened, when it happened, and where it happened. Reporting may be done by phone or in person to Siena College Public Safety, Hines Hall, East Wing or calling 518-783-2376.
4. Campus Security Authorities are not required to share the identities of those involved unless the report involves the crimes of sexual assault, domestic violence, dating violence and stalking which require all information to be shared with the Title IX Coordinator.

5. At Siena, there are three categories of staff, who are not campus security authorities as defined and explained below:
   a. Pastoral counselors: A person who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling and is functioning within the scope of that recognition as a pastoral counselor. At Siena this would be the Office of the College Chaplain and the Friars.
   b. Professional Counselors: A person whose official responsibilities include providing mental health counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification. This definition applies even to professional counselors who are not employees of the institution but are under contract to provide counseling at the institution. At Siena this would be the staff of the Counseling Center.
   c. Siena College Health Services medical providers, including the Director, who is a practicing Nurse Practitioner, are not considered CSA’s by the College. These medical providers are encouraged to report crimes with non-identifying information to Public Safety for the purposes of anonymous statistical reporting under the Clery Act.
   d. Campus Security Authorities are required to complete training annually.

III. Voluntary Confidential Reporting

If you are the victim of a crime and do not want to pursue action within the Siena College Student Conduct System or the Criminal Justice System, we strongly encourage you to make a report. The Department of Public Safety, along with the College, will make every effort to safeguard the privacy of a report. However, the College may be required to share information, but will only do so, when it is completely necessary; therefore, we cannot guarantee total privacy and your anonymity, but will take extra measures to protect them. A report allows the Department of Public Safety and other responding College officials to protect your safety as well as the safety others. With such information, Siena College can keep an accurate record of the number of incidents, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the College.

IV. Disclosure of Crime Statistics

A. In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (formerly The Student Right to Know and Campus Security Act of 1990), Siena College’s Public Safety Department compiles annual crime statistics for the College. The department is also responsible for timely warning notifications of crime on campus to the campus community.

B. Notice of crime on campus is made in several ways. Daily crime reports are received by the Public Safety Department. These reports can be received either through direct reporting from a crime victim, crimes observed while on patrol by public safety staff, through mandated reporters (as specified by the Clery Act), or from police departments that may respond to incidents on or adjacent to campus. On a daily basis, the reports received are evaluated. In instances where a specific threat may still exist to the community or where an ongoing course
of conduct may be observed, an immediate notice to the community may be called for. Such notices are called “security alerts.” When called for, these notices are made in many ways, including via e-mail, voice mail and printed flyers. A daily crime report also is prepared based on the previous day’s events. The daily crime report is posted on the Public Safety Website (www.siena.edu/publicsafety) and also is available at the department’s office.

C. The assistant vice president for student life/director of public safety also prepares a statistical annual crime report. This report is based on all the College’s reported crime. The report is available in a printed format, is located on the department’s Website (www.siena.edu/publicsafety), and may be found on the U.S. Department of Education’s Website. Notice of the report is sent to all students, faculty and staff of the College. The printed report also is available upon request.

D. It is important to note that a public safety report is not necessary for crimes to be included in the College’s annual crime statistics. Statistics for the annual report are also compiled from student life sexual assault tracking forms (anonymous reports), residence directors and resident assistants’ incident reports, information from mandated reporters and anonymous crime report forms. Whenever possible, crime statistics from local police departments for crimes committed adjacent to campus are also included. The student life sexual assault tracking form and the public safety anonymous crime reporting form are both anonymous and designed to encourage victims or witnesses to report crimes on a voluntary, confidential basis.

V. Campus Public Safety Advisory Committee

A. In compliance with Article 129-a of the New York State Education Law, Siena College’s Public Safety Advisory Committee is comprised of faculty, professional staff and students. Chaired by the Assistant Vice President for Student Life/Director of Public Safety, the committee meets at least twice a semester to review current campus security policies and procedures and make recommendations for their improvement. It shall specifically review current policies and procedures for:

1. educating the campus community, including security personnel and those persons who advise or supervise students, about sexual assault pursuant to section sixty-four hundred thirty-two of this article; b. educating the campus community about personal safety and crime prevention;
2. reporting sexual assaults and dealing with victims during investigations;
3. referring complaints to appropriate authorities;
4. counseling victims; and
5. responding to inquiries from concerned persons.

VI. Emergency Information/Emergency College Closing

In the case of an emergency, such as a pandemic flu outbreak, natural disaster or similar circumstances beyond the College’s control in which the campus is forced to close, the College reserves the right to continue delivery of services through alternative means, including, but not limited to, remote instruction or changes in the weeks of a normal semester, in order to meet academic requirements. The College also reserves the right to invoke a different refund policy that will take into consideration the College’s efforts to continue the delivery of academic services. (See Weather Emergencies.)

VII. Inclement Weather and Snow Policy
A. When inclement weather approaches, students need to use their best judgment when traveling to and from campus. If students are unable to make it to class, e-mail your Professor as soon as possible.
   1. Before the storm: Siena personnel will monitor weather reports about the approaching storm and how it might affect various classes, campus events and any changes to parking on campus. A “pre-storm message” from the “WeatherAlert” e-mail address can be expected.
   2. During the storm: Siena personnel will continue to assess campus conditions and external roads and then make a decision for “closure” or “late opening.”
   3. Public notification: Information about classes and campus status will be sent/posted to the following no later than 6 a.m., if possible:
      a. School Closing Network (Local TV/Radio)
      b. Siena College website, www.siena.edu
      c. Outgoing phone message on 518-783-4299
      d. E-mail to campus personnel, including students
      e. If a text message is required to be sent via the SienaAlert System, Public Safety sends that text message.

B. If the storm occurs during work/class day, items 1 through 3 will be followed, with a decision to “close early” or “cancel evening classes/other events” no later than 2 p.m., if possible. The order for posting that decision is:
   1. E-mail to campus personnel, including students School Closings Network (Local TV/Radio)
   2. Siena College website, www.siena.edu
   3. Outgoing phone message on 518-783-4299
   4. After the storm: Facilities Management will send out information on rotation parking requirements.

VIII. Missing Student Notification Policy and Procedures

A. If a member of the Siena community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify Public Safety at 518-783-2999. Siena College Public Safety will generate a report and initiate an investigation.

B. Special Note for Students Living on Campus: In addition to registering a general emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by Siena College in the event the student is determined to be missing for a full 24 hours or as soon as it is determined that a student is missing. If a student has identified such an individual, Siena will notify that individual no later than 24 hours after the student is determined to be missing. A student who wishes to identify a confidential emergency contact can do so through the Banner Self-Service system. A student’s confidential contact information will be accessible only by authorized campus officials and law enforcement in the course of an investigation.

C. After investigating a missing person report, should Public Safety determine that the student has been missing for 24 hours, Siena College will notify Colonie Police and the student’s emergency contact no later than 24 hours after the student is determined to be missing. If the missing student is under the age of 18 and not an emancipated individual, Siena College will notify the student’s parent(s) or legal guardian immediately after Public Safety has determined that the student has been missing for 24 hours.
IX. Threat Assessment Policy

A. Working diligently in an effort to protect the safety and security of Siena’s students, employees and community is a priority of the College, but it is a shared responsibility of the College, staff, students, and his or her parents(s), guardian, and/or emergency contact. Each individual is held responsible and accountable for his or her behavior and choices and is expected to bring behaviors that are in conflict with this effort to the attention of the College.

B. Siena’s commitment to sustaining a safe environment is based on the belief that no member of our community should have to pursue his or her educational or vocational goals in an intimidating or fearful environment. This means that the College will use its best efforts to respond appropriately to each threat of violence or act of violence brought to its attention no matter the status of the person making the report. All threats by any member of our community, or an outsider who makes a threat against someone in our community, should be reported immediately to Public Safety.

X. Traffic/Parking Rules and Regulations

A. General Information:
1. All parking on campus is by permit. Permits must be obtained through the Department of Public Safety. Students are never considered visitors or employees for the purpose of parking.

Temporary Parking Permits will not be issued to Resident Freshman without prior approval from Public Safety. Failure to receive permission will result in a $100 fine and may subject the student to denial of his/her request. Any parking tickets received during the time period that the car was on campus without approval may not be appealed. Exceptions to this policy may be requested in writing to the Director of Public Safety.
3. The two exceptions to this policy are for Medical and Employment reasons only.
   a. Medical Exemption:

Resident Freshman may request a parking permit based on medical requirements. Students with a current or pre-existing medical condition that are under the treatment of a physician may request a Medical Parking Permit Request form.
      ii. The form may be obtained from the Public Safety Office as well as the Website. This form must be completed by the attending physician and returned to Public Safety and Health Services for review. Freshman granted an exception will only be permitted to park in Lot “U” in spaces marked with white lines.

IV. **Hazing Policy**

A. New York State Law and Siena College policy prohibit hazing. New York State Penal Law provides as follows:

1. **120.17 Hazing in the first degree:** A person is guilty of hazing in the first degree when in the course of another person’s initiation into or affiliation with any organization, he intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or a third person and thereby causes such injury. Hazing in the first degree is a Class A misdemeanor. (Note: punishable by up to one (1) year imprisonment or fine up to $1,000 or both).

2. **120.18 Hazing in the second degree:** A person is guilty of hazing in the second degree when in the course of another person’s initiation or affiliation with any organization, he intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or a third person. Hazing in the second degree is a violation. (Note: punishable by up to 15 days imprisonment or fine up to $250 or both).

B. In addition, Siena College considers hazing as any action or situation created by an individual, group, organization or athletic team, intentionally or unintentionally, whether on or off College premises, to produce mental or physical discomfort, embarrassment, harassment, ridicules, or in any way demean the dignity of another human being. Examples may include, but are not limited to, the following: forced consumption of alcohol; paddling in any form; creation of excess fatigue; “kidnapping”; physical and/or psychological shock; engaging in public stunts, morally degrading or humiliating games; forcing or encouraging someone to wear signs with inappropriate language/slogans; forcing or encouraging someone to sing lewd songs; shaving of heads; and any other activities or behavior inconsistent with the law and/or College policies.

C. No individual or group may haze another at any time including as it relates to initiation into or the affiliation with any organization, group or athletic team. Initiations, however explained, or activities that imply, force, encourage, condone or allow students to misuse alcohol or other drugs, or violate the law, or commit unethical, immoral or inappropriate behavior are forbidden. The planning or preparation to engage in hazing activity is also a violation of this policy.

D. Hazing of any kind is strictly prohibited by the College and subject to sanction. All members of the College community are expected to report to College officials hazing activity of any kind of which they have knowledge or information. Reports of hazing can be made to the vice president for student life dean of students, associate dean of students, assistant vice president for student life/director of public safety, director of athletics or director of campus programs and activities. Upon investigation, the matter may be referred to the vice president for student life for adjudication through the College’s established student conduct review procedures. In addition, the matter may be referred to outside law enforcement agencies.

E. Members, prospective members or participants who fail to report an act or contemplated act of hazing of which they have knowledge or information may also be found in violation of this policy. If an individual student faces a charge of violating this policy, the matter will be referred to the College’s student conduct review procedures and, if found responsible, he or she will be subject to the full range of sanctions, which may include expulsion from the College.

F. If a College-recognized organization (e.g., a club) faces a charge of violating this policy, it will be charged as an individual would be under such procedures, and sanctions will be
determined at the discretion of the College. Sanctions may include the loss or suspension of college recognition and/or re-recognition on certain conditions, in addition to the charges and sanctions directed to individual members.

G. If members of a College-sponsored activity or program (e.g., an athletic team) are charged and found responsible for violating this policy through the student conduct review procedures, the College will impose appropriate sanctions, which may include, but are not limited to, the full range of student status sanctions (including expulsion), removal or suspension from the program, forfeiture of games or limitation of activities, and/or other sanctions as deemed appropriate by the College.

H. It is the right of every Siena student to be free from the humiliation and danger of hazing. Hazing does not build strong organizations, teams, groups or tradition. Rather, it is a means of abuse and humiliation. To express concerns or complaints about hazing, or questions about this policy, contact the vice president for student life, dean of students, associate dean of students, assistant vice president for student life/director of public safety, director of athletics or director of student activities and leadership development.

V. Official Communication of College Business
A. Siena College recognizes many forms of communication for official College business. Administrators and faculty may use written documentation, telephone conversations, e-mail and Web documents as formal forms of communication. Official College business includes all actions of the College including, but not limited to, providing general information, course information, disciplinary notice and general administrative functions of the College. D. Material authorized for posting will be limited to that which complements the mission of the College, reflects a responsible expression of an opinion or idea, and will not result in a disruption or interference with the orderly operation of the College. Material that is
threatening, harassing or sexually explicit is prohibited. In cases where there is some question of whether material meets these guidelines, the director of student activities in consultation with the vice president for student life or designee, may request the individual or group to modify their content before approval for posting is authorized.

VII. Preferred Name Policy
A. At Siena, diversity is an invitation to celebrate the uniqueness of each individual, as well as the cultural differences that enrich us all. Siena strives to ensure that individuals from all backgrounds and perspectives are served equitably. The diversity that students, staff and faculty bring to the College are viewed as a resource, strength and benefit to the College as a whole.

B. Siena recognizes that some students prefer to identify themselves by a first name other than their legal name. Last names can be changed only with a legal name change. Under Siena’s Preferred Name policy, any student may choose to identify a preferred first name, in addition to their legal name. The College acknowledges that a preferred name should be used whenever possible in the course of College related systems and documents, except where the use of the legal name is required by college business or legal need.

C. Legal Names:
Students should note that use of a preferred name does not constitute a legal name change. Please note that some records may require the use of legal names only. The legal name will continue to be used in connection with certain official documents, including but not limited to, academic transcripts, health records, public safety records, account statement and billing, financial aid forms, tax forms and payroll documentation. Students who are utilizing a preferred name should always be prepared to reference their legal name, as necessary. In order to change the name on certain official college records, you must legally change your name. A legal name change is recognized by submitting a social security card, passport, and/or government issued visa with the new legal name.

D. **Procedures to Request Preferred Name:**
1. Students who choose to use a preferred name should submit the Preferred Name Request Form to the Office of the Dean of Students. Once the request is approved, the preferred name will be displayed in the applicable areas above within ten business days. Approved students can obtain a new SAINT ID card with the preferred name after this processing period by request at the Business Services counter in the Sarazen Student Union, Room 229.
2. The Office of the Dean of Students has the authority to deny any request for a preferred name or remove a preferred name, especially in cases where the preferred name was created for the purpose of avoiding legal obligation or misrepresentation; names which are not administratively possible to implement (such as symbols or images); or names deemed inappropriate, offensive or derogatory. Preferred name requests may also be denied due to multiple requests from the same person.
3. In the rare circumstance when a denial is made, the student may appeal the decision in writing within five business days to the Dean of Students. The Dean of Students will convene an appeal committee comprising the following representatives or their designee: Associate Vice-President of Student Life, Associate Vice President of Academic Affairs, Title IX Coordinator/EOS, and Director of the Damietta Cross-Cultural Center to consider the appeal. The committee will make a formal recommendation to the Dean of Students regarding approval of the preferred name request.

E. **Student Privacy Considerations:**
Consistent with the Family Educational Rights and Privacy Act (FERPA), Siena College allows for the release of directory information, which includes a student’s preferred name. If
a student does not want disclosure of the preferred name to external organizations or persons, students may suppress the release of the directory information by making a written request to the Registrar’s Office. Students who do so will have a confidentiality hold on all of their records. If a student has a confidentiality hold on his/her records, not only will this information not appear in any College directories, but the College will also be unable to place the student’s name in the commencement program at the time of graduation, or verify the student’s degree, major or enrollment for possible employment, credit-card applications, or insurance or mortgage-qualifying purposes. A student who has a confidentiality hold on his/her records may rescind a “no release clause” at any time in writing to the Registrar's Office.

F. Additional Information:
For additional questions regarding the Preferred Name policy, please contact the Office of the Dean of Students.

X. Speakers’ Policy

A. Brief Overview of the Policy:
The Siena College Speakers’ Policy sets forth the guidelines for bringing in outside speakers and performers to campus.

B. Reason for Policy:
This policy ensures protection of discourse and that adequate preparation, review, and notice are undertaken in selecting and approving outside speakers/performers.

C. Scope of the Policy: Entities or Individuals affected by this policy
All members of the Siena College community as well as outside attendees at events are subject to this policy.

D. The Official Policy:
1. As a liberal arts college, Siena seeks to foster the rigorous intellectual development of its students through a lively exchange of ideas both inside and outside the classroom. As a Catholic college, Siena has the responsibility to promote disciplined reflection on the Catholic intellectual tradition and constructive engagement of that tradition with diverse ideas and perspectives. As a Franciscan college, Siena strives to embody the vision of St. Francis of Assisi by sustaining a community wherein each member is treated as a brother or sister, and mutual relations are characterized by courtesy, humility, kindness, and respect.

   Our mission as a Catholic, Franciscan, liberal arts college requires that we entertain a full range of ideas on campus. We have nothing to fear from engaging the wider culture in an open and unconstrained search for truth. Siena should not and does not seek to insulate its faith tradition from reasonable critique nor from views contrary to Catholic teaching. Neither should Siena feel constrained from celebrating and promoting its core values. It is equally Siena’s responsibility to engage and debate views in conflict with its core values, so long as the partners in that debate are respectful of the persons whose views may differ markedly from their own. Consistent with our Franciscan heritage, passionate disagreement over ideas should never degenerate into ad hominem appeals or attacks on the fundamental human dignity of one’s intellectual adversaries. The challenge for Siena
is to remain faithful to all aspects of its mission, especially in those situations when the various elements of that mission appear to be in conflict with each other.

2. To this end, the following guidelines should be observed when various constituencies of the College invite outside speakers or sponsor events:

   a. As an academic institution, the College has an obligation to promote the free discussion of serious issues which may be controversial in nature. Presentations that have academic or artistic merit, including those that may be deliberately provocative, are acceptable. Presentations that are gratuitously offensive or overtly and insistently contemptuous of the values and sensibilities of the Siena College community are not.

   b. All speakers/performers must be sponsored by a College office, department, official College committee or officially recognized student club or organization. Any proposed speaker/performer must be approved by the divisional vice president in writing prior to contracting. The generic Speaker Review Form or a customized divisional alternative must be completed by the sponsor and submitted to the divisional Vice President or for approval. The Vice President may convene an ad hoc advisory/review group to assess the risks associated with the proposed speaker. The VP may assign any of these duties to their designee(s). For any speaker outside of the academic or student divisions, the College Risk Officer will work to identify the appropriate VP and their designee who will oversee compliance with the policy in that case. The College Risk Officer will provide guidance to the owner as necessary.

   c. Departments and offices should act within their area of expertise and mission in sponsoring or co-sponsoring speakers or events.

   d. It should be made clear that sponsorship of the speaker or the event does not imply an endorsement by Siena College of the views expressed by that speaker or that event.

   e. Sponsors are to encouraged to contact Public Safety no later than at the time of contracting with the speaker/performer for events with more than fifty (50) anticipated attendees to coordinate parking, accessibility, safety, VIPs, etc. The VP or designee(s) may require consultation with Public Safety if they determine that:

      i. the complexity of the event requires the involvement of more than one campus administrative unit;

      ii. that the event is likely to significantly affect campus safety and security;

      iii. the event has a substantial likelihood of interfering with other campus functions or activities;

      iv. or if the event is a dance or concert, regardless of how many attendees

   f. Sponsors are to contact Marketing and Communications prior to the time of contracting with the speaker/performer to assess feasibility of advertising and marketing of the event.

   g. Attendees may not engage in loud outbursts, profane, vulgar, inflammatory, threatening, abusive or disparaging language or other disruptive conduct or behavior. Persons who do so may be asked to leave and/or subject to disciplinary action.
h. In extremely rare circumstances, the College may determine that a presentation or event should be modified in format, postponed, or even cancelled. Such decision must involve open and respectful consultation with members of the Siena community including the event’s sponsor and must be guided by the principle that the remedy for controversial speech is more speech. Rather than restricting legitimate academic and artistic expression, the conversation could be broadened by providing an open forum after a speaker’s presentation in which multiple viewpoints and voices can be heard; the deliberate inclusion of qualified speakers who can articulate alternative perspectives on the contentious issue; or the sponsorship of speakers who hold opposing views over the course of a semester or academic year. Ultimately, however, the President of the College will have final authority in making these decisions.

E. Exceptions:
The College reserves the right to restrict the time, place and manner of any event that is subject to this policy although such restrictions shall be applied without discrimination toward the content of the view being expressed or the speaker. However, if the content of the speech or actions of the speaker are such that they endanger or imminently threaten to endanger the safety of any member of the community or any of the campus or community physical facilities or if the activity disrupts or obstructs the functions of the College or threatens such disruption or destruction, the College may, at its discretion, modify the time, place or manner of the event or reject and/or cancel any such event. Moreover, any indicator that there will be conduct that increases the likelihood of violence and potential injury may result in the rejection and/or cancellation of the event by the College. Any such decision shall be at the sole discretion of the College.

XI. Student Internal Complaint Policy
A. This policy serves as a guide for students who wish to file a complaint about any aspect of Siena’s operations/policies/procedures. Additionally, a student may utilize this process to file a complaint against any employee of the College (e.g. faculty member, administrator, staff member) or any visitor, volunteer or contractor. A student may choose to pursue the internal complaint either through an informal or formal process. The College does not accept internal complaints by non-students.
B. Students uncertain about how to proceed may consult the Associate Vice President of Student Life who shall identify the appropriate contact person. The student may also seek support from a Human Resources representative, who may act as an ombudsman to facilitate and/or mediate the process.
C. If the complaint involves an incident of sexual misconduct or discriminatory based harassment, then the student or the person to whom the student reported the complaint must notify the Title IX Coordinator/Equal Opportunity Specialist. If the complaint involves an assigned grade, the student should refer to the procedures for “Appeal of Assigned Grades” in the College Catalog.
D. In all instances, a student must be assured that no adverse action will be taken against the student for making a complaint. However, if a student intentionally furnishes false information, they may be referred to the Dean of Students office.
E. Procedures:
   1. Informal Resolution:
a. Students wishing to pursue an internal complaint informally shall first contact and meet with either the supervisor of the individual or administrator responsible for the operation/policy/procedure. This is usually the Director/Department Head or Academic Department Chair. They will informally investigate the complaint, normally within seven to ten business days. If the supervisor or administrator receiving the complaint finds that it is justified, they will address the situation and, if possible, see that it is corrected. The student may also request that the matter be resolved later, for example, after he/she has completed a course. The supervisor or administrator may also determine that the complaint is unfounded. With either outcome, they will meet with the student and inform them of the result, to the extent possible, keeping in mind that employee disciplinary matters are confidential.

b. Students who are not satisfied with the informal resolution may pursue their internal complaint through the formal process.

2. Formal Resolution:
   a. Filing of a Written Complaint: The formal complaint must be filed in writing with either the supervisor of the individual or administrator responsible for the operation/policy/procedure. This is usually the Director/Department Head or Academic Department Chair.
   b. In his/her written complaint, the complainant must include the following:
      i. A description of the facts supporting their complaint
      ii. Any supporting documentation/evidence
      iii. A description of the redress being sought
      iv. The name, contact information and signature of the student initiating the complaint
   c. The supervisor or administrator will investigate the incident, normally within seven to ten business days. If they find that the complaint is justified, they will address the situation and, if possible, see that it is corrected. The student may also request that the matter be resolved later, for example, after he/she has completed a course. They may also determine that the complaint is unfounded. With either outcome, they will meet with the student and inform them in writing of the findings, keeping in mind that employee disciplinary matters are confidential.
   d. Appeal: Students have five business days from the date of the letter of finding from the supervisor or administrator that investigated the matter to submit an appeal to that individual’s supervisor. This is usually an Academic Dean or an Assistant/Associate Vice President.
      i. All appeals must be in writing, submitted by the student, and must specify the grounds for the appeal. The College does not accept appeals submitted by non–students.
      ii. The student will be notified in writing of the decision within 7 business days. The appeal decision is final.
      iii. If the appeal process is not followed, the student may contact the appropriate divisional Vice President for redress.

3. All documentation regarding a complaint against an individual employee and the resolution will be forwarded and stored in the Office of Human Resources.
4. The College reserves the right to extend the timelines set forth above if it determines that circumstances warrant such extension.

5. If a circumstance occurs in which the parameters of this policy do not apply (e.g. an appeal to a direct report of a Vice President) a Human Resources representative will designate an individual to resolve the complaint.

XII. Student Records

Overview

A. Family Educational Rights and Privacy Act: The Family Educational Rights and Privacy Act of 1974 (FERPA), 20 U.S.C. § 1232g and 34 CFR Part 99, governs students’ access to and confidentiality of their education records maintained by Siena College. The College notifies students annually of their rights under FERPA. Students have the right to file a written complaint with the Office of Family Compliance at the U.S. Department of Education if they believe the College failed to comply with FERPA.

B. Education Records Defined: Education records are any records (in handwriting, print, tapes, film, computer or other medium) that are directly related to a student and maintained by the College or by a party acting for the College. They are not: 1) records that are kept in the sole possession of the maker, such as a faculty member, who makes the record for a personal memory aid and does not share the record with anyone other than a temporary substitute for him or her; 2) records created and maintained by the College’s Public Safety department for law enforcement purposes; 3) employment records; 4) records made or maintained by medical professionals if the records are used only for treatment of a student and made available only to those persons for providing the treatment; or 5) alumni records which contain information about a student after she/he is no longer in attendance at the College.

C. Student Access to Records: Records available for student inspection are those that fall under the definition of education records and generally include academic, financial aid and disciplinary records. References, ratings and/or observations completed before 1-1-75 are not available to students. Students do not have the right to inspect any financial data and income tax forms submitted in confidence by their parents in connection with an application for, or receipt of, financial aid. Concerning a record that contains information relating to more than one student, student access is limited to the portion of the record that pertains only to him/herself. Requests to inspect education records should be made in writing to the specific College office maintaining it. The records, files and/or data will be made available no later than 45 days from the time the written request is received. Materials will be reproduced at a cost of $.50 per page for records and $5.00 for a transcript.

D. Amendment of Education Records: A student may request in writing an amendment to his/her education record that he/she believes to be inaccurate, misleading or otherwise in violation of his/her privacy rights. If, upon review of the student’s request and record, the College determines that the amendment is not warranted, the student will be advised accordingly and given the right to a hearing conducted by an administrative officer of the College who does not have a direct interest in the outcome. At the conclusion of the hearing, the College will either amend the record and inform the student in writing of the amendment, or decide that the education record as written should stand. If the College determines that the record should
not be changed, the student will be given the right to place a statement in the record commenting on the contested information and/or why he/she disagrees with the College’s decision.

E. Disclosure of Education Records: Siena College will disclose information from a student’s education records only with the student’s prior written consent. The College will not need to obtain the student’s consent if FERPA allows the records to be released without it. Student consent will not be required if the disclosure is:

1. To other school officials whom the College has determined to have legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support-staff position. These people include health or medical staff; a person elected to the Board of Trustees; a person employed by or under contract with the College to perform a special task such as an attorney, auditor, or outside vendor; a person who is employed by the College’s Public Safety department; and a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if he/she is performing a task that is specified in his/her job description or contract agreement; performing a task related to the student’s education; providing a task related to the discipline of a student; providing a service or benefit relating to a student or student’s family, such as health care, counseling, job placement or financial aid; or maintaining the safety and security of the College.

2. To authorized officials, such as officials of other schools in which the student seeks to enroll, certain federal, state and local officials, or specified officials for audit or evaluation purposes.

3. To accrediting organizations or organizations conducting certain studies for or on behalf of the College.

4. In connection with a student’s application for, or receipt of, financial aid.

5. In the case of an emergency, if the knowledge of such information is necessary to protect the health and safety of the student or other persons.

6. To comply with a judicial order or lawfully issued subpoena or is related to legal action involving the College and the student.

7. In connection with certain disciplinary actions.

8. To parents of a dependent student, as defined in section 152 of the Internal Revenue Code of 1986. The College may, but is not required to, disclose information to parents of a dependent student. However, the College will not do so upon evidence that there is a court order, state statute or legally binding document relating to such matters as divorce, separation or custody that specifically revokes their rights as a parent. The College does not have an obligation to disclose any financial information about one parent to another.

F. Conduct Related Official Transcript Notations: A notation will be added to the official Siena College transcript of students found responsible for a violation of the College’s Code of Conduct (Siena Life) that:

1. meets the definition of a crime of violence pursuant to the Federal Clery Act established in 20 U.S.C. 1092 (F) (1) (I)-(VII), and,

2. is sanctioned with suspension, dismissal or expulsion.

   a. For a student that is suspended or dismissed, the transcript notation will read:

      i. “Suspended after a finding of responsibility for a code of conduct violation” or “Dismissed after a finding of responsibility for a code of conduct violation.”
ii. A student may appeal, seeking removal of a transcript notation, (only for suspensions and dismissals) provided that the notation shall not be removed prior to one year after the conclusion of their sanction. Written appeals must be submitted to the Office of the Dean of Students one year after the conclusion of their sanction. The Dean, in consultation with other College officials, will review and accept or deny the appeal. The student will be notified in writing and, if the appeal is granted, the notation will be removed within ten business days upon receipt of the appeal.

b. For a student that is expelled, the transcript notation will read: “Expelled after a finding of responsibility for a code of conduct violation”. This notation is permanent and cannot be removed.

c. For a student that withdraws from the College while such cases are pending and declines to complete the conduct process, the transcript will read: “Withdrew with conduct charges pending”. This notation will stand until the conduct process is complete.

3. In all cases, an administrative hold will be placed on the student’s record. The hold will prevent future registrations, distribution of transcripts and/or diplomas and may only be removed with permission of the Office of the Dean of Students.

G. Directory Information and Request to Prevent Disclosure:

1. The following is considered directory information, which may be disclosed to third parties without the student’s prior written consent: the student’s name, address (both local and permanent, and e-mail address), telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, photographs, dates of attendance, degrees and awards received, class level or year (e.g. freshman or junior), enrollment status (e.g. full-time or part-time) and the most recent previous educational agency or institution attended by the student. Directory information will not be made available to the party requesting it unless the appropriate administrative officer of the College has considered and approved the request.

2. Students may suppress the release of the directory information by making a written request to the Registrar’s Office. Students who do so will have a confidentiality hold on all of their records. If a student has a confidentiality hold on his/her records, not only will this information not appear in any College directories, but the College will also be unable to place the student’s name in the commencement program at the time of graduation, or verify the student’s degree, major or enrollment for possible employment, credit-card applications, or insurance or mortgage-qualifying purposes. A student who has a confidentiality hold on his/her records may rescind a “no release clause” at any time in writing to the Registrar's Office.

H. Student Disciplinary Records Retention:

1. The Dean of Students Office maintains disciplinary records and a disciplinary tracking system, which may include, but not be limited to, the respondent’s name and related information, description of the incident, parties involved, Code violations, sanctions, and other data deemed relevant. Such information will be maintained in accordance with the provisions of FERPA. Disciplinary records will be made available to hearing boards and College officials designated in the student conduct review process as necessary.
2. Student disciplinary records are maintained by the College for a period of seven years from the date of the last incident, with the exception of those cases which resulted in suspension, dismissal or expulsion from the College (which are kept permanently) or for which an outstanding hold is still on a student account.

I. Student Disciplinary Records – Release of Information Form:

1. If a student wishes the Dean of Students Office to release information regarding his or her disciplinary records to a third party, she/he must submit written authorization to the College. Upon receiving the student’s written authorization, the College will release only information that resulted in disciplinary probation, dismissal from college housing, dismissal from college, involuntary termination/administrative withdrawal, suspension or expulsion. Please note that the Public Safety Department may release any conduct information that it maintains on a student, since law enforcement records created and maintained by a law enforcement unit for law enforcement purposes are not considered education records.

2. The College reserves the right to release information from a student’s disciplinary record to third parties without the student’s prior written consent in accordance with FERPA regulations which allow nonconsensual disclosure under certain conditions. In connection with the condition relating to disclosure of information in disciplinary cases, the following apply:
   a. As stated in the parental notification sections, the College reserves the right, without student consent, to notify parents of students in health or safety emergencies, in cases of alcohol and/or drug policy violations if the student is under 21, and other instances permitted under FERPA. The College also reserves the right to provide notification to parents of students of other types of disciplinary actions with a signed release from the student. Parental notification of all types of disciplinary actions will usually be in writing after the case has been resolved in accordance with the conduct review process. Finally, the College may, but is not required to, provide information from a student’s disciplinary record to parents of dependent students. The College will do so, however, only upon evidence from the parents that his or her child is a dependent student, as that term is defined in section 152 of the Internal Revenue Code of 1986.
   b. If the student is an alleged perpetrator of the College’s Sexual Misconduct Policy or violent crimes that are violations of the College’s Code of Conduct, the College may disclose information from his or her disciplinary record to the victim and others. If the disclosure is to the victim making the allegations, then such disclosure may only include the final results of the disciplinary proceeding, regardless of whether the College concluded that a violation of the Code of Conduct was committed. If the disclosure is to anyone else, then the College must have concluded that the student committed a violation of the Code of Conduct before making the disclosure. Also, in such an instance, the College may not disclose the name of any other student, including a victim or witnesses, without the prior written consent of the other student.
XIII. Drug and Alcohol Policy for Employees

The problems associated with drug and alcohol abuse are a major concern in this country. The passage of the Drug-Free Workplace Act and the Drug-Free Schools and Communities Act Amendments have placed requirements on institutions of Higher Education to develop policies and to provide information to employees on drug and alcohol abuse.

This brochure is designed to provide all faculty, administrators, staff and student employees with a copy of the College’s Drug and Alcohol Policy, as well as information on (1) the health risks associated with drug and alcohol abuse, (2) the information, counseling and rehabilitation services available, (3) the federal, state and College sanctions that may be imposed for violations and (4) faculty, administrators, staff and student employer responsibility and standards of conduct.
